NEW ISSUE

In the opinion of Mintz, Levin, Cohn, Ferris, Glosky and Pappas, P.C., Bond Counsel to the Bond Bank, under existing law, and assuming continued compliance with various requirements of the Internal Revenue Code of 1986, as amended, interest on the Bonds will not be included in the gross income of holders of such bonds for federal income tax purposes. Interest on the Bonds will not constitute a preference item for purposes of computation of the federal individual alternative minimum tax; however, Bond Counsel observes that, for tax years beginning after December 31, 2022, interest on the Bonds included in the adjusted financial statement income of certain corporations is not excluded from computation of the federal corporate alternative minimum tax. In the further opinion of Bond Counsel, the Bonds are exempt from State of Vermont personal income taxes and State of Vermont corporate income taxes. See "TAX MATTERS" herein.
