

14 053 001. Rules Relating to the Closure of State Highways

RULES RELATING TO THE CLOSURE OF STATE HIGHWAYS

1. Pursuant to 23 V.S.A. §1006a, when the Traffic Committee finds that the health, safety, or welfare of the public requires that certain portions of the state highway system be closed to public travel, the Committee, at the recommendation of the District Transportation Administrator of the Vermont Agency of Transportation within whose District the highway in question is located, may open and close said highways. The public shall be notified through the means determined to be appropriate.

2. The Traffic Committee hereby delegates the authority to close portions of the state highway system to the District Transportation Administrators of the Vermont Agency of Transportation. In the event that a closure occurs, the individual authorizing such closure shall, within 24 hours, make a written report to the Traffic Management Center setting forth the circumstances requiring the closing.
