Hi Julie,

This is also for the entire BCA.

Looking over the modified list for Ben1 & Ben5;

1. Carmichael, Adam W.
895 Barber Pond Rd.

That address should remain in Ben 5, as it is on the north side of the road.

2. Suzumu, Michael Blake
872 Barber Pond Rd.

Needs to be included in Ben 1. He did vote and is a real person.

3. Rondeau, Tyler P.
1792 Barber Pond Rd.

Needs to be challenged, his dad stated that he has moved out of state and voted elsewhere.

4. Danis, Jacob E.
1458 Barber Pond.

The person living there reported he no longer lives there and is in Alaska.

5. Haas, Donald

1164 Barber Pond Rd

Was challenged and appears to be removed from your list now.
Agree.

6. Manell, Emma Lee

1166 Barber Pond Rd.

This is a storage location.

The owner of the facility does not know where she disappeared to.

Should be challenged.

(Might be a missing person)?

7 & 8 Hancock, Erica L.

Millette, Jocelyn Estelle

746 Barber Pond Rd.

Both reported they did not receive ballots, nor the BCA mailing from the town.

They use a P.O. Box

I told them to check in with the Pownal Clerk.

Hello Gentlemen,
I've attached two (2) sheets of the minutes that show the ones who voted in the
November 5th election.

The residents should have received their letters to inform the new Districts.

Thank You
Julie
