S.325

Representative Burr of Cabot moves that the report of the Committee on Environment be amended in Sec. 14, 24 V.S.A. § 4303, in subdivision (43), by striking out subdivision (E) in its entirety and inserting in lieu thereof a new subdivision (E) to read as follows:

(E) serves to strengthen agricultural and forest industries, including homesteading, small-scale agriculture and forestry, and supporting housing, while minimizing conflicts of development with these industries;
