

Dear Chair Black,

Thank you again for the opportunity to provide an update on care transformation to the committee yesterday. As follow up to your questions on State funds received by AHS to support care transformation efforts, you will find attached the Health Care System Transformation Report from the Agency of Human Services' Office of Health Care Reform submitted to the House Health Care Committee on April 1, 2026. The table starting on page 5 will directly answer your question. An update to this report will be provided to the committee on 5/1/2026. Please let me know if there is anything else I can provide.

Kind Regards,
Katie Carrell
