[External]

Dear Chair LaLonde and Members of the House Judiciary Committee,  
I am a Vermont builder/contractor and a member of the Vermont Builders & Remodelers Association. I am writing in support of legislation establishing a Statute of Repose for construction professionals. Most states have a statute of repose of 6–10 years. Vermont currently has none, which creates long-term uncertainty and risk for small businesses like mine. A 6-year statute of repose would provide fairness and predictability while still protecting consumers.  
Thank you for considering this important issue.  
Sincerely,  
Jeff Page
