

Report of Committee of Conference

H.944

TO THE SENATE AND HOUSE OF REPRESENTATIVES:

The Committee of Conference, to which were referred the disagreeing votes of the two Houses upon House Bill, entitled:

H.944. An act relating to the fiscal year 2027 Transportation Program and miscellaneous changes to laws related to transportation.

Respectfully reports that it has met and considered the same and recommends that the House accede to the Senate proposal of amendment with further amendment thereto by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Legislative Findings * * *

Sec. 1. LEGISLATIVE FINDINGS

The General Assembly finds that:

(1) State fiscal year 2025 Transportation Fund revenues came in nearly \$7,400,000.00 below the revenue forecast.

(2) In July 2025, the revenue forecast for the Transportation Fund was downgraded for State fiscal years 2026–2030 because of reductions in the projected revenues from the purchase and use tax and Department of Motor Vehicles fees.

(3) Revenues from the taxes on gasoline and diesel fuel are projected to gradually decrease in State fiscal years 2026–2030. That trend is expected to continue because of improving vehicle fuel efficiency among all vehicles and increasing adoption of electric vehicles.

(4) The July 2025 consensus revenue forecast estimates a 1.33 percent compound annual growth rate in Transportation Fund revenues between 2026 and 2030, which is far below recent inflation levels.

(5) In contrast with the slow growth in Transportation Fund revenues, the National Highway Construction Cost Index increased by approximately 62 percent between 2020 and 2025.

(6) In addition to rising construction costs, salaries and benefits have also increased significantly in recent years, creating significant ongoing cost pressure on the Transportation Fund.

(7) To address budget shortfalls in the past year, the Agency has been forced to eliminate 62 permanent positions.

(8) Continuing deficits in the Transportation Fund threaten the State’s ability to provide the required match for federal funds, which make up more than half of the State’s annual transportation budget.

(9) Municipalities face the same cost pressures as the State. However, State aid for town highways has only increased by 2.7 percent, which places

increasing pressure on chronically underfunded town highway programs and puts pressure on the property tax.

(10) If Vermont is unable to keep up with the maintenance and capital needs of its transportation system, the infrastructure will continue to deteriorate, and restoring the system to a state of good repair will cost significantly more.

(11) Prompt legislative action is necessary to ensure the future health and stability of the Transportation Fund and to enable the Agency of Transportation to keep Vermont’s transportation system in a state of good repair.

* * * Transportation Program Adopted as Amended; Definitions * * *

Sec. 2. TRANSPORTATION PROGRAM ADOPTED; DEFINITIONS

(a) Adoption. The Agency of Transportation’s Proposed Fiscal Year 2027 Transportation Program appended to the Agency of Transportation’s proposed fiscal year 2027 budget, as amended by this act, is adopted to the extent federal, State, and local funds are available.

(b) Definitions. As used in this act, unless otherwise indicated:

(1) “Agency” means the Agency of Transportation.

(2) “Candidate project” means a project approved by the General Assembly that is not anticipated to have significant preliminary engineering expenditures or right-of-way expenditures, or both, during the budget year and

for which construction funding is not anticipated within a predictable time frame.

(3) “Development and evaluation (D&E) project” means a project approved by the General Assembly that is anticipated to have preliminary engineering expenditures or right-of-way expenditures, or both, during the budget year and that the Agency is committed to delivering to construction on a timeline driven by priority and available funding.

(4) “Electric vehicle supply equipment (EVSE)” and “electric vehicle supply equipment available to the public” have the same meanings as in 30 V.S.A. § 201.

(5) “Front-of-book project” means a project approved by the General Assembly that is anticipated to have construction expenditures during the budget year or the following three years, or both, with expected expenditures shown over four years.

(6) “Plug-in electric vehicle (PEV),” “plug-in hybrid electric vehicle (PHEV),” and “battery electric vehicle (BEV)” have the same meanings as in 23 V.S.A. § 4(85).

(7) “Secretary” means the Secretary of Transportation.

(8) “TIB funds” means monies deposited in the Transportation Infrastructure Bond Fund in accordance with 19 V.S.A. § 11f.

