

Report of Committee of Conference

H.454

TO THE SENATE AND HOUSE OF REPRESENTATIVES:

The Committee of Conference, to which were referred the disagreeing votes of the two Houses upon House Bill, entitled:

H.454. An act relating to an act relating to transforming Vermont’s education governance, quality, and finance systems.

Respectfully reports that it has met and considered the same and recommends that the House accede to the Senate proposal of amendment with further proposal of amendment thereto by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Findings and Intent * * *

Sec. 1. FINDINGS; INTENT; PLAN

(a) The General Assembly finds that:

(1) In 1997, the first piece of law the General Assembly enacted in response to *Brigham v. State*, 166 Vt. 246 (1997) stated, “[t]he right to public education is integral to Vermont’s constitutional form of government and its guarantees of political and civil rights...[and] fundamental for the success of Vermont’s children in a rapidly-changing society and global marketplace as well as the State’s own economic and social prosperity.” 16 V.S.A. § 1.

(2) From the very first attempt at creating a basic frame of government, Vermont’s founders chose to include a right to public education, the only governmental service included in Vermont’s first Constitution of 1777.

(3) As the U.S. Supreme Court stated in *Brown v. Board of Education*, 347 U.S. 483 (1954), “education is perhaps the most important function of state and local governments...[i]t is required in the performance of our most basic public responsibilities...[i]t is the very foundation of good citizenship.”

(4) The most enduring legacy of *Brigham* is the State’s responsibility to ensure substantially equal educational opportunities for all Vermont students.

(5) The education system is still reeling from the effects of a global pandemic, yet the same challenges that have faced Vermont’s education system remain. Thirty to 40 years ago, Vermont educated more than 110,000 students each year. Today, there are approximately 84,000 students in the public education system. Many schools have lost a significant number of students and, with them, the ability to offer robust services and programs at every school. Vermont’s youth need to be prepared for a rapidly evolving future.

(6) Vermonters deserve an exceptional educational system that is stable and predictable and where a student’s home address does not dictate the quality of education they receive. School district size and boundaries, school size, and class size are all influential factors in shaping the quality of

instruction and overall student outcomes. The effectiveness of our schools depends on teacher quality, resource availability, and the unique strengths of local communities. Change in our educational system is needed. Systems are made of people, so change must come carefully and thoughtfully, with meaningful engagement by all Vermonters.

(b) Intent; plan.

(1) To ensure each student is provided substantially equal educational opportunities that will prepare them to thrive in a 21st-century world, it is the intent of the General Assembly to work strategically, intentionally, and thoughtfully to ensure that each incremental change made to Vermont’s public education system provides strength and support to its only constitutionally required governmental service.

(2) It is further the intent of the General Assembly to:

(A) in the 2026 session:

(i) enact new, larger school district boundaries that would be effective July 1, 2026;

(ii) enact updates to career and technical education governance systems, both at the local and statewide levels, that are reflective of the larger public education governance transformation to new, larger school districts;

(iii) create a coordinated and coherent statewide strategy for career and technical education that is responsive to students and the State’s workforce

needs and that provides opportunities for more integration between career and technical education and traditional high school work;

(iv) enact student-centered updates to fully fund career and technical education within a foundation formula that does not create competition between sending schools and career and technical education programs for available funds nor exceed current spending levels;

(v) begin the process to create voting wards within each school district to ensure school board membership is apportioned in such a manner as to achieve substantially equal weighting of the votes of all voters in the election of school board members; and

(vi) establish an appropriate weight for prekindergarten students, as well as enact changes to the publicly funded prekindergarten program that ensure costs are borne by the appropriate funding source depending on the age of the student and the prekindergarten education provider;

(B) provide or enable the provision of the necessary staffing, resources, and support to the Agency of Education, the Secretary of State's Office, town clerks, and other integral parties to the election system to hold the first school board member elections within the newly created school districts in a special election in November 2027; and

(C) provide or enable the provision of the necessary staffing, resources, and support to the Agency of Education, State Board of Education,

and other integral parties to ensure that the necessary guidance and funding is in place to allow for a smooth and successful transition between the operation of Vermont’s current 119 school districts to the new, larger school districts, with new school districts assuming responsibility for the education of all resident students on July 1, 2028; and

(3) It is further the intent of the General Assembly to ensure that the imposition of the new statewide education tax rate contemplated by this act does not result in an increase of education property tax bills relative to Vermont’s current education funding system for municipalities across Vermont. The General Assembly intends to mitigate or reduce property tax bills for Vermonters by, among other things:

