18           for children that support the relevant population-level outcomes set forth in  
19           3 V.S.A. § 2311 and to collect data that will inform future decisions. BBF, in  
20           consultation with the Agency of Education and the Department for Children

1 and Families, shall be required to report annually to the General Assembly in

7 BBF to ensure necessary data and appropriate factors are included in financial  
8 modeling. This study shall provide estimates for the current full cost of  
9 providing prekindergarten education for children three, four, and five years of  
10 age, not yet eligible to enroll in kindergarten.

11 (B) The sum of \$75,000.00 is appropriated to the Joint Fiscal Office

12 established by the Agency the information needed in order for the Agency to  
13 compute the weighting categories under subsection (b) of this section for that  
14 district, for all resident students in prekindergarten through grade 12. In order  
15 to fulfill this obligation, a school district that pays public tuition on behalf of a

9 \* \* \* Special Education Funding \* \* \*

10 Sec. 23. SPECIAL EDUCATION FUNDING SAFEGUARDS;

11 LEGISLATIVE INTENT

12 (a) Maintenance of effort. It is the intent of the General Assembly to  
13 ensure that Vermont complies with federal maintenance of effort requirements  
14 in any education funding reform. Nothing in 2025 Acts and Resolves No. 73  
15 (Act 73), nor the implementation of Act 73, shall be construed to permit a  
16 reduction in State or local funding for special education and related services in  
17 a manner that would violate the maintenance of effort requirements of the  
18 Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400–1485.

19 (b) Separate and supplemental funding structure. It is the intent of the  
20 General Assembly that the State shall maintain an education funding structure  
21 in which:

1           (1) general education is funded through a formula-based mechanism  
2           established by law; and

3           (2) special education is funded through a supplemental reimbursement,  
4           weighted student count, or grant model that reflects eligible special education  
5           costs and preserves compliance with federal maintenance of effort  
6           requirements.

7           (c) Protection of educational rights. It is the intent of the General  
8           Assembly that implementation of Act 73 or any future education funding  
9           reform shall not limit the right of students with disabilities to a Free  
10           Appropriate Public Education (FAPE), including access to individualized  
11           services in the least restrictive environment as required by federal and State  
12           law.

13           (d) Proportional effects. A school district shall not implement  
14           programmatic reductions, staffing changes, or budgetary actions that  
15           disproportionately affect students with disabilities or impair the district’s  
16           ability to meet its obligations to provide FAPE.

17           (e) Impact analysis. School districts shall assess and document the impact  
18           of significant programming changes on students with disabilities, in  
19           accordance with guidance issued by the Agency of Education.

20           (f) Guidance. The Agency of Education shall issue guidance to ensure  
21           school districts implement Act 73 in a manner consistent with this section and

1 with federal special education requirements. The Agency shall also issue  
2 guidance regarding the assessment and documentation requirements of  
3 subsection (e) of this section.

4 \* \* \* Tuition \* \* \*

5 Sec. 24. 16 V.S.A. § 828 is amended to read:

6 § 828. TUITION TO APPROVED SCHOOLS; AGE; APPEAL

7 \* \* \*

8 (e)(1) A school eligible to receive tuition pursuant to this section shall be  
9 prohibited from requiring tuition or fees of any kind from a student attending

11 tuition paid by a sending school district pursuant to section 823 of this chapter.

12 (2) A public school located in Vermont that receives tuition pursuant to  
13 section 823 of this chapter shall be prohibited from charging any student  
14 attending the school a fee of any kind above the amount of tuition paid by a  
15 sending school district pursuant to section 823 of this chapter, regardless of  
16 whether the student is a resident student or a student attending the school on  
17 tuition.

18 Sec. 24a. PROHIBITION ON CHARGING FEES BEYOND TUITION;

19 LEGISLATIVE INTENT

20 It is the intent of the General Assembly that the prohibition created in Sec.  
21 24 of this act, which prohibits a receiving school from requiring tuition or fees

1 of any kind from a student attending the school on public tuition, above the  
2 amount of tuition paid by a sending school district, shall take effect at the same  
3 time the foundation formula and other tax changes envisioned in this act shall  
4 take effect, provided that any applicable contingency has been met.

5 \* \* \* Union School District Study Committee Budgets \* \* \*

6 Sec. 25. 16 V.S.A. § 707 is amended to read:

7 § 707. APPROVAL OF STUDY BUDGET; APPOINTMENT OF STUDY  
8 COMMITTEE; PARTICIPATION

10 (1) If the proposed budget established in section 706 of this chapter  
11 exceeds ~~\$50,000.00~~ \$500,000.00, then subject to the provisions of that section  
12 the board of each potentially participating school district shall warn the  
13 district’s voters to meet at an annual or special school district meeting to vote  
14 whether to appropriate funds necessary to support the district’s financial share  
15 of a study committee’s costs. The meeting in each school district shall be  
16 warned for the same date. The warning in each school district shall contain an  
17 identical article in substantially the following form:

20 study to determine the advisability of forming a union school district with  
21 some or all of the following school districts:

1 \_\_\_\_\_,  
2 \_\_\_\_\_, and  
3 \_\_\_\_\_? It is estimated that the  
4 \_\_\_\_\_ school district’s share, if all  
5 of the identified school districts vote to participate, will be  
6 \$\_\_\_\_\_. The total proposed budget,  
7 to be shared by all participating school districts is  
8 \$\_\_\_\_\_.”

