Congressional inquiries, please e-mail

STATE SUMMARY

<https://www.data.va.gov/stories/s/h7wz-vt37>

A screenshot of the Microsoft Excel ribbon interface. The ribbon is divided into several tabs: Clipboard, Font, Alignment, Number, Styles, Cells, and Editing. Each tab contains various icons and controls for formatting and editing data. The Font tab is currently active, showing options for font face, size, bold, italic, underline, color, and background color. The Alignment tab shows options for text alignment, orientation, and merging cells. The Number tab shows options for number format, currency, percentage, and decimal places. The Styles tab shows options for conditional formatting, table styles, and cell styles. The Cells tab shows options for inserting, deleting, and formatting cells. The Editing tab shows options for auto-sum, fill, clear, sort & filter, and find & select.
