# Housing Opportunity Grant Program (HOP) Status Update

New base funding for HOP grants was prioritized for emergency shelter expansion, including the preservation of shelter capacity created with one-time funding in State Fiscal Year (SFY) 25 and increased capacity in SFY26.

The **Annual HOP Award Summaries** are available online, and an updated report for SFY26 is now [available](#).

The status of contracts for housing and supportive services resulting from the Agency's requests for proposals can be found at <https://www.vermontbusinessregistry.com/>. No contracts were awarded in response to the May 24, 2023 RFP.

# Emergency Shelter Capacity Updates

## Ongoing Operations at State-Started Shelters –

- CVOEO is operating a family shelter in Williston while working with Champlain Housing Trust to shift to a permanent location in February 2026.
- Lamoille Community House is operating a family shelter at the Waterbury Armory this season, November-June operating period.

Seasonal capacity is now online, this capacity begins to close at the end of March.

Emergency apartment capacity is growing, with existing providers expanding their capacity across the state.

BROC Community Action opened new emergency shelter capacity in Rutland, a new 10 bed shelter for adults.

Good Samaritan Haven is planning to open a new year-round shelter in Montpelier in March 2026, it is anticipated to create capacity for 17 individuals.

Champlain Valley Office of Economic Opportunity and the Howard Center will be operating a recovery-oriented emergency shelter in Burlington, anticipated to open in February 2026.

Groundworks, Upper Valley Haven, NEKCA, BRO/Cornerstone Housing Partners have shelter construction projects underway and anticipate opening during State Fiscal Year 2027., which could create capacity for approximately 80-100 additional households.

*The state is working with providers on acquisition and development projects and will share more information as projects finalize.*

# Extreme Cold Weather Shelter Updates

*A new approach in SFY26 – Expanded regional and bed capacity*

## Overview:

- Shelters operate night by night, weather dependent
- Activation level -10° degrees Fahrenheit
  - An "opt in" option between –10° F and 0° F
- Vermont Interfaith Action – Administration, Outreach, Coordination, Training & Technical Assistance

## Update:

- As of January 26, 2026 there have been 18 nights when the program has been activated at the optional or mandatory thresholds.