9 (2) If the vote in subdivision (1) of this subsection is in the affirmative  
10 in two or more school districts, then the boards of the affirming school districts  
11 shall appoint a study committee consisting of the number of persons  
12 determined pursuant to section 706 (proposed study committee budget and  
13 membership) of this chapter. At least one current board member from each  
14 participating school district shall be appointed to the study committee. The  
15 board of a school district appointing more than one person to the study  
16 committee may appoint residents of the school district who are not members of  
17 the board to any of the remaining seats.

18 (3) The sums expended for study purposes under this section shall be  
19 considered part of the approved cost of any project in which the union school  
20 district, if created, participates pursuant to chapter 123 of this title.

1 (b) Proposed budget not exceeding ~~\$50,000.00~~ \$500,000.00.

2 (1) If the proposed budget established in section 706 of this chapter does  
3 not exceed ~~\$50,000.00~~ \$500,000.00, then the boards of the participating school  
4 districts shall appoint a study committee consisting of the number of persons  
5 determined under that section. At least one current board member from each  
6 participating school district shall be appointed to the study committee. The  
7 board of a school district appointing more than one person to the study  
8 committee may appoint residents of the school district who are not members of  
9 the board to any of the remaining seats.

10 (2) The sums expended for study purposes under this section shall be  
11 considered part of the approved cost of any project in which the union school  
12 district, if created, participates pursuant to chapter 123 of this title.

13 (c) Additional costs.

14 (1) If the voters approve a budget that exceeds ~~\$50,000.00~~ \$500,000.00  
15 but the study committee later determines that its budget is likely to exceed the  
16 projected, voter-approved amount, then the boards of all participating school  
17 districts shall obtain voter approval for the amounts exceeding the previously  
18 approved budget in the manner set forth in subdivision (a)(1) of this section  
19 before the study committee obligates or expends sums in excess of the initial  
20 voter-approved amount.

3 Sec. 27. INTRADISTRICT BUDGETING; AGENCY OF EDUCATION;

9 3 V.S.A. § 843 on or before March 31, 2027. The criteria shall provide  
10 guidelines for intradistrict budgeting that ensure resources are allocated across  
11 schools within each district in a way that supports the State’s goal that “all  
12 Vermont children will be afforded educational opportunities that are  
13 substantially equal in quality” and enable them to achieve or exceed the  
14 education quality standards approved by the State Board of Education.

15 Sec. 27a. 2024 Acts and Resolves No. 183, Sec. 7 is amended to read:

4 ~~shall consult with local school officials.~~ The Agency shall specifically adopt  
5 rules to:

7 taking into consideration revenue predictability and expenditure volatility,  
8 exposure to significant one-time expenses, and impact on credit ratings;

9 (2) specify acceptable conditions that warrant use of the reserve fund  
10 and the period within which funds may be used;

11 (3) establish best practices for replenishing a depleted reserve fund,  
12 including the period over which the reserve fund should be replenished;

13 (4) define appropriate accounting terms to facilitate data consistency and

19        (b) The Director of Property Valuation and Review shall establish a  
20        schedule for each regional assessment district to fully reappraise every six  
21        years. The Director, at the Director’s discretion, may alter the reappraisal

1 schedule for a regional assessment district or for one or more of a regional  
2 assessment district’s member municipalities. If a municipality or a regional  
3 assessment district fails to reappraise on the schedule established by the  
4 Director under this subsection, the State may withhold funds from the  
5 municipality until the Director certifies that the municipality or regional  
6 assessment district has complied with this subsection.

7 (c) The Director shall determine when the first simultaneous full  
8 reappraisal has been completed by the member municipalities of each regional  
9 assessment district.

10 § 3418. REGIONAL ASSESSMENT DISTRICT APPEALS BOARD;

11 ESTABLISHMENT

12 (a) There are hereby established regional assessment district appeals boards  
13 for each regional assessment district established pursuant to section 3416 of  
14 this subchapter. A board shall hear appeals of valuations within its regional  
15 assessment district. The Division of Property Valuation and Review shall  
16 provide training and technical assistance to the board. Other staffing and

18 (b) All municipalities within the jurisdiction of a board shall be considered  
19 municipal members of the board. A board shall contain at least one  
20 representative appointed from each member municipality and representatives  
21 shall be appointed for a term of three years by the legislative body of such

1 municipality. A municipality may appoint one board member per 1,000  
2 parcels in the municipality, rounded up to the nearest 1,000 parcels. All board  
3 members may be compensated and reimbursed by their respective  
4 municipalities for necessary and reasonable expenses.

5 (c) A board shall elect an executive board of five board members to  
6 facilitate meetings and oversee operations. The executive board shall have a  
7 chair, a vice chair, a secretary, and any other position deemed necessary by a  
8 majority vote of the executive board.

9 § 3419. APPEALS TO REGIONAL ASSESSMENT DISTRICT APPEALS

10 BOARD

11 (a) Within 30 days following the date of notice, a person aggrieved by the  
12 final valuation decision of an assessing official may appeal in writing to the  
13 district’s regional assessment district appeals board. An appeal of a valuation  
14 decision conducted pursuant to section 3416 of this subchapter that is  
15 erroneously made to a municipality shall be considered timely if it would have  
16 been timely if made to the regional assessment district. A municipality shall  
17 forward any such erroneously filed appeal to the board within 14 days.

18 (1) The board shall schedule meetings to hear and determine appeals  
19 made under this subsection not later than 30 days after the last date allowed for  
20 notice of appeal. Notice of the time and place of the hearing shall be given by  
21 posting a warning in three or more public places in each municipality in the

1 district’s jurisdiction and by mailing a copy of such warning to the legislative  
2 bodies of such municipalities and to all appellants.