(9) The table heading “As Proposed” means the Proposed Transportation Program referenced in subsection (a) of this section; the table heading “As Amended” means the amendments as made by this act; the table heading “Change” means the difference obtained by subtracting the “As Proposed” figure from the “As Amended” figure; the term “change” or “changes” in the text refer to the project- and program-specific amendments, the aggregate sum of which equals the net “Change” in the applicable table heading; and “State” in any tables amending authorizations indicates that the source of funds is State monies in the Transportation Fund, unless otherwise specified.

* * * Summary of Transportation Investments * * *

Sec. 3. FISCAL YEAR 2027 TRANSPORTATION INVESTMENTS
INTENDED TO REDUCE TRANSPORTATION-RELATED
GREENHOUSE GAS EMISSIONS, REDUCE FOSSIL FUEL
USE, AND SAVE VERMONT HOUSEHOLDS MONEY

This act includes the State’s fiscal year 2027 transportation investments intended to reduce transportation-related greenhouse gas emissions, reduce fossil fuel use, and save Vermont households money in furtherance of the policies articulated in 19 V.S.A. § 10b and the goals of the Comprehensive Energy Plan and the Vermont Climate Action Plan and to satisfy the Executive

and Legislative Branches' commitments to the Paris Agreement climate goals.

In fiscal year 2027, these efforts will include the following:

(1) Park and Ride Program. This act provides for a fiscal year expenditure of \$1,976,211.00, which will fund three park and ride projects.

(2) Bike and Pedestrian Facilities Program. This act provides for a fiscal year expenditure, including local match, of \$24,576,873.00, which will fund 34 bike and pedestrian construction projects; 18 bike and pedestrian design, right-of-way, or design and right-of way projects for construction in future fiscal years; and eight scoping studies. The construction projects include the creation, improvement, and rehabilitation of walkways, sidewalks, shared-use paths, bike paths, and cycling lanes. Projects are funded in Arlington, Bennington, Bethel, Brattleboro, Burke, Burlington, Castleton, Chester, Danville, Essex Town, Fairfax, Greensboro, Guilford, Hartford, Huntington, Hyde Park, Irasburg, Jamaica, Johnson, Lunenburg, Middlebury, Montpelier, Moretown, Morristown, Newfane, Newport City, Northfield, Pownal, Royalton, Rutland City, Rutland Town, Sheldon, South Burlington, Springfield, St. Albans City, Swanton, Wallingford, Warren, Waterbury, West Rutland, Williston, Wilmington, and Wolcott. This act also provides funding for:

(A) some of Local Motion's operation costs to run the bike ferry on the Colchester Causeway, which is part of the Island Line Trail;

(B) grant awards for State-aid construction projects;

(C) projects funded through the Safe Routes to School Program; and

(D) community grants along the Lamoille Valley Rail Trail (LVRT).

(3) Transportation Alternatives Program. This act provides for a fiscal year expenditure of \$4,514,362.00, including local funds, which will fund 22 transportation alternatives construction projects; 28 transportation alternatives design, right-of-way, or design and right-of-way projects; and one scoping study. Of these 51 projects, 18 involve environmental mitigation related to clean water or stormwater concerns, or both clean water and stormwater concerns, and 30 involve bicycle and pedestrian facilities. Projects are funded in Athens, Bennington, Bethel, Brandon, Brattleboro, Bristol, Burke, Burlington, Derby, Enosburg Falls, Fairlee, Ferrisburgh, Glover, Guilford, Hinesburg, Hyde Park, Jericho, Londonderry, Ludlow, Lyndon, Montgomery, Newark, Putney, Rockingham, Rutland City, Shoreham, South Burlington, Springfield, Swanton, Warren, Weathersfield, Williston, Wilmington, and Windham.

(4) Public Transit Program. This act provides for a fiscal year expenditure of \$57,855,144.00 for public transit uses throughout the State.

Included in the authorization are:

(A) Go! Vermont, with an authorization of \$380,000.00. This authorization supports transportation demand management (TDM) strategies,

including the State’s Trip Planner and commuter services, to promote the use of carpools and vanpools.

(B) Mobility and Transportation Innovations (MTI) Grant Program, with an authorization of \$315,000.00 in federal funds. This authorization continues to support projects that improve both mobility and access to services for transit-dependent Vermonters, reduce the use of single-occupancy vehicles, and reduce greenhouse gas emissions.

