S.142 – An act relating to a pathway to licensure for internationally trained physicians and medical graduates

As Recommended by the House Committee on Health Care, Draft 1.1¹

The bill proposes to establish a pathway to licensure for internationally trained physicians. The title of the bill will also be amended after passage of the bill to read: “An act relating to a pathway to licensure for internationally trained physicians.”

Fiscal Impact

The bill as recommended by the House Committee on Health Care would require the Department of Health in collaboration with the Board of Medical Practice to detail the resources needed to implement the program. However, no appropriation would be needed in Fiscal Year 2027.