3 (2) Hearings shall be conducted before a panel of three board members.

4 When conducting a hearing under this subsection, the board shall issue a  
5 written determination addressing all questions and objections heard. A written  
6 determination shall only be issued if approved by a majority of those members  
7 present and voting. Unless waived by both parties, the property subject to  
8 appeal shall be inspected internally and externally by the three board panelists  
9 and an inspection report shall be issued within 30 days following the hearing  
10 on appeal and before a final determination is issued.

11 (A) The appellant shall be provided notice of the inspection and the  
12 appeal shall be deemed withdrawn if the appellant refuses to allow an  
13 inspection under this subdivision (2).

14 (B) During a declared state of emergency under 20 V.S.A. chapter 1,  
15 a board working within a municipality affected by an all-hazards event shall  
16 not be required to physically inspect any property that is the subject of an  
17 appeal. If the appellant requests in writing that the property be inspected for  
18 purposes of the appeal, the board shall conduct the inspection through  
19 electronic means. If the appellant does not facilitate the inspection through  
20 electronic means, the appeal shall be deemed withdrawn. As used in this  
21 subdivision (B), “electronic means” means the transmittal of video or

1 photographic evidence by the appellant at the direction of the staff conducting  
2 the inspection.

3 (3) The board shall, within 15 days following the time of the inspection  
4 report, issue the written determination and shall file it with the clerk of the  
5 municipality in which the underlying property is located. At the same time, the  
6 board shall send a copy of the determination by certified mail to the appellant.  
7 The grand list shall be amended pursuant to the written determination.

8 (4) Notwithstanding any provision of law to the contrary, if the board  
9 does not substantially comply with the requirements of this subsection, and if  
10 the appeal is not withdrawn by filing written notice of withdrawal with the  
11 board, or deemed withdrawn as provided in subdivision (2) of this subsection,  
12 the grand list value of the property subject to appeal shall be set at a value that  
13 will produce a tax liability equal to the tax liability for the preceding year.

14 (b) Not more than two board members shall be panelists for a hearing  
15 involving a property located in the municipality for which the members are  
16 representatives.

17 (c) This section shall not be construed to prevent or alter the process for  
18 taxpayers to bring and resolve grievances to a municipal assessing official  
19 under section 4111 of this title.

20 (d) Notwithstanding subsection (a) of this section, appeals of valuations  
21 conducted by the Division of Property Valuation and Review pursuant to

1 sections 3602a, 3602b, 3602c, and 3621 of this title shall be made directly to  
2 the Commissioner or Superior Court pursuant to section 3420 of this  
3 subchapter.

4 § 3420. APPEALS TO COMMISSIONER OR TO SUPERIOR COURT

5 (a) A taxpayer or the legislative body of a municipality aggrieved by a  
6 written determination of a regional assessment district appeals board under  
7 section 3419 of this chapter, or a taxpayer aggrieved by a valuation and elected  
8 to bypass a board decision under subsection 3419(a) of this subchapter, may  
9 appeal to either the Commissioner of Taxes or the Superior Court of the county  
10 in which the property is located. The appeal to the Superior Court shall be  
11 heard without a jury. For an appeal from the board, the appeal shall be  
12 commenced by filing a notice of appeal pursuant to Rule 74 of the Vermont  
13 Rules of Civil Procedure within 30 days after entry of the decision of the  
14 board. For an appeal that bypassed the board, the appeal may be commenced  
15 by filing a notice of appeal pursuant to Rule 74 of the Vermont Rules of Civil  
16 Procedure within 30 days following the date of notice of a final valuation  
17 decision of an assessing official. The date of mailing of notice of the board's  
18 determination to the taxpayer shall be deemed the date of entry of the board's  
19 determination. The board shall transmit a copy of the notice to the  
20 Commissioner or the Superior Court and shall forward the notice to the  
21 applicable municipal clerk, who shall record or attach a copy of the notice in

1 the grand list book. The entry fee for an appeal to the Commissioner is \$70.00;  
2 provided, however, that the Commissioner may waive, reduce, or refund the  
3 entry fee in cases of hardship or to join appeals regarding the same parcel. If,  
4 in the opinion of the Commissioner, an appeal under this subsection involves a  
5 complex or unique property or valuation that would be best adjudicated by the  
6 Superior Court, the Commissioner may decline to hear the appeal and shall  
7 forward the appeal to the Superior Court of the county in which the property is  
8 located, where it shall be heard. An appeal forwarded by the Commissioner  
9 under this subsection shall be considered timely filed in the Superior Court if it  
10 was timely appealed to the Commissioner.

11 (b) On or before the last day on which appeals may be taken from the  
12 determination of the regional assessment district appeals board, an agent  
13 designated by the legislative body of the municipality, in the name of the  
14 municipality, on written application of one or more taxpayers of the  
15 municipality whose combined grand list represents at least three percent of the  
16 grand list of the municipality for the preceding year, shall appeal to the  
17 Superior Court from any action of the regional assessment district board of  
18 appeal not involving appeals of the applying taxpayers. However, the agent  
19 designated by the legislative body shall, in any event, have at least six business  
20 days after receipt of such taxpayers' application for appeal in which to take the  
21 appeal, and the date for the taking of such appeal shall accordingly be

1 extended, if necessary, until the six business days shall have elapsed. The  
2 \$70.00 entry fee shall be paid by the applicants with respect to each individual  
3 property thus being appealed that is separately listed in the grand list. Fees  
4 collected under subsection (a) of this section or under this subsection shall be  
5 credited to a special fund established and managed pursuant to chapter 7,  
6 subchapter 5 of this title and shall be available to the Commissioner of Taxes  
7 to offset the costs of providing those services.