(5) Rail Program. This act provides for a fiscal year expenditure of \$60,289,410.00, including local funds and \$34,688,907.00 in federal funds, for intercity passenger rail service, including funding for the Ethan Allen Express and Vermonter Amtrak services, and rail infrastructure that supports freight rail as well. Moving freight by rail instead of trucks lowers greenhouse gas emissions by up to 75 percent, on average.

(b) For projects that are not on the National Highway System, the Agency shall ~~develop and implement~~ maintain State standards and guidance for geometric design. ~~Design speeds may be lower than legal speeds.~~ Design speeds lower than legal speeds may be used without the requirement of a formal design exception, ~~provided appropriate warnings are posted if~~ appropriate warning signs, signals, and markings are used as provided pursuant to 23 V.S.A. § 1025.

* * *

* * * Agency of Transportation Duties * * *

Sec. 20. 19 V.S.A. § 10 is amended to read:

§ 10. DUTIES

The Agency shall, except where otherwise specifically provided by law:

* * *

(8)(A) Require any contractor or contractors employed in any project of the Agency for construction of a transportation improvement to file in the office of the Secretary a good and sufficient surety bond to the State of Vermont, executed by a surety company authorized to transact business in this State in ~~such~~ the sum as required by the Agency shall direct, conditioned for the compliance by the contractor or contractors and their agents and servants, with all matters and things set forth and specified to be by the principal kept, done, and performed at the time and in the manner in the contract between the Agency and the contractor or contractors specified and to pay over, make good, and reimburse the State of Vermont for all loss or losses and damage or damages that the State of Vermont may sustain by reason of failure or default on the part of the contractor or contractors. The Agency is authorized to require any other condition in the bond that may ~~from time to time~~ be necessary. The Secretary ~~at his or her discretion as to~~ may, if the Secretary determines that it is in the best interest interests of the State, accept other good and sufficient surety in lieu of a bond and, in cases involving contracts for

~~\$100,000.00~~ \$250,000.00 or less, may waive the requirement of a performance bond.

(B) During an emergency event, the Secretary may, in the Secretary's discretion, waive the bonding requirements of this subdivision (8) for immediate, temporary stabilization work related to public safety or State infrastructure. Permanent work shall be subject to the requirements of subdivision (A) of this subdivision (8).

(9)(A) Require any contractor or contractors employed in any project of the Agency for construction of a transportation improvement to file an additional surety bond to the Secretary and the Secretary's successor in office, for the benefit of labor, materialmen, and others, executed by a surety company authorized to transact business in this State. The surety bond shall be in ~~such~~ the sum as required by the Agency shall direct, conditioned for the payment, settlement, liquidation, and discharge of the claims of all creditors for material;_; merchandise;_; labor;_; rent;_; hire of vehicles, power shovels, rollers, concrete mixers, tools, and other appliances;_; professional services;_; premiums;_; and other services used or employed in carrying out the terms of the contract between the contractor and the State ~~and~~. The surety bond shall be further conditioned for the following accruing during the term of performance of the contract: the payment of taxes, both State and municipal, and the

payment of unemployment insurance contributions to the Vermont
Commissioner of Labor; ~~provided, however, in~~

(B) In order to obtain the benefit of the security, the claimant shall file with the Secretary a sworn statement of the claimant's claim, within 90 days after the final acceptance of the project by the State or within 90 days from the time the taxes or unemployment contributions ~~to the Vermont Commissioner of Labor~~ are due and payable, and, within one year after the filing of the claim, shall bring a petition in the Superior Court in the name of the Secretary, with notice and summons to the principal, surety, and the Secretary, to enforce the claim or intervene in a petition already filed. The Secretary may, if the Secretary determines that it is in the best interests of the State, accept other good and sufficient surety in lieu of a bond and, in cases involving contracts for ~~\$100,000.00~~ \$250,000.00 or less, may waive the requirement of a surety bond.

(C) During an emergency event, the Secretary may, in the Secretary's discretion, waive the requirements of this subdivision (9) for immediate emergency stabilization work related to public safety or State infrastructure. Permanent work shall be subject to the requirements of subdivision (A) of this subdivision (9).

