16 notify the project applicant that removal of the dam may be a more appropriate

18 allowed to revise the project application to request dam removal.

19 (b) If the Department finds that the project proposed under section 1082 of
20 this title will serve the public good and, in case of any waters designated by the

16 Sec. 17. 3 V.S.A. § 844 is amended to read:

17 § 844. EMERGENCY RULES

18 (a) Where an agency believes that there exists an imminent peril to public
19 health, safety, or welfare, it may adopt an emergency rule. The rule may be
20 adopted without having been prefiled or filed in proposed or final proposed
21 form, and may be adopted after whatever notice and hearing the agency finds

1 to be practicable under the circumstances. The agency shall make reasonable
2 efforts to ensure that emergency rules are known to persons who may be
3 affected by them.

4 * * *

5 (g) In the alternative to the grounds specified in subsection (a) of this
6 section, an agency may adopt emergency amendments to existing rules using
7 the process set forth in this section if each of the subdivisions (1)–(5) of this
8 subsection applies. On a majority vote of the entire Committee, the Legislative
9 Committee on Administrative Rules may object to the emergency amendments
10 on the basis that one or more of these subdivisions do not apply or under
11 subdivision (e)(1)(A), (B), or (C) of this section, or both.

12 (1) The existing rules implement a program controlled by federal statute
13 or rule or by a multistate entity.

4 (B) Failure to amend the rules by the date required for
5 implementation would cause significant harm to the public health, safety, or
6 welfare or significant financial loss to the State.

7 (5) On the date the emergency rule amendments are adopted pursuant to
8 this subsection, the adopting authority profiles a corresponding permanent rule
9 pursuant to section 837 of this title.

10 (h) In addition to the grounds for emergency rulemaking under subsections
11 (a) and (g) of this section, an agency may adopt an emergency rule under this
12 section if an amendment to a federal statute, rule, or policy will materially
13 conflict with or threaten the ability of the agency to implement a statutory or
14 regulatory program required under Vermont law. On a majority vote of the
15 entire Committee, the Legislative Committee on Administrative Rules may
16 object to proposed emergency rules for adoption under this subsection on the
17 basis that the provisions of this subsection do not apply.