(A) enacting new school district boundaries that increase the efficiency of the delivery of educational services through scale;

(B) addressing inefficiencies of education delivery through programmatic updates to prekindergarten, career and technical education, and special education;

(C) improving staffing ratios to increase sustainability and reduce costs;

(D) addressing high-cost, languishing physical school infrastructure through implementation of a new State aid for school construction program;

(E) evaluating and consolidating education governance structures to reduce administrative costs and burdens;

(F) stabilizing education property taxes by transitioning from an education funding system that funds locally varying budgets to a foundation formula that funds predictable educational opportunity payments;

(G) implementing a foundation formula with costs reflective of the most efficient method of delivery of education services to Vermont pupils of all educational needs within Vermont’s existing education structure;

(H) providing a process for regular recalibration of the foundation formula to reduce costs over time as educational efficiencies are gained through the implementation of new governance and programmatic structures;

(I) reserving support for small and sparse schools for schools that are small or sparse by necessity;

(J) shifting certain education and other related costs off of the Education Fund and on to other sources of funding that do not impact the property tax bills of Vermonters;

(K) implementing equalizing measures for any local spending additional to educational opportunity payments that reserve funds within the Education Fund to reduce following-year property tax bills;

(L) imposing a cap on local spending additional to educational opportunity payments to limit property tax rate increases through the supplemental district spending tax;

(M) providing transitional measures to ease school district movement from current education spending to educational opportunity payments under the new foundation formula; and

(N) replacing the existing property tax credit with a homestead exemption that increases income sensitivity benefits to Vermonters with low and moderate income and smooths existing income sensitivity benefit cliffs.

* * * Commission on the Future of Public Education * * *

(vii) Class sizes shall not exceed the maximum occupancy limits established by local and State fire codes, including egress and safety requirements.

(B) Waivers. If a school board determines that it operates a school that is unable to comply with the class size minimum standards due to geographic isolation, or a school has developed an implementation plan to meet the standards contained in this subdivision (9) that may include consolidation or merger, the school board may ask the State Board of Education to grant it waiver from this subdivision (9). The State Board shall define what qualifies as geographic isolation in its rules adopted pursuant to subdivision (a)(3) of this section. The State Board's decision shall be final.

If the Secretary determines that a school is not meeting the class size minimum standards set forth in this subdivision (9) over the course of three consecutive school years, the Secretary may recommend to the State Board one or more of the actions listed in subsection (b) of this section, regardless of whether the school is meeting all other education quality standards. The State Board shall then follow the procedure of subsection (c) of this section.

(b) Annually, the Secretary shall determine whether students in each Vermont public school are provided educational opportunities substantially equal to those provided in other public schools. If the Secretary determines

The action ordered by the State Board shall be the least intrusive consistent with the need to provide students attending the school substantially equal educational opportunities. A school board aggrieved by an order of the State Board may appeal the order in accordance with the Rules of Civil Procedure.

* * *

(e) If the Secretary determines at any time that the failure of a school to meet the education quality standards listed in subsection (a) of this section is severe or pervasive, potentially results in physical or emotional harm to students or significant deprivation of equal education opportunities, and the school has either unreasonably refused to remedy the problem or its efforts have proved ineffective, ~~he or she~~ the Secretary may recommend to the State Board one or more of the actions listed in subsection (b) of this section. The State Board shall then follow the procedure of subsection (c) of this section.

The homestead property tax rate for each municipality that is a member of a union or unified union school district shall be calculated as required under subsection (e) of this section. a rate sufficient to cover expenditures from the Education Fund other than supplemental district spending, after accounting for forecasted non-property tax revenues and any funds unreserved in the Education Fund following the process under 16 V.S.A. § 4032(c). It is the intention of the General Assembly that the statewide~~

education tax rate under this section shall be adopted for each fiscal year by act of the General Assembly. If the General Assembly fails to adopt a statewide education tax rate for a fiscal year, the statewide education tax rate for the fiscal year shall equal the product of 110 percent and the statewide education tax rate for the preceding fiscal year. The statewide education tax rate shall be adjusted for homestead property and each general class of nonhomestead property provided under section 4152a of this title as follows:

<u>If the tax classification of the</u>	<u>then the statewide education tax rate</u>
<u>property subject to taxation is:</u>	<u>is multiplied by a factor of:</u>
<u>Homestead</u>	<u>1.0</u>
<u>Nonhomestead Nonresidential</u>	<u>1.0</u>
<u>Nonhomestead Residential</u>	<u>1.0</u>

