10 Sec. 4. 9 V.S.A. chapter 63, subchapter 11 is amended to read:

11 Subchapter 11. ~~Pregnancy Services Centers~~ Health Care Services

12 § 2491. FINDINGS; LEGISLATIVE INTENT

13 ~~(a) Findings.~~ The General Assembly finds that:

14 (1) ~~Centers that seek to counsel clients against abortion, often referred to~~  
15 ~~as crisis pregnancy centers or limited-services pregnancy centers, have become~~  
16 ~~common across the country, including in Vermont. Accurate information~~  
17 ~~about the services that a limited-services pregnancy center performs, in~~  
18 ~~addition to forthright acknowledgement of its limitations, is essential to enable~~  
19 ~~individuals in this State to make informed decisions about their care. This~~  
20 ~~includes individuals being informed of whether they are receiving services~~  
21 ~~from a licensed and qualified health care provider at a limited services~~

1 ~~pregnancy center, as this allows individuals to determine if they need to seek~~  
2 ~~medical care elsewhere in order to continue or terminate a pregnancy.~~

3 ~~(2) Although some limited services pregnancy centers openly~~  
4 ~~acknowledge in their advertising, on their websites, and at their facilities that~~  
5 ~~they neither provide abortions nor refer clients to other providers of abortion~~  
6 ~~services, others provide confusing and misleading information to pregnant~~  
7 ~~individuals contemplating abortion by leading those individuals to believe that~~  
8 ~~their facilities offer abortion services and unbiased counseling. Some limited~~  
9 ~~services pregnancy centers have promoted patently false or biased medical~~  
10 ~~claims about abortion, pregnancy, contraception, and reproductive health care~~  
11 ~~providers.~~

12 ~~(3) False and misleading advertising by centers that do not offer or refer~~  
13 ~~clients for abortion is of special concern to the State because of the time-~~  
14 ~~sensitive and constitutionally protected nature of the decision to continue or~~  
15 ~~terminate a pregnancy. When a pregnant individual is misled into believing~~  
16 ~~that a center offers services that it does not in fact offer or receives false or~~  
17 ~~misleading information regarding health care options, the individual loses time~~  
18 ~~crucial to the decision whether to terminate a pregnancy and may lose the~~  
19 ~~option to choose a particular method or to terminate a pregnancy at all.~~

20 ~~(4) Telling the truth is how trained health care providers demonstrate~~  
21 ~~respect for patients, foster trust, promote self-determination, and cultivate an~~

1 environment where best practices in shared decision-making can flourish.

2 Without veracity in information and communication, it is difficult for  
3 individuals to make informed, voluntary choices that are essential to one's  
4 sense of personal agency and autonomy.

5 ~~(5)~~(2) Advertising strategies and educational information about health  
6 care options that lack transparency, use misleading or ambiguous terminology,  
7 misrepresent or obfuscate services provided, or provide factually inaccurate  
8 information are a form of manipulation that disrespects individuals,  
9 undermines trust, broadens health disparity, and can result in patient harm.

10 ~~(b) Intent.~~

11 ~~(1) It is the intent of the General Assembly to ensure that the public is~~  
12 ~~provided with accurate, factual information about the types of health care~~  
13 ~~services that are available to pregnant individuals in this State. The General~~  
14 ~~Assembly respects the constitutionally protected right of each individual to~~  
15 ~~personal reproductive autonomy, which includes the right to receive clear,~~  
16 ~~honest, and nonmisleading information about the individual's options and to~~  
17 ~~make informed, voluntary choices after considering all relevant information.~~

18 ~~(2) The General Assembly respects the right of limited services~~  
19 ~~pregnancy centers to counsel individuals against abortion, and nothing in this~~  
20 ~~subchapter should be construed to regulate, limit, or curtail such advocacy.~~

21 § 2492. ~~DEFINITIONS~~ DEFINITION

1 As used in this subchapter:

2 ~~(1) “Abortion” means any medical treatment intended to induce the~~  
3 ~~termination of, or to terminate, a clinically diagnosable pregnancy except for~~

17 ~~facility, where the primary purpose is to provide services to individuals who~~  
18 ~~are or may be pregnant and that either offers obstetric ultrasounds, obstetric~~  
19 ~~sonograms, or prenatal care to pregnant individuals or has the appearance of a~~  
20 ~~medical facility. A pregnancy services center has the appearance of a medical~~  
21 ~~facility if two or more of the following factors are present:~~

1           ~~(A) The center offers pregnancy testing or pregnancy diagnosis, or~~  
2   ~~both.~~

3           ~~(B) The center has staff or volunteers who wear medical attire or~~

14   ~~part thereof “health care services” means~~ **services for the diagnosis,**  
15   **prevention, treatment, cure, or relief of a physical, dental, behavioral, or mental**  
16   **health condition or substance use disorder, including counseling, procedures,**  
17   **products, devices, and medications** **all supplies, care, and services of a**  
18   **medical, dental, behavioral health, mental health, surgical, psychiatric,**  
19   **therapeutic, diagnostic, preventative, rehabilitative, or supportive nature,**  
20   **including medication.**

21   § 2493. UNFAIR AND DECEPTIVE ACT

1 (a) It is an unfair and deceptive act and practice in commerce and a  
2 violation of section 2453 of this title for any ~~limited-services pregnancy center~~  
3 person to disseminate or cause to be disseminated to the public any advertising  
4 about ~~the~~ health care services or proposed services performed ~~at that center in~~  
5 this State that is untrue or clearly designed to mislead the public about the  
6 nature of the services provided. Advertising includes representations made  
7 directly to consumers; marketing practices; communication in any print  
8 medium, such as newspapers, magazines, mailers, or handouts; and any  
9 broadcast medium, such as television or radio, telephone marketing, or  
10 advertising over the ~~Internet~~ internet such as through websites ~~and~~, web ads  
11 advertisements, and social media. For purposes of this chapter, advertising ~~or~~  
12 ~~the provision of services by a limited-services pregnancy center~~ about health  
13 care services is an act in commerce.

14 (b) ~~Health care providers certified, registered, or licensed under Title 26 of~~  
15 ~~the Vermont Statutes Annotated who are employed by, contracted to provide~~  
16 ~~services for or on behalf of, or volunteer to provide services at a limited-~~  
17 ~~services pregnancy center shall be responsible for conducting and providing~~  
18 ~~health care services, information, and counseling at the center. The failure of a~~  
19 ~~health care professional certified, registered, or licensed under Title 26 of the~~  
20 ~~Vermont Statutes Annotated to conduct or to ensure that health care services,~~  
21 ~~information, and counseling at the limited-services pregnancy services center~~

1 ~~are conducted in accordance with State law and professional standards of~~  
2 ~~practice may constitute unprofessional conduct under 3 V.S.A. § 129a and 26~~  
3 ~~V.S.A. § 1354. [Repealed.]~~

4 (c) The Attorney General has the same authority to make rules, conduct  
5 civil investigations, and bring civil actions with respect to violations of  
6 ~~subsection (a)~~ of this section as provided under subchapter 1 of this chapter.

7 Sec. 5. 12 V.S.A. § 7306 is amended to read: **(NEW)**

10 other ~~person~~ individual acting on behalf of a public agency may knowingly

5 issued by a Vermont State court or a federal court; or

6 (3) a public agency or employee, appointee, officer or official, or any  
7 other individual acting on behalf of a public agency who, in the course of  
8 normal business, is responding to a warrant or extradition demand on the good  
9 faith belief that the warrant or demand is valid in this State.
