S.227

2

An act relating to creating immigration protocols in Vermont schools

3

The House proposes to the Senate to amend the bill by striking out all after

4

the enacting clause and inserting in lieu thereof the following:

5

Sec. 1. PURPOSE

6

The purpose of this act is to secure the right of every child to equal access

7

to a free public education and to a school that is safe from intimidation and

8

fear, regardless of immigration status. In order to ensure the right to

9

educational equality, schools must take steps to protect the integrity of school

10

learning environments for all children, so that no parent is discouraged from

11

sending a child to, and no child is discouraged from attending, school,

12

including due to the threat of immigration enforcement on a school campus.

13

Sec. 2. 16 V.S.A. chapter 33 is amended to read:

14

CHAPTER 33. FIRE AND EMERGENCY PREPAREDNESS DRILLS

8 under section 166 of this title.

9 (b) Immigration resources and support.

10 (1) A superintendent or head of school shall:

11 (A) distribute the immigration resource guide developed by the
12 Office of the Attorney General pursuant to subdivision (2) of this subsection

13 (b) to staff, students, and family members of students;

14 (B) at each school the superintendent or head of school oversees,
15 designate at least one individual to serve as a resource for immigration-related
16 matters who shall receive on an ongoing basis updated information and

18 Office of the Attorney General; and

19 (C) provide support, to the greatest extent possible, to a student with
20 regard to immigration-related concerns, including connecting the student and

1 the student's family with an immigration advocacy institution and similar
2 resources.

3 (2)(A) The Office of the Attorney General, in consultation with the
4 Agency of Education, shall develop an immigration resource guide that shall:

5 (i) include immigration- and civil rights-related resources;

9 (ii) be developed in a manner that serves to protect the privacy and
10 safety of students and staff.

11 (B) The Office of the Attorney General shall review the guide at least
12 once annually and send any updates made to the guide to the Agency of
13 Education for distribution to all superintendents and heads of schools not later
14 than 30 days after completing the update.

15 (c) Student information privacy. School districts and independent schools
16 are prohibited from:

17 (1) collecting or requesting information regarding citizenship or
18 immigration status of a student or of a family member of the student except as
19 required by State or federal law or as required to administer a State- or
20 federally supported educational program;

1 (2) disclosing a student’s immigration status, citizenship, place of birth,
2 nationality, or national origin:

3 (A) in any database that the school maintains; or

4 (B) as directory information, as that term is defined by the Family
5 Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g and 34

11 unless required to do so by State or federal law.

12 (d) Law enforcement on-site and requests for information.

13 (1) A superintendent or head of school shall:

14 (A) subject to subdivision (B) of this subdivision (1), be the sole
15 authority to admit a law enforcement officer who appears on an immigration-
16 related matter into a nonpublic area of school; and

17 (B) designate at least one individual who works at each school to
18 serve as a designee of the superintendent or head of school in the event that the
19 superintendent or head of school is not present when the law enforcement
20 officer appears on-site.

1 (2) The superintendent or head of school or designee shall not allow a
2 law enforcement officer appearing on an immigration-related matter into a
3 nonpublic area of a school unless the officer provides official identification and
4 a judicial warrant that authorizes entrance into a specific area of the school and
5 names a specific individual located within the school who is subject to a search
6 or arrest.

7 (3) Absent a judicial warrant pursuant to subdivision (2) of this
8 subsection, no school or individual working at a school shall reveal any
9 information about a student or school staff member in response to an
10 immigration-related request from a law enforcement officer unless otherwise
11 required by law.

12 (4) As used in this subsection, “immigration-related matter” and
13 “immigration-related request” mean an administrative warrant, civil warrant,
14 immigration detainer, or any other document or request that pertains to an
15 individual’s immigration or citizenship status.

16 (e) Immigration agreements.

17 (1) Except as required by State or federal law, no school, school district,
18 or supervisory union shall enter into an agreement with a State, local, or
19 federal government entity that furthers the enforcement of any immigration
20 law.

1 (2)(A) Any proposed agreement pursuant to subdivision (1) of this
2 subsection (e) that purports to be required by State or federal law shall be
3 subject to review by the superintendent or head of school after the
4 superintendent or head of school has consulted with the Office of the Attorney
5 General.

6 (B) The superintendent or head of school shall provide a
7 recommendation on the proposed agreement to the school's appropriate
8 governing body after the superintendent's or head of school's review pursuant
9 to subdivision (A) of this subdivision (2).

10 (f) Applicability. Nothing in this section is intended to prohibit or impede
11 any public agency from complying with the lawful requirements of 8 U.S.C.
12 §§ 1373 and 1644. To the extent any school, school district, or supervisory
13 union policy or practice conflicts with the lawful requirements of 8 U.S.C.
14 §§ 1373 and 1644, the policy or practice is, to the extent of such conflict,
15 abolished.

16 (g) Policy required.
