Notes: 1) FY 2026 is the first year with the Statewide Adjustment CLA, so FY 2025 property rates and yields are not directly comparable to prior years.  
2) Property tax amounts for FY 2025 and FY 2026 reflect amounts in the year they were collected.  
3) The Outlook assumes a technical correction in the FY 2026 BAA to unreserve the \$13 million of the Tax Rate Offset Reserve within the Education Fund.
