

# **Department of Corrections**

## Non-driver Identification Cards

# Obtaining Non-Driver Identification

## Sentencing

An individual with a qualifying sentence (6 months or more to serve) becomes eligible to obtain a non-driver identification card prior to release from a correctional facility

## Reentry Planning

During reentry planning, an individual's case worker will ask if they need an ID upon release

## ID Application

If the individual answers 'yes', they will fill out an application and a specialist at DOC's Central Office submits it on their behalf. An address is required to obtain an ID

## Processing/Obtaining

After 3-4 weeks of processing time, the identification will get sent to DOC's Central Office. DOC then distributes to the appropriate field site or facility

# Non-Driver Identification/Releases in Volume

- In 2025:
  - 6070 total releases from DOC custody
    - 4567 unique individuals
    - 1237 sentenced individuals
    - 2,468 detained individuals
- In FY24-25:
  - 465 non-driver IDs provided to sentenced individuals
- In FY25-26:
  - 182 non-driver IDs provided to sentenced individuals (so far)

# Pathways for Detainees at Six Months

- There are various potential pathways for detainees once they have been incarcerated for six months, ie.:
  - Sentenced and immediately released for time served
  - Charges dropped
  - Posting bail/bail amended
  - Sentenced to immediate probation
  - Stay detained for indeterminate amount of time before sentencing
