Introduced by Representative Satcowitz of Randolph

Referred to Committee on

Date:

Subject: Fish and wildlife; fish and game; hunting; conservation

Statement of purpose of bill as introduced: This bill proposes to amend multiple provisions related to hunting, fishing, and trapping and related to the conservation of threatened and endangered species. The bill would authorize the Commissioner of Fish and Wildlife to designate Labor Day weekend as a free mentored fishing weekend. The bill would adjust the fees for fishing tournaments based on the number of participants. The bill also increases the penalties for big game violations. In addition, the bill would allow for enforcement of a fish and wildlife violation in the Judicial Bureau based on the determination of the enforcing warden. The bill authorizes the Commissioner of Fish and Wildlife to adopt rules for the protection, conservation, and taking of amphibians and reptiles. The bill would clarify that a person could not take, collect, or possess a wild bird, wild animal, reptile, or amphibians with a permit from the Commissioner. The bill also clarifies the authority of the Commissioner of Fish and Wildlife to not disclose the location of specific endangered or threatened species. In addition, the bill would repeal the statute

1 requiring the Department of Fish and Wildlife to reimburse farmers whose
2 crops are damaged by black bear.

3 An act relating to the management of fish and wildlife

4 It is hereby enacted by the General Assembly of the State of Vermont:

9 therefor; provided, however, that a person under 15 years of age may take fish
10 in accordance with this part and regulations of the Board, without first having
11 procured a license therefor.

13 under subsection (d) of this section.

17 prior to the beginning of the tournament.

18 (d) The Commissioner shall charge a fee ~~of \$50.00~~ based on the number of
19 participants for each permit issued under this section and shall deposit the fee
20 collected into the Fish and Wildlife Fund. Tournaments with up to 25