* * *

* * * Bridge Inspections; Posting; Closure * * *

Sec. 21. 19 V.S.A. § 1514 is added to read:

§ 1514. BRIDGE INSPECTION; POSTING; CLOSURE

(a) Definition. As used in this section, “bridge” means a structure to which the National Bridge Inspection Standards apply pursuant to 23 C.F.R. § 650.303.

(b) Bridge inspections. The Agency shall inspect bridges on State highways and town highways in accordance with the requirements of the National Bridge Inspection Standards.

(c) Municipally maintained bridges.

(1) For a bridge for which a municipality has maintenance responsibility, the Agency shall advise the municipality of its inspection findings and any noted deficiencies.

(2) The Agency shall notify a municipality if a bridge for which the municipality has maintenance responsibility requires posting or closure and, upon receiving notification, the municipality shall post or close the bridge, as appropriate.

(3) If necessary to protect the public from an imminent hazard, the Agency may post or close a bridge for which a municipality has maintenance responsibility.

(4) A municipality shall be responsible for all costs and expenses related to the posting or closure of a bridge for which it has maintenance responsibility, including the costs of any required notifications, procedures, signage or traffic control devices, and barricades.

(d) Agency-maintained bridges.

(1) For any bridge for which the Agency has maintenance responsibility, the Agency shall have the sole responsibility and authority to determine whether the bridge shall be posted or closed, except that a municipality may close an Agency-maintained bridge during an emergency.

(2) If a municipality becomes aware of any deficiencies or structural conditions that could impact the Agency's determination of whether to post or close a bridge, the municipality shall promptly notify the Agency.

(3) The Agency shall be responsible for all costs and expenses associated with posting or closing an Agency-maintained bridge, including any required notifications, procedures, signage or traffic control devices, and barricades.

(e) Enforcement and penalties. In addition to any other penalties provided by law, a person that violates a bridge posting or closure by a municipality or the Agency shall be subject to a civil penalty of not more than \$1,000.00.

Sec. 22. 23 V.S.A. § 2302 is amended to read:

§ 2302. TRAFFIC VIOLATION DEFINED

(a) As used in this chapter, “traffic violation” means:

* * *

(11) a violation of subsection 1006b(b) of this title, relating to operation of a prohibited vehicle in Smugglers’ Notch; section 1006c of this title, relating to requirements for use of tire chains; or subsections 4120(a) and (b) of this title, relating to violations of an out-of-service order; ~~or~~

(12) a violation of section 4123 of this title, relating to authorizing railroad crossing violations; or

(13) a violation of 19 V.S.A. § 1514, relating to use of a bridge in violation of a posting or closure.

* * *

* * * Public Transit Advisory Council * * *

Sec. 23. 24 V.S.A. § 5084 is amended to read:

§ 5084. PUBLIC TRANSIT ADVISORY COUNCIL

(a) The Public Transit Advisory Council shall be created by the Secretary of Transportation under 19 V.S.A. § 7(f)(5), ~~to~~ and shall consist of the following members:

* * *

(8) a representative of ~~the Community of Vermont Elders~~ AARP

Vermont;

(9) ~~a representative of private bus operators and taxi services;~~

[Repealed.]

(10) a representative of Vermont ~~intercity~~ private bus operators;

* * *

* * * Green Mountain Transit Authority * * *

Sec. 24. 24 App. V.S.A. ch. 801, § 7 is amended to read:

§ 7. Annual budget and assessments

(a) On or before February 15 in each year, the Board of Commissioners shall prepare a budget for the Authority for the next fiscal year, which shall include an estimate of the revenue of the Authority from fares and other sources, except membership assessments, and the expenses for the next fiscal year, including debt service, and at such time the Board of Commissioners shall call a meeting of the residents of its members for the purpose of presenting the proposed budget and inviting discussion thereon. The meeting shall be held at a place within the County and shall be warned by a notice published in a newspaper of general circulation in the County at least 15 days prior to the meeting. The notice shall contain a copy of the proposed budget, and members of the legislative body of each member municipality shall be notified of the meeting by certified mail. The proposed budget may include, in

addition to revenues from fares and other sources, anticipated voluntary local match contributions, grants, donations, and other nonassessment revenues that may be offered by a member municipality or another public or private source.