8 (c) When a taxpayer, a legislative body of the municipality, or an agent  
9 designated by the legislative body of the municipality claims that an appeal to  
10 the Commissioner is in any manner defective or was not lawfully taken, on or  
11 before 30 days after mailing of the notice of receipt of the appeal by the  
12 Director, the taxpayer, agent, or legislative body of the municipality shall file  
13 objections in writing with the Commissioner and furnish the appellant or  
14 appellant's attorney with a copy of the objections. When the taxpayer, agent,  
15 or legislative body so requests, the Commissioner shall thereupon fix a time  
16 and place for hearing the objections and shall notify all parties thereof, by mail  
17 or otherwise. Upon hearing or otherwise, the Commissioner shall pass upon  
18 the objections and make such order in relation thereto as is required by law.  
19 The order shall be recorded or attached in the municipal clerk's office in the  
20 book wherein the appeal is recorded.

1       (d) On application to the Commissioner, an appellant may request leave to  
2       withdraw the appellant’s appeal at any time before it is heard. When an appeal  
3       is withdrawn, the Commissioner shall certify the withdrawal to the clerk of the  
4       municipality in which the underlying property is located, and the clerk shall  
5       record the certificate of withdrawal of the appeal. At the same time, the  
6       Commissioner shall notify the applicable regional assessment district board of  
7       appeal. The appraisal from which the appeal was taken shall then become a  
8       part of the appraisal or grand list of the taxpayer.

9       (e) When an appeal to the Commissioner is not withdrawn or forwarded by  
10       the Commissioner to the Superior Court pursuant to subsection (a) of this  
11       section, the Commissioner shall conduct a hearing in accordance with 3 V.S.A.  
12       chapter 25.

13       (f) The Commissioner or court shall proceed de novo on all appeals and  
14       determine the correct valuation of the property as promptly as practicable and  
15       determine a homestead and a housesite value if a homestead has been declared  
16       with respect to the property for the year in which the appeal is taken. The  
17       Commissioner or court shall take into account the requirements of law as to  
18       valuation and the provisions of Chapter I, Article 9 of the Vermont  
19       Constitution and the 14th Amendment to the U.S. Constitution.

20       (1) If the Commissioner or court finds that the listed value of the  
21       property subject to appeal does not correspond to the listed value of

1 comparable properties within the municipality, the Commissioner or court  
2 shall set the property in the list at a corresponding value. The findings and  
3 determinations of the Commissioner shall be made in writing and shall be  
4 available to the appellant.

5 (2) If the appeal is taken to the Commissioner, the Commissioner may  
6 order an inspection of the property prior to making a determination. If one of  
7 the parties requests an inspection, the Commissioner shall order an inspection  
8 of the property prior to making a determination. Within 10 days following the  
9 appeal being filed with the Commissioner, the Commissioner shall notify the  
10 property owner in writing of the Commissioner’s option to request an  
11 inspection under this section.

12 (3) During a declared state of emergency under 20 V.S.A. chapter 1, the  
13 Commissioner shall not be required to have any property subject to appeal to  
14 be physically inspected. If the appellant requests in writing that the property  
15 be inspected for purposes of the appeal, the Commissioner shall conduct the  
16 inspection through electronic means. If the appellant does not facilitate the  
17 inspection through electronic means, then the appeal shall be deemed  
18 withdrawn. As used in this subdivision, “electronic means” means the  
19 transmittal of video or photographic evidence by the appellant at the direction  
20 of the person conducting the inspection.

1 of this section, the municipality shall reappraise its education grand list  
2 properties. If the Director orders a reappraisal, the Director shall send the  
3 municipality written notice of the decision. The municipality shall be given 30  
4 days to contest the finding under procedural rules adopted by the Director or to  
5 develop a compliance plan, or both. If the Director accepts a proposed  
6 compliance plan submitted by the municipality, the Director shall not order  
7 commencement of the reappraisal until the municipality has had one year to  
8 carry out that plan. [Repealed.]

9 (c) If a municipality fails to submit an acceptable plan or fails to carry out  
10 the plan, pursuant to subsection (b) of this section, the State shall withhold the  
11 education, transportation, and other funds from the municipality until the  
12 Director certifies that the town has carried out that plan. [Repealed.]

13 (d) Each municipality shall commence a full reappraisal not later than six  
14 years after the commencement of the municipality's most recent full  
15 reappraisal unless a longer period of time is approved by the Director.

16 [Repealed.]

17 (e) The Director shall adopt rules necessary for administration of this  
18 section. [Repealed.]

1 Sec. 32. 32 V.S.A. § 5405 is amended to read:

2 § 5405. DETERMINATION OF EQUALIZED EDUCATION PROPERTY

3 TAX GRAND LIST AND COEFFICIENT OF DISPERSION

4 (a)(1) Annually, on or before April 1, the Commissioner shall determine  
5 the equalized education property tax grand list and coefficient of dispersion for  
6 each municipality in the State; provided, however, that for purposes of  
7 equalizing grand lists pursuant to this section, the equalized education property  
8 tax grand list of a municipality that establishes a tax increment financing  
9 district shall include the fair market value of the property in the district and not  
10 the original taxable value of the property, and further provided that the unified  
11 towns and gores of Essex County may be treated as one municipality for the  
12 purpose of determining an equalized education property grand list and a  
13 coefficient of dispersion, if the Director determines that all such entities have a  
14 uniform appraisal schedule and uniform appraisal practices.

