

1 S.50

2 Sec. X. PUBLIC UTILITY COMMISSION RECOMMENDATIONS;

3 DEFINITION OF SINGLE PLANT

4 On or before November 1, 2025, and with input from stakeholders, the  
5 Public Utility Commission shall submit a proposed amended definition of  
6 “plant” in 30 V.S.A. § 8002(18) to the House Committee on Energy and  
7 Digital Infrastructure and the Senate Committee on Natural Resources and  
8 Energy. In making its recommendation, the Commission shall consider:

9 (1) the land use benefits of collocation of energy generation facilities;

10 (2) the ability to ensure comprehensive review of collocated facilities;

11 and

12 (3) the potential impacts to ratepayers associated with collocated  
13 facilities.