* * *

(f)(1) The Authority shall be permitted to seek and accept voluntary local match contributions.

(2) Notwithstanding the formula for apportionment, the Authority may accept voluntary local match contributions from a member municipality or another public or private source for the purposes of:

(A) meeting federal, State, or other grant matching requirements; and

(B) supporting Authority programs, capital projects, and operations.

(3) A voluntary local match contribution accepted pursuant to this subsection shall be in addition to any assessment required pursuant to this section and shall not reduce, offset, or otherwise modify the assessment apportioned to any member municipality pursuant to the formula for apportionment unless the formula is amended in accordance with the provisions of this section.

* * * Public-Private Partnership Sunset Extension * * *

Sec. 25. 2018 Acts and Resolves No. 158, Sec. 21 as amended by 2023 Acts and Resolves No. 62, Sec. 41 is further amended to read:

Sec. 21. REPEAL OF TRANSPORTATION P3 AUTHORITY

19 V.S.A. chapter 26, subchapter 2 shall be repealed on July 1, ~~2026~~ 2029.

* * * Transportation Board * * *

Sec. 26. 19 V.S.A. § 5 is amended to read:

§ 5. TRANSPORTATION BOARD; POWERS AND DUTIES

* * *

(d) Specific duties and responsibilities. The Board shall:

* * *

(7) provide appellate review, when requested in writing by an applicant or permittee, of Agency decisions and rulings regarding private and commercial access to State highway rights-of-way pursuant to the permit process established in section 1111 of this title;

* * *

* * * Transportation Alternatives Grant Program * * *

Sec. 27. 19 V.S.A. § 38 is amended to read:

§ 38. TRANSPORTATION ALTERNATIVES GRANT PROGRAM

(a), (b) [Repealed.]

(c) The Transportation Alternatives Grant Program is created. The Grant Program shall be administered by the Agency and shall be funded in the amount provided for in 23 U.S.C. § 133(h), less the funds set aside for the Recreational Trails Program. Awards shall be made to eligible entities as

defined under 23 U.S.C. § 133(h), and awards under the Grant Program shall be limited to the activities authorized under federal law and shall not exceed ~~\$300,000.00~~ \$600,000.00 per grant allocation.

* * *

(f)(1) In fiscal year ~~2024~~ 2027 and thereafter, ~~50 percent of Grant Program funds, or such lesser sum if all eligible applications amount to less than 50 percent of Grant Program funds, shall be reserved for municipalities for environmental mitigation projects relating to stormwater and highways, including eligible salt and sand shed projects, and the balance of Grant Program funds shall be awarded for any eligible activity, including environmental mitigation projects relating to stormwater and highways, such as eligible salt and sand shed projects, and infrastructure-related projects and systems that will provide safe routes for nondrivers, and in accordance with the priorities established in subdivision (2) of this subsection.~~

(2) In evaluating applications for Transportation Alternatives grants, the Agency shall give preferential weighting to sand and salt shed projects and projects involving as a primary feature a bicycle or pedestrian facility. The degree of preferential weighting and the circumstantial factors sufficient to overcome the weighting shall be in the complete discretion of the Agency.

* * *

Sec. 28. 2023 Acts and Resolves No. 62, Sec. 11 is amended to read:

Sec. 11. TRANSPORTATION ALTERNATIVES GRANT PROGRAM
AWARDS IN STATE FISCAL YEARS 2024 TO 2027

Notwithstanding 19 V.S.A. § 38(c), Transportation Alternatives Grant Program awards in State fiscal years 2024 to ~~2027~~ 2026 shall not exceed \$600,000.00 per grant allocation. Notwithstanding 19 V.S.A. § 38(c), Transportation Alternatives Grant Program awards in State fiscal year 2027 shall not exceed \$1,200,000.00 per grant allocation.

