32 V.S.A. 1671 Certification

House Committee on Government Relations and Military Affairs:

This letter certifies that the Town of Arlington holds sufficient dedicated reserve funds to provide for the uses described in subdivision (2) of 32 V.S.A. 1671 part (c), such that the Town would be allowed to allocate less than \$4 per page from recording fees to its Restoration and Preservation Reserve Fund.

The Town maintains an annual budget of \$1500 per year for restoration, preservation, digitization, storage, and conservation of municipal records, with unused funds transferred to the Restoration and Preservation Reserve Fund. Beyond this, maintenance expenses of the records vault are funded through the Town Hall operating maintenance and capital budget, eliminating the need to draw on the Restoration and Preservation Fund for storage and preservation expenses. Land records have been digitized back to 1978 and continue daily for all new land records.

The 2025 ending balance of the Restoration and Preservation Fund was \$6,660.