15 (2) All municipalities within a regional assessment district shall be  
16 treated as a single entity for purposes of the equalization process under this  
17 section, provided at least one simultaneous full reappraisal has been completed  
18 by the member municipalities of the regional assessment district as determined  
19 by the Director under subsection 3417(c) of this title.

6 therein as reported by such utility to the Division.

7 (b) Each public utility shall furnish to the Division not later than March 31  
8 in each year a sworn inventory of all its taxable property in such form as will

11 officers who shall make oath thereto.

12 (d) The valuations furnished under this section shall be considered along  
13 with any other information as may reasonably be required by listers in  
14 determining and fixing the valuations of property for the purposes of property  
15 taxation. The Division may require that each municipality use certain  
16 valuations furnished under this section. The valuations provided by the  
17 Division for property used for the transmission and distribution of electricity  
18 shall be used by the listers as the valuations of that property for purposes of  
19 property taxation.

13 appraisal. Within 30 days, the Commissioner shall estimate the cost of the  
14 municipality's full reappraisal and transfer to the municipality the lesser of

1 declaration or failure to declare was with fraudulent intent, then the  
2 ~~municipality~~ Commissioner shall assess the taxpayer a penalty in an amount  
3 equal to 100 percent of the education tax on the property, plus any interest and  
4 late-payment fee or commission that may be due. Any penalty imposed under  
5 this section by a municipality and any additional property tax interest and late-  
6 payment fee or commission shall be assessed and collected by the municipality  
7 in the same manner as a property tax under chapter 133 of this title.

8 Notwithstanding section 4772 of this title, issuance of a corrected bill issued  
9 under this section does not extend the time for payment of the original bill nor  
10 relieve the taxpayer of any interest or penalties associated with the original bill.

11 If the owner of a homestead fails to declare a homestead as required under this  
12 section, the Commissioner shall notify the municipality, and the municipality  
13 shall issue a corrected tax bill. If the corrected bill is less than the original bill  
14 and there are also no unpaid current year taxes, interest, or penalties and no  
15 past year delinquent taxes or penalties and interest charges, any overpayment  
16 shall be reflected on the corrected tax bill and refunded to the taxpayer.

17 \* \* \*

18 (i) An owner filing a new or corrected declaration or dwelling use  
19 attestation or rescinding an erroneous declaration or dwelling use attestation  
20 after October 15 shall not be entitled to a refund resulting from the correct  
21 property classification, and any additional property tax and interest that would

1 result from the correct classification shall not be assessed as tax and interest,  
2 but shall instead constitute an additional penalty to be assessed and collected in  
3 the same manner as penalties under subsection (g) of this section. Any change  
4 in property classification under this subsection shall not be entered on the  
5 grand list.

6 (j) A taxpayer may appeal a determination of domicile for purposes of a  
7 homestead declaration or an assessment of fraud penalty under this section to  
8 the Commissioner in the same manner as an appeal under chapter 151 of this  
9 title. A taxpayer may appeal an assessment of any other penalty under this  
10 section to the listers within 14 days after the date of mailing of notice of the  
11 penalty, and from the listers to the board of civil authority, and thereafter to the  
12 courts, in the same manner as an appraisal appeal under chapter 131 of this  
13 title. The legislative body of a municipality shall have authority in cases of  
14 hardship to abate all or any portion of a penalty appealable to the listers under  
15 this section and any tax, penalty, and interest arising out of a corrected  
16 property classification under this section, and shall state in detail in writing the  
17 reasons for its grant or denial of the requested abatement. The legislative body  
18 may delegate this abatement authority to the board of civil authority or the  
19 board of abatement for the municipality. Requests for abatement shall be made  
20 to the municipal treasurer or other person designated to collect current taxes,

1 and that person shall forward all requests, with that person’s recommendation,  
2 to the body authorized to grant or deny abatement.

3 (k) A municipality may retain any penalties and interest assessed and  
4 collected in accord with this section.

5 (l) “Hardship” under this section means an owner’s inability to pay as  
6 certified by the Commissioner of Taxes, in the Commissioner’s discretion, or  
7 means an owner filing an incorrect, or failing to file a correct, homestead  
8 declaration or dwelling use attestation due to one or more of the following:

9 (1) full-time active military duty of the declarant outside the State;

10 (2) serious illness or disability of the declarant;

11 (3) serious illness, disability, or death of an immediate family member  
12 of the declarant; and

13 (4) fire, flood, or other disaster.

14 (m)(1) Annually, on or before the due date for filing the Vermont income  
15 tax return, without extension, each owner of a property with a dwelling unit, as  
16 defined under subdivision 4152a(c)(2) of this title, that is not declared as a  
17 homestead pursuant to this section, may file a dwelling use attestation  
18 describing how the dwelling unit will be used in the current year for purposes  
19 of assigning a tax classification under section 4152a of this title. Properties  
20 with a dwelling unit for which no homestead declaration or dwelling use  
21 attestation have been filed shall be assigned the tax classification with the

1 highest statewide education tax rate multiplier under section 5402(a) of this  
2 title. The Commissioner may collect any additional information through the  
3 attestation as required to administer the classification of properties pursuant to  
4 section 4152a of this title.