* * * Consultation Regarding Municipal Programs * * *

Sec. 29. MUNICIPAL TRANSPORTATION PROGRAMS; ONGOING
EVALUATION; IDENTIFICATION OF IMPROVEMENTS

(a) In addition to ongoing work pursuant to 2025 Acts and Resolves No. 43, Sec. 15, the Agency of Transportation, in consultation with the Vermont League of Cities and Towns and the Vermont Association of Planning and Development Agencies, shall:

(1) continue examining the requirements of 19 V.S.A. § 309c, cancellation of locally managed projects, as set forth in 2025 Acts and Resolves No. 43, Sec. 14, to evaluate the obligations, risks, and benefits imposed by the provisions of that section on the State and the local sponsor of a locally managed project and to identify potential changes to the provisions of

that section to ensure that State and federal transportation funding resources are appropriately administered;

(2) continue evaluating the State’s Town Highway Aid and municipal grant programs administered by the Agency, as set forth in 2025 Acts and Resolves No. 43, Sec. 16, to identify potential efficiencies and improvements related to the administration of Town Highway Aid and municipal grant programs; and

(3)(A) examine the provisions in the Vermont statutes related to the procedures for establishing speed limits; and

(B) identify potential opportunities to simplify and clarify those provisions to assist municipalities in meeting local needs, including safety and context sensitivity.

(b) The Agency shall, on or before January 15, 2027, submit to the House and Senate Committees on Transportation any recommendations for legislative action.

* * * Drive Electric Vermont * * *

Sec. 30. DRIVE ELECTRIC VERMONT; APPROPRIATION

In State fiscal year 2027, the sum of \$242,000.00 is appropriated from the Transportation Fund to the Agency of Transportation to support the continuation of the Agency’s partnership with Drive Electric Vermont. The

monies shall be used for programs and activities that support increased ownership and use of plug-in electric vehicles in the State through:

- (1) stakeholder coordination;
- (2) consumer education and outreach;
- (3) infrastructure development; and
- (4) the provision of technical assistance and support to Vermont

municipalities and Vermont businesses desiring to electrify their vehicle fleets.

* * * Caledonia County State Airport * * *

Sec. 31. 2023 Acts and Resolves No. 62, Sec. 8 is amended to read:

Sec. 8. SALE OR LEASE OF CALEDONIA COUNTY STATE
AIRPORT

* * *

(c) Any such conveyance shall:

* * *

(4) ~~ensure that the Airport continues to be identified as a public-use airport within the National Plan of Integrated Airport Systems until at least 2050, subject to federal determination;~~

(5) include, if the Airport is conveyed through a purchase and sale agreement, a six-month right of first refusal, running from the date that the owner of the Airport provides notice to the State of an intent to sell the Airport,

for the State to repurchase the Airport at fair market value before the Airport is resold or transferred to a new owner; and

~~(6)~~(5) include, if the Airport is leased, that the lease cannot be either assigned or the lessor cannot sub-lease all or substantially all of the Airport without the written approval of the Vermont Secretary of Transportation.

* * *

Sec. 32. 2023 Acts and Resolves No. 62, Sec. 9 is amended to read:

Sec. 9. REPEAL OF AUTHORITY FOR SALE OR LEASE OF
CALEDONIA COUNTY STATE AIRPORT

Sec. 8 of this act shall be repealed on ~~May 1, 2026~~ November 1, 2027.

* * * Medical Transports * * *

Sec. 33. PUBLIC TRANSIT DEMAND RESPONSE MEDICAL
TRANSPORTS; VOLUNTEER DRIVERS; MOBILITY
MANAGEMENT; GRANTS

The Agency of Transportation is authorized to utilize amounts appropriated for supplemental nonemergency medical transportation funding in fiscal year 2027 for the purpose of providing competitive grants to public transit agencies to support the recruitment and retention of volunteer drivers and mobility management activities intended to reduce costs related to nonemergency medical transports.

Sec. 34. 19 V.S.A. § 2908 is added to read:

§ 2908. PUBLIC EVSE; REAL-TIME STATUS; AVAILABILITY

(a) Except as provided in subsection (b) of this section, a charging network provider shall, for any networked publicly funded and available charging station in Vermont that is installed or reconditioned on or after **January 1, 2027**, ensure that the following data fields are made available, free of charge, to third-party software developers via an application programming interface:

(1) a unique charging station name or identifier;

(2) the address of the property where the charging station is located, including street address, city, and ZIP code;

(3) the geographic coordinates in decimal degrees of the exact charging station location;

(4) the charging station operator name;