(b) The statewide education tax shall be calculated as follows:

(1) The Commissioner of Taxes shall determine for each municipality the education tax rates under subsection (a) of this section divided by the number resulting from dividing the municipality's most recent common level of appraisal by the statewide adjustment. The legislative body in each municipality shall then bill each property taxpayer at the ~~homestead or nonhomestead~~ applicable rate determined by the Commissioner under this subdivision, multiplied by the education property tax grand list value of the property, properly classified as homestead or nonhomestead property and

Statewide education property tax bills shall show the tax due and the calculation of the rate determined under subsection (a) of this section, divided by the number resulting from dividing the municipality's most recent common level of appraisal by the statewide adjustment, multiplied by the current grand list value of the property to be taxed. Statewide education property tax bills shall also include language provided by the Commissioner pursuant to subsection 5405(g) of this title.

(2) Taxes assessed under this section shall be assessed and collected in the same manner as taxes assessed under chapter 133 of this title with no tax classification other than as ~~homestead or nonhomestead property~~ those required by this section; provided, however, that the tax levied under this chapter shall be billed to each taxpayer by the municipality in a manner that clearly indicates the tax is separate from any other tax assessed and collected under chapter 133, including an itemization of the separate taxes due. The bill may be on a single sheet of paper with the statewide education tax and other taxes presented separately and side by side.

(3) ~~If a district has not voted a budget by June 30, an interim homestead education tax shall be imposed at the base rate determined under subdivision (a)(2) of this section, divided by the number resulting from dividing the municipality's most recent common level of appraisal by the statewide~~

~~adjustment, but without regard to any spending adjustment under subdivision 5401(13) of this title. Within 30 days after a budget is adopted and the deadline for reconsideration has passed, the Commissioner shall determine the municipality's homestead tax rate as required under subdivision (1) of this subsection. [Repealed.]~~

(c)(1) The treasurer of each municipality shall by December 1 of the year in which the tax is levied and on June 1 of the following year pay to the State Treasurer for deposit in the Education Fund one-half of the municipality's statewide ~~nonhomestead tax and one-half of the municipality's homestead~~ education tax, as determined under subdivision (b)(1) of this section.

(2) The Secretary of Education shall determine each municipality's net ~~nonhomestead~~ education tax payment ~~and its net homestead education tax payment~~ to the State based on grand list information received by the Secretary not later than the March 15 prior to the June 1 net payment. Payment shall be accompanied by a return prescribed by the Secretary of Education. Each municipality may retain 0.225 of one percent of the total education tax collected, only upon timely remittance of net payment to the State Treasurer or to the applicable school district or districts. ~~Each municipality may also retain \$15.00 for each late property tax credit claim filed after April 15 and before September 2, as notified by the Department of Taxes, for the cost of issuing a new property tax bill.~~

~~(2) For a municipality that is a member of a union school district:~~

~~(A) Determine the municipal district homestead tax rate using the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based on the per pupil education spending in the municipality who attends a school other than the union school.~~

~~(B) Determine the union district homestead tax rate using the base rate determined under subdivision (a)(2) of this section and a spending adjustment under subdivision 5401(13) of this title based on the per pupil education spending of the union school district.~~

~~(C) Determine a combined homestead tax rate by calculating the weighted average of the rates determined under subdivisions (A) and (B) of this subdivision (2), with weighting based upon the ratio of union school long-~~

~~term membership, as defined in 16 V.S.A. § 4001(7), from the member municipality to total long term membership of the member municipality; and the ratio of long term membership attending a school other than the union school to total long term membership of the member municipality. Total long term membership of the member municipality is based on the number of pupils who are legal residents of the municipality and attending school at public expense. If necessary, the Commissioner may adopt a rule to clarify and facilitate implementation of this subsection (e). [Repealed.]~~

(f)(1) A supplemental district spending tax is imposed on all homestead and nonhomestead property in each member municipality of a school district that approves spending pursuant to a budget presented to the voters of a school district under 16 V.S.A. § 563. The Commissioner of Taxes shall determine the supplemental district spending tax rate for each school district by dividing the school district's per pupil supplemental district spending as certified by the Secretary of Education by the supplemental district spending yield. The legislative body in each member municipality shall then bill each property taxpayer at the rate determined by the Commissioner under this subsection, divided by the number resulting from dividing the municipality's most recent common level of appraisal by the statewide adjustment and multiplied by the current grand list value of the property to be taxed. The bill shall show the tax due and the calculation of the rate.

