Representative LaLonde of South Burlington moves that the bill be amended in Sec. 1, 15A V.S.A. § 1-114, by adding a new subsection (h) to read as follows:

(h) Unless notice has been waived or consent given for the adoption, a copy of the petition and notice of a proceeding under this section shall be served upon any person entitled to notice within 30 days after the petition is filed. The notice shall include the address and telephone number of the court where the petition is pending and a statement that the person served with the notice and petition shall file a written appearance in the proceeding within 20 days after service in order to participate in the proceeding and to receive further notice of the proceeding, including notice of the time and place of any hearing. Service of the notice and petition shall be made in a manner appropriate under the Vermont Rules of Probate Procedure unless the court otherwise directs. Proof of service on each person entitled to receive notice shall be on file with the court before the court acts on the petition.

and by redesignating the remaining sections to be alphabetically correct.