(5) the charging network provider name;

(6) the charging station status, including whether the station is operational, under construction, planned, or decommissioned;

(7) charging station access information, including:

(A) the charging station access type, such as whether it may be used by the public or is limited to use by commercial vehicles; and

(B) the charging station access days and times, including the hours of operation for the charging station;

(8) charging port information, including:

(A) the number of charging ports;

(B) the unique port identifier for each port;

(C) the connector types available by port;

(D) the charging level by port, such as DCFC or AC Level 2;

(E) the maximum power delivery rating in kilowatts by charging port;

(F) the maximum output voltage by charging port;

(G) accessibility by a vehicle with a trailer by port (yes/no); and

(H) the real-time status by port in terms defined by Open Charge Point Interface 2.2.1; and

(9) pricing and payment information, including:

(A) the pricing structure;

(B) the real-time price to charge at each charging port, in terms defined by Open Charge Point Interface 2.2.1; and

(C) the payment methods accepted at the charging station, including whether credit, debit, or contactless forms of payment are accepted.

(b) The provisions of this section shall apply to a publicly funded and available charging station at all times that a member of the public may use the associated EVSE to charge a PEV.

(c) The provisions of this section may be enforced by:

(1) any State agency or department that provides or administers grants, loans, or other incentives to support the construction or operation of publicly funded and available charging stations; and

(2) the Department of Public Service for publicly funded and available charging stations that have received a grant, loan, or other incentive provided by one or more Vermont retail electricity providers.

(d) A charging network provider may attach reasonable conditions to data use that are designed to protect confidential business information, provided that the conditions do not prevent third-party software developers from accessing the real-time information required pursuant to subsection (a) of this section.

(e)(1) A State agency or department that provides a grant, loan, or other incentive for the construction or operation of a charging station that is installed or reconditioned on or after **January 1, 2027**, shall require the recipient to notify the relevant charging network provider that the provisions of this section apply to a charging station.

(2) A retail electricity provider, if it provides a grant, loan, or other incentive for the construction or operation of a charging station that is installed or reconditioned on or after **January 1, 2027**, shall require the recipient to

notify the relevant charging network provider that the provisions of this section apply to the charging station.

(f) As used in this section:

(1) “Real-time” means that the applicable data field must be updated within one minute following a change in the charging port’s status.

(2) “Retail electricity provider” has the same meaning as in 30 V.S.A. § 8002.

* * * EVSE Installation in Common Interest Communities * * *

Sec. 35. 27A V.S.A. § 1-204 is amended to read:

§ 1-204. PREEXISTING COMMON INTEREST COMMUNITIES

(a)(1) Unless excepted under section 1-203 of this title, the following sections and subdivisions of this title apply to a common interest community created in this State before January 1, 1999: sections 1-103, 1-105, 1-106, 1-107, 2-103, 2-104, and 2-121, subdivisions ~~3-102(a)(1) through (6)~~ 3-102(a)(1)–(6) and ~~(11) through (16)~~ (11)–(16), and sections 3-111, 3-116, 3-118, 4-109, and 4-117 to the extent necessary to construe the applicable sections. The sections and subdivisions described in this subdivision apply only to events and circumstances occurring after December 31, 1998, and do not invalidate existing provisions of the declarations, bylaws, plats, or plans of those common interest communities.

* * *

(3) Unless excepted under section 1-203 of this title, section 3-125 of this title shall apply to all common interest communities that contain 12 or more units that may be used for residential purposes created in this State on or before January 1, 2011. Section 3-125 applies only to events and circumstances occurring after June 30, 2026, and does not invalidate existing provisions of the declarations, bylaws, plats, or plans of those common interest communities.

* * *

Sec. 36. 27A V.S.A. § 3-125 is added to read:

§ 3-125. ELECTRIC VEHICLE SUPPLY EQUIPMENT

(a) As used in this section:

(1) “Electric vehicle supply equipment (EVSE)” means a device or system designed and used specifically to transfer electrical energy to a plug-in electric vehicle.

(2) “EVSE owner” means the unit owner who applies to install an EVSE and each successive unit owner associated with the initial application to install the EVSE unless there is a specific change in ownership of the EVSE, in which case the EVSE owner shall be the owner specified in a conveying document memorializing the change in ownership of the EVSE.