(2) The supplemental district spending tax assessed under this subsection shall be assessed and collected in the same manner as taxes assessed under chapter 133 of this title with no tax classification other than as homestead or nonhomestead property; provided, however, that the tax levied under this chapter shall be billed to each taxpayer by the municipality in a manner that clearly indicates the tax is separate from any other tax assessed and collected under chapter 133 of this title and the statewide education property tax under this section, including an itemization of the separate taxes due. The bill may be on a single sheet of paper with the supplemental district spending tax, the statewide education tax, and other taxes presented separately and side by side.

(3) The treasurer of each municipality shall on or before December 1 of the year in which the tax is levied and on or before June 1 of the following year pay to the State Treasurer for deposit in the Education Fund one-half of the municipality's supplemental district spending tax as determined under subdivision (1) of this subsection.

(4) The Secretary of Education shall determine each municipality's net supplemental district spending tax payment to the State based on grand list information received by the Secretary not later than the March 15 prior to the June 1 net payment. Payment shall be accompanied by a return prescribed by the Secretary of Education. Each municipality may retain 0.225 of one percent

(e) Property taxes paid by a cooperative, not including a mobile home park cooperative, allocable to property used as a homestead shall be attributable to the co-op member for the purpose of computing the ~~credit~~ of property tax liability of the co-op member under this section. The allocated amount shall be determined by the nonprofit corporation or community land trust on a proportional basis. The nonprofit corporation or community land trust shall provide to that homeowner, by January 31, a certificate specifying the allocated amount. The certificate shall indicate the proportion of total property tax on the parcel that was assessed for municipal property tax and for statewide property tax and the proportion of total value of the parcel. A homeowner under this subsection shall be entitled to a property tax credit in an amount determined by multiplying the property taxes allocated under this subsection by the percentage of the exemption for which the homeowner's household income qualifies under subdivision (a)(1) of this section.

(h) A homestead owner shall be entitled to an additional property tax credit amount equal to one percent of the amount of income tax refund that the claimant elects to allocate to payment of ~~homestead~~ statewide education property tax under section 6068 of this title.

(i) ~~Adjustments~~ The homestead property tax exemption and the municipal property tax credit under subsection (a) of this section shall be calculated without regard to any exemption under subdivision 3802(11) of this title.

§ 6066a. DETERMINATION OF HOMESTEAD PROPERTY TAX

EXEMPTION AND MUNICIPAL PROPERTY TAX CREDIT

(a) Annually, the Commissioner shall determine the homestead property tax exemption and the municipal property tax credit amount under section 6066 of this title, related to a homestead owned by the claimant, based on the prior taxable year's income and for the municipal property tax credit, crediting property taxes paid in the prior year, and for the homestead property tax exemption, exempting the housesite value in the claim year. The Commissioner shall notify the municipality in which the housesite is located of the amount of the homestead property tax exemption and municipal property tax credit for the claimant for ~~homestead~~ property tax liabilities on a monthly basis. The municipal property tax credit of a claimant who was assessed property tax by a town that revised the dates of its fiscal year, however, is the excess of the property tax that was assessed in the last 12 months of the revised

fiscal year, over the adjusted property tax of the claimant for the revised fiscal year, as determined under section 6066 of this title, related to a homestead owned by the claimant.

(b) The Commissioner shall include in the total homestead property tax exemption and municipal property tax credit amount determined under subsection (a) of this section, for credit to the taxpayer for ~~homestead~~ statewide education property tax and supplemental district spending tax liabilities, any income tax overpayment remaining after allocation under section 3112 of this title and setoff under section 5934 of this title, which the taxpayer has directed to be used for payment of property taxes.

(c) The Commissioner shall notify the municipality of any claim and refund amounts unresolved by November 1 at the time of final resolution, including adjudication, if any; provided, however, that towns will not be notified of any additional credit amounts after November 1 of the claim year, and such amounts shall be paid to the claimant by the Commissioner.

(d) [Repealed.]

(e) At the time of notice to the municipality, the Commissioner shall notify the taxpayer of the homestead property tax ~~credit~~ exemption amount determined under subdivision 6066(a)(1) of this title, ~~the amount determined under subdivision 6066(a)(3) of this title;~~ any additional municipal property credit ~~amounts~~ amount due the homestead owner under ~~section~~ subdivision

6066(a)(2) of this title; the amount of income tax refund, if any, allocated to payment of ~~homestead~~ statewide education property tax liabilities; and any late-claim reduction amount.

