

1 TO THE HONORABLE SENATE:

2 The Committee on Health and Welfare to which was referred House Bill
3 No. 938 entitled “An act relating to establishing the Vermont Homelessness
4 Response Continuum” respectfully reports that it has considered the same and
5 recommends that the Senate propose to the House that the bill be amended by
6 striking out all after the enacting clause and inserting in lieu thereof the
7 following:

8 * * * Findings, Legislative Intent, and Purpose * * *

9 Sec. 1. FINDINGS

10 The General Assembly finds that:

11 (1) although an imperfect tool for measuring the true number of
12 unhoused Vermonters, the Vermont Homeless Management Information
13 System as of December 2025 indicated that there were 4,022 individuals who
14 were homeless in the State, 863 of whom were children under 18 years of age;
15 and

16 (2) the 2024 Vermont Housing Needs Assessment notes that of the
17 36,000 primary homes needed in Vermont between 2025 and 2029, the number
18 needed to address homelessness is 3,295.

19 Sec. 2. LEGISLATIVE INTENT

20 It is the intent of the General Assembly that:

1 (1) unsheltered homelessness be eliminated and that homelessness in
2 Vermont be rare, brief, and nonrecurring;

3 (2) Vermont reduce reliance on the inefficient use of hotel and motel
4 rooms for emergency housing;

5 (3) utilization of an emergency housing benefit to access hotels and
6 motels through the General Assistance program end and be replaced by a
7 continuum of services; and

8 (4) a continuum of supports and services be available and administered
9 flexibly in a manner that:

10 (A) provides a stable pathway to permanent housing;

11 (B) meets the specific needs of households experiencing
12 homelessness; and

13 (C) supports community partners.

14 Sec. 3. PURPOSE

15 It is the purpose of this act to:

16 (1) establish a continuum of supports and services for households who
17 are experiencing homelessness or who are at risk of experiencing
18 homelessness;

19 (2) ensure that tailored, temporary emergency housing assistance is
20 available to Vermonters in a manner that encourages efficient and accountable
21 use of taxpayer funds;

1 (3) support self-sufficiency and reduce returns to homelessness by
2 developing personalized housing plans with required participation by
3 households;

4 (4) establish clear eligibility criteria and require active household
5 participation;

6 (5) expand the use of alternative emergency housing models in
7 partnership with municipalities, nonprofit community-based providers, and
8 private landlords;

9 (6) integrate supportive services to assist households to achieve
10 permanent housing stability;

11 (7) establish transparent accountability measures, reporting
12 requirements, and oversight mechanisms;

13 (8) increase Program efficiency and promote maximum flexibility in
14 administering services and supports in the continuum;

15 (9) empower local communities to administer emergency housing
16 services with maximum flexibility; and

17 (10) create a diversified system of emergency housing options,
18 including shelters, specialized shelters, shared housing arrangements, host-
19 home models, master-lease units, and rapid rehousing placements, that provide
20 cost-effective, sustainable, and supportive outcomes to households.

6 § 2202. ESTABLISHMENT; VERMONT HOMELESSNESS RESPONSE

7 CONTINUUM

8 (a) The Vermont Homelessness Response Continuum is established to
9 create an array of services that prevent and address homelessness in Vermont.
10 The Program shall be administered by the Department’s Office of Economic
11 Opportunity.

12 (b) The Office shall maintain a continuum of services that is flexible,
13 housing focused, and designed to prevent homelessness whenever possible.
14 The continuum shall prioritize early intervention, rapid resolution of housing
15 crises, and equitable access to emergency and permanent housing.

16 (c) The Program shall:

17 (1) provide temporary emergency housing to eligible households
18 experiencing homelessness or at imminent risk of homelessness;

19 (2) reduce reliance on hotels and motels for emergency housing
20 assistance;

1 (3) expand the use of alternative housing options in partnership with
2 community organizations, municipalities, and private landlords;

3 (4) integrate case management and individualized housing plans into
4 all emergency housing placements; and

5 (5) ensure accountability, transparency, and cost efficiency in the use
6 of public funds.

7 (d) All funding opportunities available under the Program shall be open to
8 any entity or community partner, including those that did not previously
9 receive funding.

10 § 2203. PROGRAM COMPONENTS

11 (a) The continuum of services shall consist of the following:

12 (1) level 1: prevention and diversion services;

13 (2) level 2: shelter services:

14 (A) level 2A: highly structured shelter services; and

15 (B) level 2B: low-barrier shelter services;

16 (3) level 3: specialized shelter services;

17 (4) level 4: hotels and motels;

18 (5) permanent supportive housing services; and

19 (6) other emergency housing services.

