* * * Findings and Legislative Intent * * *

Sec. 1. FINDINGS

The General Assembly finds that:

(1) according to the U.S. Department of Housing and Urban Development's 2024 Annual Homelessness Assessment Report, Vermont had the fourth highest rate of homelessness in 2024 in that 53 of every 10,000 Vermonters are experiencing homelessness, with only Hawaii, New York, and Oregon experiencing higher rates;

(2) according to the Vermont Homeless Management Information System, as of March 2025 there were 4,971 individuals who were homeless in the State, 1,105 of whom were children;

(3) according to the Vermont 2024 Point-in-Time Count, there were approximately 3,458 unhoused individuals in Vermont, which represents a 300 percent increase over the 1,110 unhoused individuals prior to the COVID-19 pandemic in 2020;

(4) according to the Vermont 2024 Point-in-Time Count, over 35 percent of those Vermonters experiencing homelessness were unhoused for more than one year and over 72 percent were unhoused for more than 90 days;

(5) according to the Vermont 2024 Point-in-Time Count, Black Vermonters are 5.6 times more likely to be unhoused as compared to white Vermonters;

(6) the 2024 Vermont Housing Needs Assessment notes that 36,000 primary homes are needed in Vermont between 2025–2029, 3,295 of which are needed to address homelessness;

(7) the 2024 Vermont Housing Needs Assessment notes that “[h]alf of all Vermont renters are cost-burdened, and one-in-four pay more than 50 [percent] of their income on housing costs, putting them at high risk of eviction,” which “is heightened by Vermont’s rental vacancy rate of 3 [percent], which is well below the 5 [percent] rate of a healthy market”;

(8) since 2020, the Vermont Housing and Conservation Board has facilitated construction of 170 new single-family homeownership units and 269 new shelter beds; and

(9) the 2024 Vermont Housing Needs Assessment notes that “[h]alf of all Vermont renters are cost-burdened, and one-in-four pay more than 50 [percent] of their income on housing costs, putting them at high risk of eviction,” which “is heightened by Vermont’s rental vacancy rate of 3 [percent], which is well below the 5 [percent] rate of a healthy market”.

Sec. 2. LEGISLATIVE INTENT

(a) It is the intent of the General Assembly that unsheltered homelessness be eliminated and that homelessness in Vermont be rare, brief, and nonrecurring.

(b) It is the intent of the General Assembly that the Vermont Homeless Emergency Assistance and Responsive Transition to Housing Program established in 33 V.S.A. chapter 22 is a step toward ensuring that:

(1) homelessness be reduced in Vermont and interim shelter opportunities be available to provide a stable pathway to permanent housing for all Vermonters experiencing homelessness, including safe shelter options for individuals living in unsheltered homelessness;

(2) Vermont increase the supply of emergency shelter as well as permanent supportive housing that meets the specific needs of individuals;

(3) community components of all shelter types are integrated in a systemic manner;

(4) night-by-night shelter, relocation between interim shelter sites, and other disruptions in housing stability be eliminated to the extent possible;

(5) Vermont's emergency housing statutes, rules, policies, procedures, and practices be modeled on Housing First principles where appropriate;

(6) noncongregate shelter be used to the extent possible; and

(7) Vermont reduce reliance on the inefficient use of hotel and motel rooms to shelter participating households and expand the use of emergency shelters throughout the State for this purpose.

(c) It is the intent of the General Assembly that:

(1) the Vermont Homeless Emergency Assistance and Responsive Transition to Housing Program established in 33 V.S.A. chapter 22 replaces the provision of emergency housing through the General Assistance Program established in 33 V.S.A. chapter 21 and the Housing Opportunity Grant Program beginning in fiscal year 2027 and on an ongoing basis; and

(2) in fiscal years 2027 and 2028, emergency shelter services funded through the Housing Opportunity Grant Program in fiscal year 2025 be funded at a level equivalent to or greater than fiscal year 2025 expenditures.

§ 2204. ESTABLISHMENT; VERMONT HOMELESS EMERGENCY
ASSISTANCE AND RESPONSIVE TRANSITION TO HOUSING
PROGRAM

The Vermont Homeless Emergency Assistance and Responsive Transition to Housing Program is established in the Department to provide services to households that are homeless or at risk of becoming homeless, to the extent funds exist.

(1) The Department shall select and enter into an agreement with a statewide organization that has population-specific service experience to provide or cause to be provided supportive services and shelter to those households that are experiencing or that have experienced domestic or sexual violence.

(2) All other participating households shall be served by or through a community action agency responsible for a geographically distinct region of the State. Community action agencies participating in the Program shall provide or cause to be provided supportive services, extreme weather event shelter, and emergency shelter.

§ 2205. AUTHORIZATION PROCESS; REAUTHORIZATION REVIEW

(a) The Department shall select and enter into an agreement with a statewide organization to provide or cause to be provided supportive services and shelter to those households that are experiencing or that have experienced domestic or sexual violence. The Department shall conduct regular reviews of the statewide organization to ensure compliance with this chapter. The statewide organization may be subject to corrective actions by the Department if, within the constraint of appropriated resources, it no longer meets the requirements of this chapter or has failed to adequately meet the needs of households that are experiencing or that have experienced domestic or sexual violence. If the statewide organization cannot fulfill its responsibilities under this chapter, the Department shall work with another entity to ensure that there is not a gap in services.

