Memo To: House Committee on Transportation
From: Renee Cota, Director of Finance, DMV
Date: 04/22/2026
Subject: Details on Automated Vehicle Inspection Program (AVIP) Contract

Enforcement staff time is required for any administrative or corrective actions related to managing Inspection Stations. This enforcement cost would exist regardless of whether management is handled by a vendor or in-house staff.

With the implementation of Stickers on Demand, the vendor assumed responsibility for sticker stock procurement, management of secure storage at the DMV Montpelier facility, and administrative tasks related to sticker distribution. This on-demand system has effectively mitigated fraud related to sticker theft or misuse.

The vendor contract includes 500 hours annually for updates to the AVIP program, whether for Inspection Manual revisions or initiatives like the Mileage Based User Fee.

DMV Costs for AVIP contract:

Annual License Fee	\$197,000
On-Board Diagnostic (OBD) Failure Rate (under 4%)	\$4,000
Stickers On Demand Management (FY25 Actual)	\$953,644
<u>Total</u>	<u>\$1,154,644</u>
