

To: Legislative Committee on Administrative Rules (LCAR)  
From: Ian Degutis, Traffic Committee Coordinator  
*on behalf of:* Vermont Traffic Committee  
Date: December 22, 2025  
Subject: Revisions to APA Filing Forms for 25P020

Dear Clerk,

The Traffic Committee approved technical revisions to the rule submitted previously in their regularly scheduled meeting on December 10, 2025.

The proposed revisions are as follows:

**25-P020:**

At the suggestion of Damiel Leonard, attorney for the Legislative Committee on Administrative Rules, the words “regulation” and “regulations” were replaced with “rule” and “rules” throughout the rule for consistency with current practice. The list of members making up the Traffic Committee was removed from Part C to eliminate the need to amend the rule if the statute is ever amended changing the Committee’s membership. These changes were presented to LCAR at the December 3<sup>th</sup> 2025 meeting.

At the request of the Traffic Committee, Section and Article numbering was returned throughout the document; while its removal was intended to clean up and streamline the document, the Committee felt that leaving the Section and Article numbering throughout could help Law Enforcement officers be more accurate and efficient when referencing the Rule and issuing citations against it.

Sincerely,

Ian Degutis, PE PTOE, Traffic Committee Coordinator

*Authorized by the Vermont Traffic Committee to advance these administrative rules on their behalf in the meeting of June 11, 2025*