(f)(1) For taxpayers and amounts stated in the notice to towns on or before July 1, municipalities shall create and send to taxpayers a ~~homestead~~ property tax bill, instead of the bill required under subdivision 5402(b)(1) of this title, providing the total amount allocated to payment of ~~homestead~~ statewide education property tax liabilities and notice of the balance due. Municipalities shall apply the amount of the homestead property tax exemption allocated under this chapter to current year property taxes in equal amounts to each of the taxpayers' property tax installments that include education taxes and the amount of the municipal property tax credit allocated under this chapter to current year municipal property taxes in equal amounts to each of the taxpayers' property tax installments that include municipal taxes.

Notwithstanding section 4772 of this title, if a town issues a corrected bill as a result of the notice sent by the Commissioner under subsection (a) of this section, issuance of the corrected new bill does not extend the time for payment of the original bill nor relieve the taxpayer of any interest or penalties associated with the original bill. If the corrected bill is less than the original bill, and there are also no unpaid current year taxes, interest, or penalties, and no past year delinquent taxes or penalties and interest charges, any

overpayment shall be reflected on the corrected tax bill and refunded to the taxpayer.

(2) For homestead property tax exemption and municipal property tax credit amounts for which municipalities receive notice after November 1, municipalities shall issue a new ~~homestead~~ property tax bill with notice to the taxpayer of the total amount allocated to payment of ~~homestead~~ property tax liabilities and notice of the balance due.

(3) The homestead property tax exemption and municipal property tax credit amount determined for the taxpayer shall be allocated first to current year housesite value and property tax on the homestead parcel, next to current-year homestead parcel penalties and interest, next to any prior year homestead parcel penalties and interest, and last to any prior year housesite value and property tax on the homestead parcel. No homestead property tax exemption or municipal credit shall be allocated to a housesite value or property tax liability for any year after the year for which the claim or refund allocation was filed. No municipal tax-reduction incentive for early payment of taxes shall apply to any amount allocated to the property tax bill under this chapter.

(4) If the homestead property tax exemption or the municipal property tax credit amount as described in subsection (e) of this section exceeds the property tax, penalties, and interest due for the current and all prior years, the municipality shall refund the excess to the taxpayer, without interest, within 20

days of the first date upon which taxes become due and payable or 20 days after notification of the exemption or credit amount by the Commissioner of Taxes, whichever is later.

(g) The Commissioner of Taxes shall pay monthly to each municipality the amount of municipal property tax credit of which the municipality was last notified related to municipal property tax on homesteads within that municipality, as determined by the Commissioner of Taxes.

§ 6067. ~~CREDIT~~ CLAIM LIMITATIONS

(a) Claimant. Only one individual per household per taxable year shall be entitled to a homestead exemption claim or property tax credit claim, or both, under this chapter.

(b) Other states. An individual who received a homestead exemption or credit with respect to property taxes assessed by another state for the taxable year shall not be entitled to receive a credit under this chapter.

(c) Dollar amount. No ~~taxpayer~~ claimant shall receive a renter credit under subsection 6066(b) of this title in excess of \$2,500.00. No ~~taxpayer~~ claimant shall receive a municipal property tax credit under subdivision 6066(a)(3)(2) of this title greater than \$2,400.00 ~~or cumulative credit under subdivisions 6066(a)(1) (2) and (4) of this title greater than \$5,600.00.~~

§ 6068. APPLICATION AND TIME FOR FILING

(a) A homestead property tax exemption or municipal property tax credit claim or request for allocation of an income tax refund to ~~homestead~~ statewide education property tax payment shall be filed with the Commissioner on or before the due date for filing the Vermont income tax return, without extension, and shall describe the school district in which the homestead property is located and shall particularly describe the homestead property for which the exemption or credit ~~or allocation~~ is sought, including the school parcel account number prescribed in subsection 5404(b) of this title. A renter credit claim shall be filed with the Commissioner on or before the due date for filing the Vermont income tax return, without extension.

(b)(1) If ~~the~~ a claimant files a municipal property tax credit claim after October 15 but on or before March 15 of the following calendar year, the municipal property tax credit under this chapter:

~~(1)(A)~~ shall be reduced in amount by \$150.00, but not below \$0.00;

~~(2)(B)~~ shall be issued directly to the claimant; and

~~(3)(C)~~ shall not require the municipality where the claimant's property is located to issue an adjusted ~~homestead~~ property tax bill.

