

Overview for Families

Vermont Child Development Division

We work with community partners to provide Vermonters with affordable access to high-quality child care and child development services.

Who We Are

Our mission is to improve the well-being of Vermont's children. We do this by working with families, early childhood and afterschool program staff, community members, and government partners to provide equitable access to child development services.

How We Can Help

Find Child Care

Find and choose a quality child care program

Pay for Child Care

Find out if you are eligible for child care financial assistance

Support Children and Families

Access early intervention, specialized child care, family support, and prevention services to help ensure healthy development and well-being