20 (b) The Office shall address each of the services in subsection (a) of this
21 section by separate line items in its budget. The Department shall be

1 responsible for any transfers to other Agency of Human Services departments
2 necessary to implement the services listed in subsection (a) of this section.

3 The Department and other departments within the Agency of Human Services
4 shall maximize federal receipts, as applicable, for services listed in subsection
5 (a) of this section.

6 (c) Upon assessing a household’s needs, the Office or community partners
7 shall offer to place the household in the appropriate level of care to address the
8 household’s specific needs if capacity, staffing, and geographic accessibility
9 are available.

10 § 2204. PREVENTION AND DIVERSION SERVICES

11 Level 1: prevention and diversion services.

12 (1) Prevention and diversion services shall function as the primary entry
13 point to the Vermont Homelessness Response Continuum for all households,
14 although connection may be made at any level. The Office shall ensure that
15 prevention and diversion services are provided through an agreement with one
16 or more community partners in each region of the State in a manner that
17 accommodates an eligible household’s disability, if any. All households, upon
18 request for assistance, shall receive a brief, standardized initial prevention and
19 diversion assessment to identify safe alternatives to homelessness and resolve
20 immediate housing barriers.

1 (2) Prevention includes activities to avert entry into homelessness.

2 Diversion includes problem-solving interventions and supports that safely
3 resolve a housing crisis without the use of shelter or hotel or motel placements.

4 (3) Funds administered for prevention and diversion services shall have
5 maximum flexibility.

6 § 2205. SHELTER SERVICES

7 (a) Level 2A: highly structured shelter services.

8 (1) To the extent funds are appropriated for this purpose, the Office shall
9 determine the need for highly structured shelter services and develop sufficient
10 highly structured shelter beds to address that need. The Department through
11 the Office shall enter into agreements for a period of not less than two years at
12 a time with community partners for the provision of highly structured shelter
13 services.

14 (2) Highly structured shelters shall offer programming that emphasizes
15 case management, housing stability, employment, education, or treatment
16 services, as well as other services as appropriate, in a manner that
17 accommodates an eligible household's disability, if any. Eligible households
18 receiving highly structured shelter services shall participate in case
19 management and other services to the extent of their ability.

1 (3) The Office shall ensure that highly structured shelter services meet
2 the Department of Public Safety, Vermont Fire and Building Safety Code
3 (CVR 28-070-001).

4 (4) If an eligible household’s needs cannot be met with the level 1
5 prevention and diversion services in section 2204 of this chapter, highly
6 structured shelter services are the preferred initial placement if capacity,
7 staffing, and geographic accessibility are available.

8 (b) Level 2B: low-barrier shelter services.

9 (1) To the extent funds are appropriated for this purpose, the Office shall
10 determine the need for low-barrier shelter services and develop sufficient low-
11 barrier shelters to address that need. The Department through the Office shall
12 enter into agreements for a period of not less than two years at a time with
13 community partners for the provision of low-barrier shelter services.

14 (2) Low-barrier shelters shall minimize barriers to entry by reducing the
15 rules and programmatic requirements found in highly structured shelters, while
16 still providing case management and other housing support services in a
17 manner that accommodates an eligible household’s disability, if any. Stays in
18 low-barrier shelters shall be time limited, and eligible households shall be
19 transitioned to highly structured shelter services or permanent housing as soon
20 as feasible.

1 (3) The Office shall ensure that low-barrier shelter services meet the
2 Department of Public Safety, Vermont Fire and Building Safety Code (CVR
3 28-070-001).

4 (4) If an eligible household’s needs cannot be met with the level 1
5 prevention and diversion services in section 2204 of this chapter or the highly
6 structured shelter services in subsection (a) of this section, low-barrier shelter
7 services may be utilized if capacity, staffing, and geographic accessibility are
8 available.

9 § 2206. SPECIALIZED SHELTER SERVICES

10 Level 3: specialized shelter services.

11 (1) To the extent funds are appropriated for this purpose:

12 (A) the relevant Agency of Human Services departments shall
13 determine the need for and, to the extent funds permit, develop specialized
14 shelter services that comply with the Department of Public Safety, Vermont
15 Fire and Building Safety Code (CVR 28-070-001), as well as any other
16 applicable standards relevant to the specialty population; and

17 (B) the relevant Agency of Human Services departments shall enter
18 into agreements for a period of not less than two years at a time with
19 community partners for the provision of specialized shelter services.

