Representatives McGill of Bridport, Bishop of Colchester, Cole of Hartford, Donahue of Northfield, Eastes of Guilford, Garofano of Essex, Maguire of Rutland City, Noyes of Wolcott, and Wood of Waterbury move that the report of the Committee on Human Services be amended as follows:

First: By striking out Sec. 4, 33 V.S.A. § 4908, in its entirety and inserting in lieu thereof a new Sec. 4 to read as follows:  
Sec. 4. 33 V.S.A. § 4908 is added to read:

§ 4908. UNACCOMPANIED YOUTH

(a) Legislative intent. In instances in which severe family dysfunction such as abuse, neglect, child abandonment, or lack of financial support has left a youth who is 16 or 17 years of age homeless, and other supports such as foster care are deemed inappropriate, it is the intent of the General Assembly to provide an unaccompanied youth with the resources necessary to obtain services and benefits that the unaccompanied youth’s peers can obtain with the consent of a parent or guardian.

(b) Definitions. As used in this section:

(1) “Homeless child or youth” means an individual who lacks a fixed, regular, and adequate nighttime residence, including:

(A) a child or youth sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;

2 grounds due to the lack of alternative adequate accommodations;

3           (C) a child or youth living in emergency or transitional shelters;

4           (D) a child or youth abandoned in hospitals;

5           (E) a child or youth living in a primary nighttime residence that is a  
6 public or private place not designed for or ordinarily used as a regular sleeping  
7 accommodation for human beings;

8           (F) a child or youth living in cars, parks, public spaces, abandoned  
9 buildings, substandard housing, bus or train stations, or similar settings; or

10          (G) a migratory child who qualifies as homeless because the child is  
11 living in the circumstances described in this subdivision (1).

12          (2) “School district homeless liaison” means an employee designated by  
13 a school district to act as a liaison for homeless children and youths.

14          (3) “Unaccompanied youth” means a homeless child or youth 16 or 17  
15 years of age who is not in the physical custody of a parent or guardian.

16          (c) Certification. An unaccompanied youth may become certified if the  
17 youth is:

18           (1) found by a school district homeless liaison or other appropriate staff  
19 person to be an unaccompanied youth; or

1           (2) believed to qualify as an unaccompanied youth, by:

2           (A) the director of an emergency shelter program funded by the  
3           State;

13           Homeless Services shall develop a standardized form that shall be used by the  
14           entities specified in subsection (c) of this section to certify qualifying  
15           unaccompanied youths. The front of the form shall include the circumstances  
16           that qualify the youth; the date the youth was certified; the name, title, and  
17           signature of the certifying individual; and confirmation from the certifying  
18           individual that the individual has completed a human trafficking training in the  
19           past two years. This section shall be reproduced in its entirety on the back of  
20           the form.

1           (B) The Department shall post the certification form and information  
2           about this section on its website, including who is eligible for certification and  
3           which individuals and entities can complete the certification form pursuant to  
4           this section.

5           (2) Without the consent of a parent or guardian, a certified  
6           unaccompanied youth may use the completed form to:

17           and care provided in a health care facility, as defined in 18 V.S.A. § 9432, for:

18           (i) the youth; or

19           (ii) the youth’s child, if the certified unaccompanied youth is  
20           unmarried, is the parent of the child, and has actual custody of the child;

1           (D) enter into a contract for housing or obtain admission to a shelter  
2           or transitional housing;

2 shall not require the consent of a parent or guardian as a condition of providing  
3 a benefit or service authorized under subsection (d) of this section.

4 (2) For the purposes of implementing subdivision (d)(2)(I) of this  
5 section, the Commissioner of Financial Regulation shall ensure that minimum