5 (2) If the Commissioner determines that a filed dwelling use attestation  
6 contains errors or omissions but does not find that the filing was made with  
7 fraudulent intent, the Commissioner shall notify the municipality, and the  
8 municipality shall issue a corrected tax bill that may, as determined by the  
9 governing body of the municipality, include a penalty of up to five percent of  
10 the education tax on the property. Any penalty imposed under this subdivision  
11 and any additional property tax interest and late-payment fee or commission  
12 shall be assessed and collected by the municipality in the same manner as a  
13 property tax under chapter 133 of this title. The municipality assessing and  
14 collecting any fee, interest, or commission under this subdivision shall retain it  
15 to pay for municipal services.

16 (3) If the Commissioner determines that a filed dwelling use attestation  
17 contains errors or omissions and further finds that the filing was made with  
18 fraudulent intent, then the Commissioner shall assess the taxpayer a penalty in  
19 an amount equal to 100 percent of the education tax on the property, plus any  
20 interest and late-payment fee that may be due. The Commissioner shall further  
21 notify the municipality, and the municipality shall issue a corrected tax bill.

1 Any penalty imposed under this subdivision and any additional property tax  
2 interest and late-payment fee shall be assessed and collected by the  
3 Commissioner.

4 Sec. 60. PROPERTY TAX CLASSIFICATIONS; TRANSITION; DATA  
5 COLLECTION

6 For calendar year 2029, the Commissioner of Taxes shall amend and create  
7 forms so that taxpayers report information on the use of their property for such  
8 property to be classified as homestead, nonhomestead residential,  
9 nonhomestead nonresidential, or a proportional classification of those uses.  
10 The information collected, and classifications determined, shall align with the  
11 definitions and requirements of this act. The Commissioner shall use the  
12 information to determine and assign a tax classification for every grand list  
13 parcel, and on or before October 1, 2029, the Commissioner shall provide that  
14 information to the Joint Fiscal Office.

15 Sec. 61. REPEALS

16 2025 Acts and Resolves No. 73, Secs. 60 (grand list contents), 61 (property  
17 tax classifications), 61a (transition; data collection), 61c (rate multipliers;  
18 intent), and 61d (prospective repeal) are repealed.

19 Sec. 62. TAX CLASSIFICATIONS; RATE MULTIPLIERS; INTENT

20 It is the intent of the General Assembly that the creation of a tax  
21 classification system, and the specific tax classifications to be used by that

1 system, will be reevaluated at the same time as any further amendment of the  
2 tax rate multipliers created under 32 V.S.A. § 6066(a) as amended by 2025  
3 Acts and Resolves No. 73.

4 Sec. 63. PROSPECTIVE REPEAL

5 In order to ensure the successful implementation of education finance  
6 reform as set forth in this act, in the absence of legislative action on or before  
7 July 1, 2030, that creates a new tax rate multiplier to be used in a tax  
8 classification system, Secs. 58, 59 and 64 of this act are repealed on July 1,  
9 2030.

10 Sec. 64. 32 V.S.A. § 5401 is amended to read:

11 § 5401. DEFINITIONS

12 As used in this chapter:

13 \* \* \*

14 (7) “Homestead”:

15 (A) “Homestead” means the principal dwelling and parcel of land  
16 surrounding the dwelling, owned and occupied by a resident individual as the  
17 individual’s domicile or owned and fully leased on April 1, provided the  
18 property is not leased for more than 182 days out of the calendar year or, for  
19 purposes of the renter credit under subsection 6066(b) of this title, is rented  
20 and occupied by a resident individual as the individual’s domicile.

1           (B) The parcel of land surrounding the dwelling shall be determined  
2 without regard to any road that intersects the land. If the parcel of land  
3 surrounding the dwelling is owned by a cooperative housing corporation  
4 incorporated under 11 V.S.A. chapter 14 or owned by a nonprofit land  
5 conservation corporation or community land trust with exempt status under  
6 ~~26 U.S.C.~~ U.S.C. § 501(c)(3), the homestead includes a pro rata part of the land  
7 upon which the dwelling is built, as determined by the cooperative corporation,  
8 nonprofit corporation, or land trust.

9           (C) A homestead may consist of a part of a multidwelling or  
10 multipurpose building, including cooperative property occupied as a permanent  
11 residence by a member of a cooperative housing corporation incorporated  
12 under 11 V.S.A. chapter 14. A mobile home may constitute a principal  
13 dwelling for purposes of this chapter.

14           (D) A dwelling owned by a trust may qualify as a homestead if it  
15 meets the requirements of subsection 6062(e) of this title.

16           (E)(i) A homestead also includes a dwelling on the homestead parcel  
17 owned by a farmer as defined under section 3752 of this title and occupied as  
18 the permanent residence by a parent, sibling, child, or grandchild of the farmer  
19 or by a shareholder, partner, or member of the farmer-owner, provided that the  
20 shareholder, partner, or member owns more than 50 percent of the farmer-

1 owner, including attribution of stock ownership of a parent, sibling, child, or  
2 grandchild.

3 (ii) A homestead further includes the principal dwelling of a  
4 widow or widower, provided the dwelling is owned by the estate of the  
5 deceased spouse and it is reasonably likely that the dwelling will pass to the  
6 widow or widower by law or valid will when the estate is settled.

7 (F) A homestead also includes any other improvement or structure on  
8 the homestead parcel that is not used for business purposes, including a  
9 nonprincipal dwelling used exclusively by the owner for domestic purposes as  
10 part of the homestead on the same parcel. A homestead does not include that  
11 portion of a principal dwelling used for business purposes if the portion used  
12 for business purposes includes more than 25 percent of the floor space of the  
13 building.