(2) If a claimant files a homestead property tax exemption claim under this chapter after October 15 but on or before March 15 of the following calendar year, the claimant shall pay a penalty of \$150.00 and the municipality

where the claimant's property is located shall not be required to issue an adjusted property tax bill.

(c) No request for allocation of an income tax refund or for a renter credit claim may be made after October 15. No homestead property tax exemption or municipal property tax credit claim may be made after March 15 of the calendar year following the due date under subsection (a) of this section.

* * *

§ 6070. DISALLOWED CLAIMS

A claim shall be disallowed if the claimant received title to ~~his or her~~ the claimant's homestead primarily for the purpose of receiving benefits under this chapter.

§ 6071. EXCESSIVE AND FRAUDULENT CLAIMS

(a) In any case in which it is determined under the provisions of this title that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full and the Commissioner may impose a penalty equal to the amount claimed. A disallowed claim may be recovered by assessment as income taxes are assessed. The assessment, including assessment of penalty, shall bear interest from the date the claim was credited against property tax or income tax or paid by the State until repaid by the claimant at the rate per annum established from time to time by the Commissioner pursuant to section 3108 of this title. The claimant in that case, and any person

who assisted in the preparation of filing of such excessive claim or supplied information upon which the excessive claim was prepared, with fraudulent intent, shall be fined not more than \$1,000.00 or be imprisoned not more than one year, or both.

(b) In any case in which it is determined that a claim is or was excessive, the Commissioner may impose a 10 percent penalty on such excess, and if the claim has been paid or credited against property tax or income tax otherwise payable, the municipal property tax credit or homestead exemption shall be reduced or canceled and the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate per annum established from time to time by the Commissioner pursuant to section 3108 of this title from the date of payment or, in the case of credit of a municipal property tax bill under section 6066a of this title, from December 1 of the year in which the claim is filed until refunded or paid.

* * *

§ 4152. CONTENTS

(3) A brief description of each parcel of taxable real estate in the town, including a classification assigned pursuant to section 4152a of this title.

~~“Parcel”~~ As used in this subdivision, “parcel” means a separate and sellable lot or piece of real estate. Parcels may be combined to represent all contiguous land in the same ownership, together with all improvements thereon.

Sec. 61. 32 V.S.A. § 4152a is added to read:

§ 4152a. PROPERTY TAX CLASSIFICATIONS

(a) The grand list of a town shall include one or more tax classifications for each parcel of real estate. A parcel shall be classified using one of the general classes of real estate listed under subsection (b) of this section and based on the considerations set forth in this section and by guidance provided by the Division of Property Valuation and Review. The listers and assessors shall annually update the grand list to include a tax classification not later than June 1 of every year, using information submitted to the Department of Taxes pursuant to this section. The tax classification may be updated after June 1 when a taxpayer files, or corrects an erroneously filed, homestead declaration after June 1.

(b) A parcel shall be assigned one or more of the following general classes:

(1) Homestead;

(2) Nonhomestead nonresidential; and

(3) Nonhomestead residential.

(c) As used in this section:

(1) “Homestead” means a parcel, or portion of a parcel, declared as a homestead on or before October 15 in accordance with section 5410 of this title for the current year.

(2) “Nonhomestead nonresidential” means a parcel, or portion of a parcel, that does not qualify as “homestead,” or “nonhomestead residential” under this section.

(3) “Nonhomestead residential” means a parcel, or portion of a parcel, for which a homestead was not declared in accordance with section 5410 of this title for the current year and that has a residential property, as defined by the Commissioner by rule.

(d) A parcel with two or more portions qualifying for different tax classifications under this section shall be classified proportionally based on the percentage of floor space used.

(1) In the case of a homestead with 25 percent or less of floor space used for a business purpose, the parcel shall be classified as a homestead pursuant to subdivision 5401(a)(7)(F) of this title.

(2) If a portion of floor space is used for more than one purpose, the use in which the floor space is most often used shall be considered the primary use and the floor space shall be dedicated to that use for purposes of tax classification.

(e) The Commissioner shall amend existing forms, and publish new forms, as needed to gather the necessary attestations and declarations required under this section.

(f) Nothing in this section shall be construed to alter the tax treatment or enrollment eligibility of property as it relates to use value appraisal under chapter 124 of this title.

