

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Health Care to which was referred House Bill No. 259
3 entitled “An act relating to preventing workplace violence in hospitals”
4 respectfully reports that it has considered the same and recommends that the
5 bill be amended by striking out all after the enacting clause and inserting in
6 lieu thereof the following:

7 Sec. 1. 18 V.S.A. § 1911b is added to read:

8 § 1911b. WORKPLACE VIOLENCE PREVENTION PLANNING

9 (a)(1) A hospital licensed pursuant to this chapter shall establish and
10 implement a security plan for preventing workplace violence and managing
11 aggressive behaviors. Each hospital shall establish a team for the purpose of
12 providing advice during the development of the hospital’s security plan. The
13 hospital shall select individuals from the following groups to serve on its
14 security plan development team:

15 (A) health care employees providing direct patient care at the
16 hospital;

17 (B) representatives from the designated agency serving the region
18 where the hospital is located; and

19 (C) representatives of relevant law enforcement agencies.

20 (2) The security plan shall be based on the results of a security risk
21 assessment that addresses all high-risk areas of the hospital, including the

1 emergency department, and all patient care areas. The security risk assessment
2 shall be conducted in consultation with the medical and nursing directors of
3 each department and those hospital employees supervising other high-risk
4 areas of the hospital. The security risk assessment shall consider overall
5 patient volume, crime rates in the community, and the availability of law
6 enforcement to respond to violent incidents at the hospital.

7 (3) The security plan shall include an option for health care employees
8 who provide direct patient care to request an identification badge containing
9 only their first name or their first name and last initial.

10 (4)(A) The security plan shall require at least one hospital employee
11 trained in de-escalation strategies to be present at all time in the hospital's
12 emergency department and all other patient care areas.

13 (B) The security plan shall require that a hospital employee trained in
14 trauma-informed care and victim support serve as a liaison to law enforcement,
15 support victims through the legal process, and ensure that the response to
16 incidents of violence at the hospital prioritize the safety and retention of
17 hospital employees providing health care services.

18 (5) The security plan shall establish training requirements for
19 appropriate hospital employees on the following:

20 (A) the culture of safety as determined by the hospital;

21 (B) response to the presence or use of weapons;

1 (C) defensive tactics;

2 (D) de-escalation techniques;

3 (E) appropriate physical restraint and seclusion techniques;

4 (F) crisis intervention;

5 (G) trauma-informed care and strategies;

6 (H) clinician well-being practices;

7 (I) presence and intervention of law enforcement; and

8 (J) safely addressing situations involving patients, family members,

9 or other individuals who pose a risk of self-harm or harm to others.

10 (6) The security plan shall include guidelines indicating when a law
11 enforcement officer should remain with a patient who has demonstrated
12 violence or harm to others pursuant to 18 V.S.A. § 1883. The guidelines shall
13 be developed jointly by a health care provider representative and law
14 enforcement.

15 (7)(A) A hospital shall review and evaluate the security plan developed
16 pursuant to this subsection annually in conjunction with the data collected
17 pursuant to subdivision (b)(3) of this section. If necessary, the hospital shall
18 revise the security plan.

19 (B) The security plan and any annual revisions to the security plan
20 shall be distributed annually to all hospital employees, volunteers, the

1 hospital's board of directors, relevant law enforcement agencies, and any other
2 partners identified by the security plan development team.

3 (b)(1) A hospital licensed pursuant to this chapter shall establish and utilize
4 a workplace violence incident reporting system to document, track, analyze,
5 and evaluate incidents of workplace violence at the hospital. Data collection
6 through the reporting system and resulting analysis shall be used to improve
7 workplace safety and to manage aggressive behaviors, including improvements
8 achieved through continuing education in targeted areas such as de-escalation
9 training, risk identification, and prevention planning.

10 (2) All hospital employees shall be notified about the existence of the
11 reporting system and shall receive training on how to report incidents of
12 workplace violence to the hospital, hospital security, law enforcement, or any
13 other entity the hospital deems appropriate.

14 (3) A hospital shall use its reporting system to track the following:

15 (A) the number of reported incidents;

16 (B) the number of incidents reported to law enforcement; and

17 (C) the number of individuals involved in a reported incident who
18 were criminally charged as a result of the incident.

19 (c) A hospital shall adopt a policy prohibiting a hospital employee from
20 discriminating or retaliating against another hospital employee for:

21 (1) reporting an incidence of workplace violence;

1 (2) seeking assistance or intervention from the hospital, hospital
2 security, law enforcement, or any other appropriate entity; or

3 (3) participating in an investigation of workplace violence.

4 (d)(1) A hospital shall post a notice in a conspicuous location, either
5 electronically or in print, indicating that hospital employees do not tolerate an
6 unsafe work environment where any type of threatening or aggressive behavior
7 is present. The notice shall remind hospital patrons of the serious legal
8 consequences of assaulting a hospital employee.

9 (2) As used in this subsection, “conspicuous” could include the
10 hospital’s website, waiting room areas, or any other areas of the hospital that
11 the hospital deems appropriate.

12 (e) The Agency of Human Services shall collaborate with hospitals to
13 identify incentives, funding sources, and other means to support the
14 development and operation of workplace violence prevention programs at
15 hospitals.

16 Sec. 2. 18 V.S.A. § 9435 is amended to read:

17 § 9435. EXCLUSIONS

18 * * *

19 (i) Excluded from this subchapter are expenditures by a hospital that are
20 necessary to implement the security plan required pursuant to section 1911b of
21 this title.

1 Sec. 3. 18 V.S.A. § 9454 is amended to read:

2 § 9454. HOSPITALS; DUTIES

3 (a) Hospitals shall file the following information at the time and place and
4 in the manner established by the Board:

5 (1) a budget for the forthcoming fiscal year;

6 (2) financial information, including costs of operation, revenues, assets,
7 liabilities, fund balances, other income, rates, charges, units of services, and
8 wage and salary data;

9 (3) scope-of-service and volume-of-service information, including
10 inpatient services, outpatient services, and ancillary services by type of service
11 provided;

12 (4) utilization information;

13 (5) new hospital services and programs proposed for the forthcoming
14 fiscal year;

15 (6) costs associated with implementing their security plan pursuant to
16 section 1911b of this title, including capital investments, program operation,
17 and staff;

18 (7) known depreciation schedules on existing buildings, a four-year
19 capital expenditure projection, and a one-year capital expenditure plan; and

20 ~~(7)~~(8) such other information as the Board may require.

21 * * *

1 Sec. 4. 18 V.S.A. § 9456 is amended to read:

2 § 9456. BUDGET REVIEW

3 (a) The Board shall conduct reviews of each hospital’s proposed budget
4 based on the information provided pursuant to this subchapter and in
5 accordance with a schedule established by the Board.

6 * * *

7 (c) Individual hospital budgets established under this section shall:

8 * * *

9 (5) include a finding that the analysis provided in subdivision (b)(9) of
10 this section is a reasonable methodology for reflecting a reduction in net
11 revenues for non-Medicaid payers; ~~and~~

12 (6) demonstrate that they support equal access to appropriate mental
13 health care that meets standards of quality, access, and affordability equivalent
14 to other components of health care as part of an integrated, holistic system of
15 care; and

16 (7) take into consideration the costs associated with implementing a
17 security plan pursuant to section 1911b of this title.

18 * * *

19 Sec. 5. EFFECTIVE DATE

20 This act shall take effect on July 1, 2025.
