HUMAN SERVICES BOARD

FAX: (802) 828-3068
EMAIL: contact.hsb@vermont.gov

TO: Rep. Theresa Wood, Chair, House Committee on Human Services
FROM: Joseph Reinert, Chief Hearing Officer
DATE: January 16, 2025
RE: Human Services Board (HSB) Annual Report
CC: Michael Donohue, Chair, HSB

Pursuant to 3 V.S.A. § 3090(e), please find attached summaries of appeals filed with the HSB and appeal outcomes for calendar years 2022, 2023 and 2024. In addition, we report the following general information:

Year	Total Appeals Received
2022	776
2023	1049
2024	1112
TOTAL	2937

Please note that these case numbers include a limited number of 3SquaresVT “Intentional Program Violation” hearing requests from the Department for Children and Families, cases that the Board’s hearing officers hear by arrangement with the Department and that are not covered by the Board’s jurisdictional statute. In addition, the outcomes reported cover cases that were withdrawn by the petitioner—with a favorable, unfavorable or unknown outcome—or resolved by a Board order.¹

In 2023, the Board received over 35 percent more appeals compared to 2022. This was followed by more appeals filed in 2024 compared to 2023 (a 6 percent increase), equating to a 43 percent increase in 2024 appeals compared to 2022. This is

¹ The number of fair hearings requested each year does not represent how many appeals result in a Board order, as many cases are resolved or settled without the need for a final Board order.

primarily due to an increase in Medicaid-related appeals—from the “unwinding” of Medicaid eligibility reviews following the end of the public health emergency—and an increase in General Assistance expedited housing appeals. While I am hopeful that case levels will return to a more typical level in the coming year, it is important to recognize the impact this increase had on staff in managing our caseload over the last two years, during which time we also experienced turnover in staffing and related periods of understaffing while recruiting in a challenging hiring environment. In addition, the Board has had to increase its meetings from once per month to twice per month to accommodate the increase in appeals and meet corresponding timelines for resolution.

Please do not hesitate to contact me if you have questions or need more information. Thank you.
