

Are you in favor of ranked-choice voting?
76 responses

- Yes
- No
- Concerns about confusion with voters
- would have to learn more
- I don't know enough about it to understand all the possible ramifications
- Yes in theory, however, I would need to see a very strong messaging and education campaign
- August Primary only
- not sure

How would an audit of your checklist to ensure all voters are in the correct district impact your town?
(Chart includes only responses from clerks with multiple districts):

Do you feel your office and BCA would be reasonably able to take on the audit with ample training and resources from SOS? (Chart includes only responses from clerks with multiple districts):
