H.397

Representative Waszazak of Barre City moves that the report of the Committee on Government Operations and Military Affairs be amended in Sec. 3, 20 V.S.A. § 51, in the fourth sentence, by striking out “The municipality shall maintain the acquired property as open space with a deed restriction or covenant prohibiting development of the property” and inserting in lieu thereof “A municipality may transfer or redevelop the acquired property for purposes of constructing flood-resilient housing” before the period.