(3) “Plug-in electric vehicle” has the same meaning as in 23 V.S.A. § 4(85).

(4) “Reasonable restriction” is a restriction that does not significantly increase the cost of the EVSE or significantly decrease the efficiency or specified performance of the EVSE.

(b)(1) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a common interest community, and any provision of a governing document associated with a common interest community, such as a declaration, bylaw, or rule, that either effectively prohibits or unreasonably restricts the installation of EVSE within the boundaries of a unit owner’s unit or limited common element or the unit owner’s exclusively designated parking space or the use of such EVSE for noncommercial purposes by a unit owner or the occupants of the unit owner’s unit or is in conflict with this section is void and unenforceable.

(2) This subsection shall not apply to provisions that impose reasonable restrictions on EVSE. However, it is the policy of the State to promote, encourage, and remove obstacles to the use of plug-in electric vehicles, including access to EVSE at home.

(3) Installation of EVSE shall not be deemed a division or reallocation of a common element and shall not alter the allocated interests of any unit owner.

(c) The association may require the unit owner to:

- (1) comply with federal, State, and local health and safety laws, including any applicable building codes or safety standards;
- (2) comply with reasonable architectural standards adopted by the association that govern the dimensions, placement, or external appearance of the EVSE, provided that such standards shall not prohibit the installation of such EVSE or substantially increase the costs thereof;
- (3) engage the services of a licensed electrician to install the EVSE;
- (4) if the EVSE is installed in a common element or limited common element, reimburse the association for the actual costs of any increased insurance premium amount attributable to the EVSE with 14 days after receiving the association's insurance premium invoice; and
- (5) comply with any other reasonable restrictions the association may impose.

(d) Notwithstanding any provision to the contrary in the association's governing documents, if the executive board of the association determines that the cumulative or additional use of electricity due to the installation and use of EVSE requires infrastructure improvements to provide a sufficient supply of electricity for the EVSE, the association may assess the cost of the required improvements against the unit of each unit owner that has installed, or will install, EVSE.

(e) If approval is required for the installation or use of EVSE, the application for approval shall be processed and approved by the association in the same manner as an application for approval of an architectural modification to the common interest community and shall not be intentionally avoided or delayed. The approval or denial of an application shall be in writing. If an application is not denied in writing within 90 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) The unit owner and each successive owner of the EVSE shall be responsible for all of the following:

(1) costs for damage to the EVSE, common element, or limited common element resulting from the installation, maintenance, repair, removal, or replacement of the EVSE;

(2) costs for the installation, maintenance, repair, and replacement of the EVSE until the EVSE has been removed and for the restoration of the common element or limited common element after removal;

(3) cost of electricity associated with the EVSE; and

(4) unless the successor owner of the unit agrees in writing to undertake and comply with the unit owner's responsibilities with respect to the EVSE, removing the EVSE prior to the sale and restoring any affected common element or limited common element.

* * * Intelligent Speed Assistance * * *

Sec. 37. INTELLIGENT SPEED ASSISTANCE; IMPLEMENTATION AND
COST EVALUATION; REPORT

(a) The Department of Motor Vehicles shall examine the potential to implement and administer an intelligent speed assistance program, including the following issues:

(1) intelligent speed assistance programs that have been or will be implemented in other states and the District of Columbia;

(2) costs for the State to implement an intelligent speed assistance program; and

(3) potential costs to drivers who choose to participate in an intelligent speed assistance program.

(b) On or before January 15, 2027, the Department shall submit a written report to the House and Senate Committees on Transportation regarding its findings and any recommendations for legislative action.

* * * Repeals; Log Drives * * *

Sec. 38. REPEALS; LOG DRIVES

The following sections are repealed:

(1) 25 V.S.A. § 241 (application of provisions);

(2) 25 V.S.A. § 242 (petition to Public Utility Commission);

(3) 25 V.S.A. § 243 (notice and hearing; decision);

(4) 25 V.S.A. § 244 (judgment on decision); and

(5) 25 V.S.A. § 245 (bond of foreign corporation).

* * * Effective Date * * *

Sec. 39. EFFECTIVE DATE

This act shall take effect on July 1, 2026.