(g) Persons aggrieved by a decision to classify property for taxation purposes under this section may appeal in the manner provided for property valuation appeals under this title.

Sec. 61a. PROPERTY TAX CLASSIFICATIONS; TRANSITION; DATA
COLLECTION

For calendar year 2027, the Commissioner of Taxes shall amend and create forms so that taxpayers report information on the use of their property for such property to be classified as homestead, nonhomestead residential, nonhomestead nonresidential, or a proportional classification of those uses. The information collected, and classifications determined, shall align with the definitions and requirements of Sec. 61 of this act. The Commissioner shall use the information to determine and assign a tax classification for every grand list parcel and, on or before October 1, 2027, the Commissioner shall provide that information to the Joint Fiscal Office.

Sec. 61b. PROPERTY TAX CLASSIFICATIONS IMPLEMENTATION
REPORT

(a) The Commissioner of Taxes shall study the implementation of new property tax classifications under this act and identify any further actions

required by the Department of Taxes, Vermont municipalities, and the General Assembly to successfully implement the new tax classification system on the timeline established by this act. The issues considered by the Commissioner shall include any adjustments to the statutory definitions, any needed changes to existing forms, whether new forms or taxpayer filings are needed, and how the Department could identify parcels with dwelling units that do not have an affiliated homestead declaration or landlord certificate on file.

(b) The Commissioner shall additionally recommend sets of tax rate multipliers to be applied under 32 V.S.A. § 5402(a) as amended by this act.

(1) The Commissioner shall recommend a multiplier set that would ensure any new revenue derived from the nonhomestead residential classification would cover the cost to the Education Fund caused by the homestead property tax exemption under 32 V.S.A. § 6066(a) as amended by this act.

(2) The Commissioner shall recommend a different multiplier set that would ensure that any new revenue derived from the nonhomestead residential classification would mitigate forecasted property tax increases on homestead property taxpayers caused by the implementation of this act.

(c) On or before December 15, 2025, the Commissioner of Taxes shall submit a study report detailing the Commissioner's findings under this section

to the House Committee on Ways and Means and the Senate Committee on Finance.

Sec. 61c. TAX CLASSIFICATIONS; RATE MULTIPLIERS; INTENT

It is the intent of the General Assembly that the creation of a tax classification system, and the specific tax classifications to be used by that system, will be reevaluated at the same time as any further amendment of the tax rate multipliers created under 32 V.S.A. § 6066(a) as amended by this act.

Sec. 61d. PROSPECTIVE REPEAL OF TAX CLASSIFICATIONS

In order to ensure successful implementation of education finance reform as set forth in this act, in the absence of legislative action on or before July 1, 2028 that creates a new tax rate multiplier to be used in a tax classification system, subdivision (f)(10) of Sec. 70 of this act is repealed on July 1, 2028.

(3) property valuation is conducted by trained and certified individuals and firms.

§ 3416. REGIONAL ASSESSMENT DISTRICTS; ESTABLISHMENT

(a) There are hereby established 12 regional assessment districts, whose member municipalities shall fully and jointly reappraise their grand lists every six years pursuant to subsection 3417(b) of this subchapter. Member municipalities shall contract jointly with one or more third parties to conduct reappraisals.

(b) Each county shall constitute one regional assessment district, except that Franklin and Grand Isle Counties shall constitute one district and Essex and Orleans Counties shall constitute one district.

§ 3417. STANDARD GUIDELINES; PROCEDURES; RULEMAKING

(a) The Director of Property Valuation and Review shall establish standard guidelines and procedures, and may adopt rules, for regional assessment districts, including:

(1) guidelines for contracting with third parties to conduct or assist with reappraisals, including standard reappraisal contract terms;

(2) standards for the collection and recordation of parcel data;

(3) requirements relating to information technology, including standards for data software contracts and computer-assisted mass appraisal systems; and

(4) standardized practices for a full reappraisal, including cases in which physical inspections are unnecessary and how technology is to be utilized.

(b) The Director of Property Valuation and Review shall establish a schedule for each regional assessment district to fully reappraise every six years. The Director, at the Director's discretion, may alter the reappraisal schedule for a regional assessment district or for one or more of a regional assessment district's member municipalities.