(b)(1) The Department shall authorize a community action agency to serve or cause to be served households that are homeless or at risk of becoming homeless in a geographically distinct region of the State if it meets the criteria in this section. If a community action agency cannot fulfill its responsibilities under this chapter, the Department shall work with other community action agencies or other appropriate community entities to ensure that there is not a gap in services in a community action agency's region.

(2) A community action agency providing or causing to provide services in accordance with this chapter shall have:

(A) existing or planned infrastructure to support households in the region, including an established leadership team, a human resources staff, and the ability to receive grant funding and issue subgrants;

(B) the ability to meet the Department’s reporting requirements, including having a past history of reporting compliance;

(C) the capacity to perform or cause to be performed the core services required pursuant to section 2206 of this chapter;

(D) the capacity to seek and accept charitable contributions, grants, and services of volunteers, including money, clothing, and furniture;

(E) any outcome measures established in this chapter;

(F) community connections with other providers in the region, including local housing coalitions, housing providers, providers of coordinated entry, continuums of care, faith-based organizations, and providers of services to individuals who are older Vermonters; individuals who have disabilities, a substance use disorder, or a mental health condition; individuals reentering the community after incarceration; individuals transitioning from the care and custody of the Commissioner for Children and Families; and families with children; and

(G) the ability to provide plain language communications to households receiving services.

(3) Not less than every three years, the Department shall conduct a reauthorization review of each community action agency providing or causing to provide services pursuant to this chapter. An organization may be subject to corrective actions by the Department if, within the constraint of appropriated resources, it no longer meets the requirements in subdivision (2) of this subsection or has failed to adequately meet the needs of households in its region that are homeless or at risk of homelessness. Lack of compliance may result in the Department deciding not to reauthorize the community action agency. The Department may review progress of any previously required corrective actions and may review community action agency performance between reauthorization reviews.

§ 2206. VHEARTH CORE SERVICES

(a) The Department shall enter into an agreement with a statewide organization with population-specific experience serving households that are experiencing or that have experienced domestic or sexual violence. The organization shall provide or cause to be provided various shelter and case management services that support households.

(b) Each community action agency shall offer or cause to be offered, in collaboration with community partners, each of the following services within its region:

(1) supportive services, including:

(H) progress monitoring and interventions;

(2) the operation of extreme weather event shelters, which may include time-limited congregate accommodations and may be provided through agreements with municipalities or other entities, utilizing available data and considering geographic access to prioritize funding for this purpose; and

(3) the operation of emergency shelters in a manner that builds upon the federally required community planning process and prioritizes households in need of the services of an emergency shelter, which may include community-based shelters, temporary use of hotels or motels, lease agreements for full or partial use of an existing building, need-specific shelter arrangements, master grant leases, the development of shelter capacity, or other arrangements or combinations of arrangements that comply with the intent of this chapter.

§ 2207. USE OF HOTEL AND MOTEL ROOMS

(a) It is the intent of the General Assembly to decrease reliance on hotel and motel rooms for emergency housing. Annually, as shelter capacity increases and the number of households experiencing homelessness decreases in each region of the State, the use of hotel and motel rooms for emergency housing in that region shall decrease. Annually, as part of the Department's budget presentation, the Department shall set goals for increased housing capacity, including permanent supportive housing, permanent affordable housing, and shelter beds, some of which may be population-specific, in addition to proposed corresponding decreases in the use of hotel and motel rooms. The Department shall provide data pertaining to the percentage of increased shelter capacity from the previous fiscal year in each region and how that increase impacts the corresponding hotel and motel room usage for

emergency housing in each region pursuant to this subsection for the purpose of informing regional planning and expectations.

(d) If a hotel or motel is being utilized, a community action agency or entity under contract with a community action agency:

(1) shall ensure relevant support services established pursuant to subdivision 2206(b)(1) of this chapter;

(2) shall enter into agreements for the use of blocks of hotel and motel rooms and negotiate the conditions of use for those blocks, including access for providers of case management or other supportive services;

(3) shall prioritize the use of hotel and motel room agreements over individual per-room, per-night hotel or motel room use, unless it is not appropriate to a household's needs;

(4) may use population-specific placements to the extent certain populations are not isolated from the wider community served through the Program; and

(5) shall not utilize hotels and motels outside the community action agency or entity's region, unless approved by the Department or in a written memorandum of understanding between community action agencies.

(4) consult with the community action agencies and the statewide organization serving households that are experiencing or that have experienced domestic and sexual violence to develop appropriate measures and methods for accountability of the community action agencies' and the statewide

organization's execution of duties under this chapter, including the provision of any previously agreed upon information to enable the Department to evaluate the services provided through grant funds, the effect on households receiving services, and an accounting of expended grant funds;

(5) provide support and technical assistance to the community action agencies, other community partners, and the statewide organization serving households that are experiencing or that have experienced domestic or sexual violence;

(6) identify specific administrative resources that could be transitioned to community operations;

- (5) identifying system gaps and the funding needed to address those gaps, including periodic inflationary adjustments; and
- (6) utilizing data, including Vermont's Point-in-Time Count, coordinated entry assessment results, and community conversations.

(b) Every three years, each community action agency shall submit plans developed pursuant to this section to the Department in a format prescribed by the Department and to the regional planning committees in the region. Upon

receipt of the plans, the Department shall consolidate the results of these reports and submit the consolidated report to the House Committee on Human Services and to the Senate Committee on Health and Welfare.

§ 2210. REPORTING REQUIREMENTS
