H.218

Representative White moves that the bill be amended in Sec. 2, 18 V.S.A. chapter 93, in section 4774, in subsection (c), by inserting after the ellipsis following subdivision (6) the following:

(8) expanding syringe service programs, specifically providing comprehensive syringe services programs with more wraparound services, including linkages to opioid use disorder treatment, access to sterile syringes, safe syringe disposal, and linkages to care and treatment of infectious diseases; and
