

I've been a primary care pediatrician in Vermont since 1976. We need universal health care for all.

Please add an amendment to S.197 that will create a Universal Primary Care Advisory Group to work on a financing and operational plan for universal publicly financed primary care based on up-to-date cost estimates of primary care spending.

Thanks,

Jack Mayer, MD, MPH

Middlebury, VT

Let's take concrete steps this session to make Universal Primary Care a reality.