* * * Transition to Regional Assessment Districts * * *

Sec. 63. TRANSITION; ANNUAL PROGRESS REPORT

(a) Notwithstanding 32 V.S.A. § 4041a or any other provision of law to the contrary:

(1) the Director of Property Valuation and Review shall not order any new municipal reappraisals of grand list properties that is not part of a regionalized reappraisal system on and after January 1, 2027;

(2) a reappraisal order for which a municipality does not have a contract in place before January 1, 2030 shall no longer have the force and effect of law on and after January 1, 2030, except for those that are part of a regionalized reappraisal system; and

(3) a municipality shall not enter into a new reappraisal contract on or after January 1, 2027, except for those that are part of a regionalized reappraisal system.

(b) On or before every January 15 from January 15, 2027 to January 15, 2030, the Commissioner of Taxes shall submit a report to the House Committee on Ways and Means and the Senate Committee on Finance relating to the progress made in preparing for the implementation of regional assessment districts pursuant to this act.

Sec. 64. REGIONAL ASSESSMENT DISTRICT STAKEHOLDER
WORKING GROUP

On or before January 15, 2026, the Department of Taxes, in consultation with relevant stakeholders, shall submit recommendations to the House Committee on Ways and Means and the Senate Committee on Finance advising on the implementation of regional assessment districts and on the development of guidelines, procedures, and rules needed to effectuate a regionalized reappraisal system. The recommendations will include an analysis of the advantages and disadvantages of having the State take full responsibility for regionalized appraisals. In making its recommendation, the Department of Taxes shall provide suggestions for legislative language that address:

(1) the authority or authorities who will contract for and conduct reappraisals;

(2) the authority or authorities who will hear and decide property valuation appeals;

(3) amendments necessary to conform statute to the change from an April 1 to January 1 grand list assessment date; and
(4) any other recommended revisions to achieve a regionalized reappraisal system.

* * * Miscellaneous Tax * * *

Sec. 65. 32 V.S.A. § 6066a(f)(1) is amended to read:

(f)(1) For taxpayers and amounts stated in the notice to towns on or before July 1, municipalities shall create and send to taxpayers a homestead property tax bill, instead of the bill required under subdivision 5402(b)(1) of this title, providing the total amount allocated to payment of homestead education property tax liabilities and notice of the balance due. Nothing in this subdivision, however, shall be interpreted as altering the requirement under subdivision 5402(b)(2) of this title that the statewide education homestead tax be billed in a manner that is stated clearly and separately from any other tax. Municipalities shall apply the amount allocated under this chapter to current year property taxes in equal amounts to each of the taxpayers' property tax installments that include education taxes. Notwithstanding section 4772 of this title, if a town issues a corrected bill as a result of the notice sent by the Commissioner under subsection (a) of this section, issuance of the corrected new bill does not extend the time for payment of the original bill nor relieve the taxpayer of any interest or penalties associated with the original bill. If the

corrected bill is less than the original bill, and there are also no unpaid current year taxes, interest, or penalties, and no past year delinquent taxes or penalties and interest charges, any overpayment shall be reflected on the corrected tax bill and refunded to the taxpayer.

Sec. 66. 32 V.S.A. § 5252 is amended to read:

§ 5252. LEVY AND NOTICE OF SALE; SECURING PROPERTY

(a) When the collector of taxes of a town or of a municipality within it has for collection a tax assessed against real estate in the town and the taxpayer owes a minimum of \$1,500.00 and is delinquent for a period longer than one year, the collector may extend a warrant on such land. However, no warrant shall be extended until a delinquent taxpayer is given an opportunity to enter a written reasonable repayment plan pursuant to subsection (c) of this section. If a collector receives notice from a mobile home park owner pursuant to 10 V.S.A. § 6248(b), the collector shall, within 15 days after the notice, commence tax sale proceedings to hold a tax sale within 60 days after the notice. If the collector fails to initiate such proceedings, the town may initiate tax sale proceedings only after complying with 10 V.S.A. § 6249(f). If the tax collector extends the warrant, the collector shall:

The Director shall have the right to remove a hearing officer for inefficiency, malfeasance in office, or other cause. In like manner, the Director shall appoint a hearing officer to fill any vacancy created by resignation, removal, or other cause. Payment shall be accompanied by a return prescribed by the Secretary of Education. Each municipality may retain 0.225 of one percent of the total education tax collected, only upon timely remittance of net payment to the State Treasurer or to the applicable school district or districts. ~~Each municipality may also retain \$15.00 for each late property tax credit claim filed after April 15 and before September 2, as notified by the Department of Taxes, for the cost of issuing a new property tax bill.~~

Sec. 69. 32 V.S.A. § 5401(13) is amended to read:
