*Fulfilling the Promise*

An Agency of the State of Vermont

# FY 26 –FY27 Request

- R-22 Phase Out: Air Handler Replacement
  - FY 26 \$730,000
  - To be in compliance with federal regulation we must replace 80 air handlers that use R 22 refrigerants. This refrigerants has been targeted for phase-out by the EPA. This appropriation support the replace of equipment critical to maintain quality living conditions for the Veterans, Members and staff at VVH.

# FY 26 – FY 27 Request Cont.

- Expanded Laundry Facilities
  - FY 26 \$420,000
  - Our laundry equipment is at the end of its serviceable life and our existing laundry room has access and climate control issues. In order to accommodate replace equipment, modification to our current laundry area will be necessary. This request provides for building upgrades and equipment purchase with an anticipated functional life exceeding 20 years.
