

Good Evening Representatives,

For those of you I have not met, I am Dr. Rebecca Barcelow, I am practicing Doctor of Optometry between my two offices in Bethel and White River Junction.

I wanted to reach out to you and request that you support S.64. This bill can do a whole lot of meaningful good for Vermonters (and the occasional New Hampshire) who I see every day.

If you have any questions, please do not hesitate to ask. I am happy to meet with any of you who have questions, and I know one of the doctors from our practice will be there on Thursday.

All the best,

Dr. Rebecca Barcelow