14 (G) For purposes of homestead declaration and application of the  
15 homestead property tax rate, “homestead” also means a residence that was the  
16 homestead of the decedent at the date of death and, from the date of death  
17 through the next April 1, is held by the estate of the decedent and not rented.

18 (H) A homestead does not include any portion of a dwelling that is  
19 rented, and a dwelling is not a homestead for any portion of the year in which  
20 it is rented.

1 taxpayers in Vermont. A school district’s decision to bond for a school  
2 construction project increases both the district’s homestead property tax rate  
3 and the property tax rates of school districts across Vermont.

4 (4) Vermont’s school budgeting process asks school districts and  
5 property taxpayers to weigh operating expenditures against capital  
6 expenditures within the same budgetary constraints. So long as both costs are  
7 borne by the property tax, school districts are disincentivized from taking on  
8 school construction projects, and certain communities in Vermont may  
9 struggle to support even necessary school construction expenditures.

10 (5) The foundation formula created in 2025 Acts and Resolves No. 73  
11 did not provide funding for additional capital investment in school facilities.  
12 Unless additional revenue sources are utilized or an alternative financing  
13 model is identified, new school construction projects will continue to be  
14 funded from the Education Fund and will continue to apply pressure to  
15 property taxpayers across Vermont.

16 (b) It is the intent of the General Assembly to:

17 (1) create greater scale, increase the efficiency of the delivery of  
18 education services, and encourage the efficient use of funds by prioritizing  
19 school construction projects that align with the creation of the new school  
20 governance structures expressed in this act;

1           (2) address inequities in education funding across the State and remove  
2           disincentives to the construction of necessary and educationally appropriate  
3           school facilities by offering State aid in the form or forms best suited to a  
4           school district’s local context and needs;

5           (3) recognize the urgency and opportunity offered by Vermont’s  
6           education transformation as expressed in this act and 2025 Acts and Resolves  
7           No. 73 by identifying alternative models for funding school construction;

8           (4) in the short term, catalyze the State Aid for School Construction  
9           Program by providing State aid in the form of up to an additional  
10          \$50,000,000.00 annually in State bonding capacity to support the construction  
11          or renovation of school facilities that support the consolidation of school  
12          governance structures and improve access to educational opportunities for  
13          public school students;

14          (5) in the long term, provide State aid in the form of a debt service  
15          subsidy to school districts pursuing school construction projects that align with  
16          the goals of the State Aid for School Construction Program;

17          (6) throughout Vermont’s education transformation, provide State aid  
18          through multiple funding streams until the burden on property taxpayers  
19          imposed by school construction expenditures can be reduced; and

1           (7) leverage the capacities of the Vermont Bond Bank to simplify bond  
2           issuances for school districts, increase financing opportunities, and protect the  
3           State’s credit rating.

4           Sec. 66. AGENCY OF EDUCATION; SCHOOL CONSTRUCTION  
5                           DIVISION; POSITIONS

6           (a) The following permanent, classified positions are created in the Agency  
7           of Education:

8                   (1) one School Construction Program Director;

9                   (2) one Financial Manager I;

10                  (3) one School Construction Coordinator; and

11                  (4) one Architectural Design Reviewer or Educational Facility Planner.

12           (b) The Secretary of Education shall include as part of the Agency’s budget  
13           submitted to the Governor pursuant to 16 V.S.A. § 212(21) for fiscal year 2028  
14           a request to provide appropriate funding levels for the positions created by this  
15           section, and any other positions necessary, to staff the School Construction  
16           Division of the Agency. The Division shall provide comprehensive technical  
17           assistance to the Agency and the State Aid for School Construction Advisory  
18           Board on the implementation of the State Aid for School Construction  
19           Program.

1       Sec. 67. AGENCY OF EDUCATION; STATE AID FOR SCHOOL  
2                   CONSTRUCTION; RULEMAKING

3           On or before March 31, 2027, the Agency of Education, in consultation  
4           with the State Aid for School Construction Advisory Board, shall adopt rules  
5           on school construction and capital outlay pursuant to 3 V.S.A. chapter 25 and  
6           16 V.S.A. § 3442(2), including rules to address:

7           (1) prioritization and bonus incentives that support the construction or  
8           renovation of school facilities that support the consolidation of school  
9           governance structures and improve access to educational opportunities for  
10          public school students; and

11          (2) the treatment of school districts' outstanding capital indebtedness as  
12          of December 31, 2025.

13       Sec. 68. STATE AID FOR SCHOOL CONSTRUCTION ADVISORY  
14                   BOARD; IDENTIFICATION OF REGIONAL HIGH SCHOOLS  
15                   AND REHABILITATION OPPORTUNITIES; REPORT

16          (a) On or before December 1, 2026, the State Aid for School Construction  
17          Advisory Board shall provide a written report to the General Assembly that:

18          (1) identifies opportunities for the construction or renovation of school  
19          facilities that support the consolidation of school governance structures and  
20          improve access to educational opportunities for public school students;

1           (2) provides a full siting study for each identified school construction  
2           project that includes the cost, location, and any other factor the Board deems  
3           relevant to the General Assembly’s consideration of the project; and

4           (3) analyzes the compatibility of each identified school construction  
5           project with other projects and evaluates different statewide scenarios for  
6           pursuing multiple opportunities for consolidation across Vermont.

7           (b) In developing the Board’s report, the Board shall specifically consider  
8           how to achieve appropriate scale, given research on school size and travel  
9           times, and how to achieve regional comprehensive high schools.

