1	TO THE HOUSE OF REPRESENTATIVES:		
2	The Committee on Health Care to which was referred House Bill No. 259		
3	entitled "An act relating to preventing workplace violence in hospitals"		
4	respectfully reports that it has considered the same and recommends that the		
5	bill be amended by striking out all after the enacting clause and inserting in		
6	lieu thereof the following:		
7	Sec. 1. 18 V.S.A. § 1911b is added to read:		
8	§ 1911b. WORKPLACE VIOLENCE PREVENTION PLANNING		
9	(a)(1) A hospital licensed pursuant to this chapter shall establish and		
10	implement a security plan for preventing workplace violence and managing		
11	aggressive behaviors. Each hospital shall establish a team for the purpose of		
12	providing advice during the development of the hospital's security plan. The		
13	hospital shall select individuals from the following groups to serve on its		
14	security plan development team:		
15	(A) health care employees providing direct patient care at the		
16	hospital;		
17	(B) representatives from the designated agency serving the region		
18	where the hospital is located; and		
19	(C) representatives of relevant law enforcement agencies.		
20	(2) The security plan shall be based on the results of a security risk		
21	assessment that addresses all high-risk areas of the hospital, including the		

emergency department, and all patient care areas. The security risk assessmen
shall be conducted in consultation with the medical and nursing directors of
each department and those hospital employees supervising other high-risk
areas of the hospital. The security risk assessment shall consider overall
patient volume, crime rates in the community, and the availability of law
enforcement to respond to violent incidents at the hospital.
(3) The security plan shall include an option for health care employees
who provide direct patient care to request an identification badge containing
only their first name or their first name and last initial.
(4)(A) The security plan shall require at least one hospital employee
trained in de-escalation strategies to be present at all time in the hospital's
emergency department and all other patient care areas.
(B) The security plan shall require that a hospital employee trained in
trauma-informed care and victim support serve as a liaison to law enforcement
support victims through the legal process, and ensure that the response to
incidents of violence at the hospital prioritize the safety and retention of
hospital employees providing health care services.
(5) The security plan shall establish training requirements for
appropriate hospital employees on the following:
(A) the culture of safety as determined by the hospital;
(B) response to the presence or use of weapons;

1	(C) defensive tactics;		
2	(D) de-escalation techniques;		
3	(E) appropriate physical restraint and seclusion techniques;		
4	(F) crisis intervention;		
5	(G) trauma-informed care and strategies;		
6	(H) clinician well-being practices;		
7	(I) presence and intervention of law enforcement; and		
8	(J) safely addressing situations involving patients, family members,		
9	or other individuals who pose a risk of self-harm or harm to others.		
10	(6) The security plan shall include guidelines indicating when a law		
11	enforcement officer should remain with a patient who has demonstrated		
12	violence or harm to others pursuant to 18 V.S.A. § 1883. The guidelines shall		
13	be developed jointly by a health care provider representative and law		
14	enforcement.		
15	(7)(A) A hospital shall review and evaluate the security plan developed		
16	pursuant to this subsection annually in conjunction with the data collected		
17	pursuant to subdivision (b)(3) of this section. If necessary, the hospital shall		
18	revise the security plan.		
19	(B) The security plan and any annual revisions to the security plan		
20	shall be distributed annually to all hospital employees, volunteers, the		

1	hospital's board of directors, relevant law enforcement agencies, and any other		
2	partners identified by the security plan development team.		
3	(b)(1) A hospital licensed pursuant to this chapter shall establish and utilize		
4	a workplace violence incident reporting system to document, track, analyze,		
5	and evaluate incidents of workplace violence at the hospital. Data collection		
6	through the reporting system and resulting analysis shall be used to improve		
7	workplace safety and to manage aggressive behaviors, including improvements		
8	achieved through continuing education in targeted areas such as de-escalation		
9	training, risk identification, and prevention planning.		
10	(2) All hospital employees shall be notified about the existence of the		
11	reporting system and shall receive training on how to report incidents of		
12	workplace violence to the hospital, hospital security, law enforcement, or any		
13	other entity the hospital deems appropriate.		
14	(3) A hospital shall use its reporting system to track the following:		
15	(A) the number of reported incidents; and		
16	(B) the number of incidents reported to law enforcement.		
17	(c) A hospital shall adopt a policy prohibiting discrimination or retaliation		
18	<u>for:</u>		
19	(1) reporting an incidence of workplace violence;		
20	(2) seeking assistance or intervention from the hospital, hospital		
21	security, law enforcement, or any other appropriate entity; or		

1	(3) participating or refusing to participate in an investigation of	
2	workplace violence.	
3	(d)(1) A hospital shall post a notice in a conspicuous location, either	
4	electronically or in print, indicating that hospital employees do not tolerate an	
5	unsafe work environment where any type of threatening or aggressive behavior	
6	is present. The notice shall remind hospital patrons of the serious legal	
7	consequences of assaulting a hospital employee.	
8	(2) As used in this subsection, "conspicuous" could include the	
9	hospital's website, waiting room areas, or any other areas of the hospital that	
10	the hospital deems appropriate.	
11	(e) The Agency of Human Services shall collaborate with hospitals to	
12	identify incentives, funding sources, and other means to support the	
13	development and operation of workplace violence prevention programs at	
14	hospitals.
