IRC = International Roll-Call

<sup>1</sup> Delaware: No voting boards. Verbal vote process is recorded by the clerks into system.

<sup>2</sup> Idaho Senate: Verbal roll call vote, but it is entered electronically into the system by someone at the chamber front desk as it happens.

<sup>3</sup> Massachusetts Senate: Primarily verbal roll call votes, but in-house created mobile app is used when needed

<sup>4</sup> Wisconsin Assembly: Hardware is IRC; software is in-house; Senate: software is in-house (no hardware)

Information for states/chambers listed in **bold** was confirmed as of April or Sept. 2018.
