Montpelier, Vermont 05620

Re: Case: 24-1755-PET  
Industrial Tower and Wireless, LLC/248ac-at  
160 Frog Hollow Lane, Westmore, Vermont

Dear Commissioners,

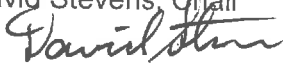

This public comment letter sent on behalf of the Westmore Selectboard serves to notify the Vermont Public Utilities Commission, that the Board considered the proposed telecommunications tower facility described in the above referenced docket at a Selectboard meeting, March 24, 2025, and voted to recommend denial of the project.

Findings determined by the Westmore Planning Commission and detailed in the Planning Commission letter, March 6, 2025, to the PUC, document that the ITW facility does not comply with the Town Plan, the Westmore Telecommunications Ordinance, nor with the significant aesthetic characteristics attributed to the Town.

Reference is again made to the Planning Commission letter of March 6, 2025 which details the non-compliance, and the Westmore Selectboard hereby recommends that the Public Utilities Commission deny the ITW tower proposal for Westmore.

Respectfully submitted,

David Stevens, Chair

Isaiah Casey

William Perkins

Miriam Simonds