10          Sec. 69. 16 V.S.A. § 3440 is amended to read:

11          § 3440. STATEMENT OF POLICY

12           (a) It is the intent of this chapter to encourage the efficient use of public  
13           funds to modernize school infrastructure in alignment with current educational  
14           needs. School construction projects supported by this chapter should be  
15           developed taking consideration of standards of quality for public schools under  
16           section 165 of this title and prioritizing cost, geographic accessibility, 21st  
17           century education facilities standards, statewide enrollment trends, and  
18           capacity and scale that support best educational practices. Further, it is the  
19           intent of this chapter to encourage the use of existing infrastructure to meet the  
20           needs of Vermont students. Joint construction projects between two or more

1 school districts and consolidation of buildings within a district where feasible  
2 and educationally appropriate are encouraged.

3 (b) It is further the intent of this chapter to prioritize school construction  
4 projects that align with the creation of new school governance structures under  
5 legislation enacted by the General Assembly in 2026 that requires each school  
6 board to participate in a study committee to study the advisability of forming a  
7 unified union school district. It is the intent of this chapter to leverage  
8 additional State bonding capacity to support the construction of these projects  
9 while the State identifies the total school construction need to be supported by  
10 State aid offered under this chapter.

11 Sec. 70. 16 V.S.A. § 3442 is amended to read:

12 § 3442. STATE AID FOR SCHOOL CONSTRUCTION PROGRAM

13 The Agency of Education shall be responsible for implementing the State  
14 Aid for School Construction Program according to the provisions of this  
15 chapter. The Agency shall be responsible for:

16 \* \* \*

17 (2) adopting rules pursuant to 3 V.S.A. chapter 25 pertaining to school  
18 construction and capital outlay, including rules to specify a point prioritization  
19 methodology and a bonus incentive structure aligned with the legislative intent  
20 expressed in section 3440 of this title;

19 (iii) the suitability of an existing school building to continue to  
20 meet educational needs; and

21 (iv) statewide educational initiatives.

2 (i)(I) the project or part of the project fulfills a need occasioned

3 by:

4 (aa) conditions that threaten the health or safety of students

5 or employees;

6 (bb) facilities that are inadequate to provide programs

7 required by State or federal law or regulation;

9 building or reliance on fossil fuels or electric space heat; or

10 (dd) deterioration of an existing building; or

11 (II) the project results in consolidation of two or more school

12 buildings and will serve the educational needs of students in a more cost-

13 effective and educationally appropriate manner as compared to individual

14 projects constructed separately;

1 the Agency or, if the applicant is a newly formed school district, the applicant  
2 will achieve the level of “proficiency” in the school district quality standards  
3 regarding facilities management adopted by rule by the Agency at its initial  
4 performance evaluation under the school district quality standards; and

5 (v) the applicant has completed a facilities master planning  
6 process that:

7 (I) engages robust community involvement;

8 (II) considers regional solutions;

9 (III) evaluates environmental contaminants; and

10 (IV) produces a facilities master plan that unites the applicant’s  
11 vision statement, educational needs, enrollment projections, renovation needs,  
12 and construction projects.

13 (3) Priorities. Following approval of a preliminary application ~~and~~  
14 ~~provided that the district has voted funds or authorized a bond for the total~~  
15 ~~estimated cost of a project~~, the Agency, with the advice of the State Aid for  
16 School Construction Advisory Board, shall assign points to the project as  
17 prescribed by rule of the Agency so that the project can be placed on a priority  
18 list based on the number of points received.

19 (4) Request for legislative appropriation. The Agency shall submit its  
20 annual school construction funding request to the Governor as part of its  
21 budget pursuant to subdivision 212(21) of this title and shall clearly identify

1 those projects contemplated under subsection 3440(b) of this chapter for  
2 funding through State bonding. Following submission of the Governor’s  
3 recommended budget to the General Assembly pursuant to 32 V.S.A. § 306  
4 and submission of the Governor’s recommended capital budget to the General  
5 Assembly pursuant to 32 V.S.A. § 309, the House ~~Committee~~ Committees on  
6 Education and on Ways and Means and the Senate ~~Committee~~ Committees on  
7 Education and on Finance shall recommend a total school construction  
8 appropriation for the next fiscal year to the General Assembly for inclusion in  
9 the education payment under subsection 4011(a) of this title.

10 (5) Final approval for construction aid.

11 (A) Unless approved by the Secretary for good cause in advance of  
12 commencement of construction, a school district shall not begin construction  
13 before the Secretary approves a final application. A school district may submit  
14 a written final application to the Secretary at any time following approval of a  
15 preliminary application.

7 includes a requirement that the design and construction of playground  
8 equipment follow the guidelines set forth in the U.S. Consumer Product Safety  
9 Commission Handbook for Public Playground Safety; and

10                  (vii) if the total estimated cost of the proposed project is less than  
11 \$50,000.00, no performance bond or irrevocable letter of credit shall be  
12 required.

13                  (C) The Secretary may provide that a grant for a high school project  
14 is conditioned upon the agreement of the recipient to provide high school  
15 instruction for any high school pupil living in an area prescribed by the Agency  
16 who may elect to attend the school.

17                  (D) A district may begin construction upon receipt of final approval.  
18 However, a district shall not be reimbursed for debt incurred due to borrowing  
19 of funds in anticipation of aid under this section.

15 ~~total cost of the project.~~

16           (C) The Treasurer, in consultation with the Capital Debt  
17 Affordability Advisory Committee (CDAAC), shall recommend to the House
