2 Representative Galfetti of Barre Town moves that the report of the  
3 Committee on Government Operations and Military Affairs be amended in  
4 Sec. 2, 29 V.S.A. § 910, by striking out subsections (a)–(b) in their entirety and  
5 inserting in lieu thereof new subsections (a)–(b) to read as follows:

6 (a) When contracting for print or digital advertising services for the State or  
7 its agencies, departments, instrumentalities, or institutions, the Commissioner  
8 of Buildings and General Services shall contract with local news organizations  
9 for not less than 70 percent of the total annual value of the print or digital  
10 advertising services, of which at least 40 percent of the total annual value of  
11 the print or digital advertising services shall be with local news organizations  
12 with annual revenue of less than \$3,000,000.00.

13 (b) When contracting for radio or television advertising services for the  
14 State or its agencies, departments, instrumentalities, or institutions, the  
15 Commissioner of Buildings and General Services shall contract with local  
16 broadcast organizations for not less than 70 percent of the total annual value of  
17 the radio or television advertising services, of which at least 40 percent of the  
18 total annual value of the radio or television advertising services shall be with  
19 local broadcast organizations with annual revenue of less than \$3,000,000.00.