20 (2) Specialized service shelters shall offer services delivered in a highly
21 structured shelter as well as additional specialty services, such as services for

1 substance use disorder and mental and physical health conditions. Eligible
2 households receiving specialized shelter services shall participate in case
3 management and other services to the extent of their ability.

4 (3) If an eligible household’s needs cannot be met with the level 1
5 prevention and diversion services in section 2204 of this chapter or the level 2
6 shelter services in section 2205 of this chapter, a specialized service shelter
7 may be utilized if capacity, staffing, and geographic accessibility are available
8 and the eligible household requires specialized services.

9 § 2207. HOTELS AND MOTELS

10 Level 4: hotels and motels.

11 (1) It is the intent of the General Assembly to decrease reliance on hotel
12 and motel rooms. However, until sufficient permanent affordable housing or
13 shelter services are available, the use of hotel and motel services shall be
14 permitted.

15 (2) If a hotel or motel is utilized pursuant to this section, the Department
16 shall:

17 (A) enter into an agreement with one or more community partners to
18 provide relevant supportive services to eligible households;

19 (B) permit a population-specific placement to the extent certain
20 populations are not isolated from the wider community served through the
21 Program;

1 (C) propose hotel and motel rates as part of its budget presentation
2 for the General Assembly’s consideration;

3 (D) use only hotel and motel rates established by the General
4 Assembly;

5 (E) enter into agreements for the use of blocks of hotel and motel
6 rooms and negotiate conditions of use for those blocks, including access to
7 providers of case management and other supportive services, with space to
8 provide services as negotiated; and

9 (F) ensure that services are not provided pursuant to this section on a
10 night-by-night basis.

11 (3) If a hotel or motel is utilized pursuant to this section, the eligible
12 household shall participate in case management services, planning for housing
13 stability, and other services to the extent of the eligible household’s ability.

14 (4) A hotel or motel used pursuant to this chapter shall comply with
15 Program rules and the following rules:

16 (A) Department of Health, Licensed Lodging Establishment Rule
17 (CVR 13-140-023); and

18 (B) Department of Public Safety, Vermont Fire and Building Safety
19 Code (CVR 28-070-001).

20 (5)(A) To the extent funds are appropriated for this purpose:

1 (i) between April 1 and November 30 of each year, the utilization
2 of hotel and motel rooms pursuant to this section shall be capped at 700 rooms
3 per night; and

4 (ii) between December 1 and March 31 of each year, the
5 utilization of hotel and motel rooms pursuant to this section shall be capped at
6 1,000 rooms per night.

7 (B) Hotel and motel rooms utilized by individuals served under
8 section 602 of this title shall not be included in the room caps provided in this
9 subdivision (5).

10 (6) If an eligible household’s needs cannot be met by levels 1–3 of the
11 Program as described in sections 2204–2206 of this chapter, the Office may
12 utilize hotels and motels if capacity, staffing, and geographic accessibility are
13 available.

14 § 2208. PERMANENT SUPPORTIVE HOUSING SERVICES

15 The Agency of Human Services’ departments or their community partners
16 shall provide permanent supportive housing services to an eligible household
17 participating in the Program. Permanent supportive housing services provided
18 pursuant to this section shall combine long-term, community-based rental
19 assistance with voluntary, flexible supportive services, such as family
20 supportive housing and other supportive housing services funded in whole or
21 in part by Medicaid, if the household and services are eligible for Medicaid.

1 An eligible household receiving permanent supportive housing services shall
2 participate in case management, planning for housing stability, and other
3 services to the extent of the eligible household’s ability. Permanent supportive
4 housing services may be utilized by an eligible household for as long as the
5 eligible household’s plan indicates it is necessary.

6 § 2209. OTHER EMERGENCY HOUSING SERVICES

7 (a) Municipal supports. The Department through the Office shall provide
8 grants to municipalities in areas of the State with a high volume of unsheltered
9 homelessness, including municipalities underserved by traditional funding
10 sources. An eligible municipality may submit to the Office a grant application
11 containing the estimated cost of the municipality’s proposal and other
12 identified funding sources. The use of grant funding awarded pursuant to this
13 subsection is at the discretion of the municipality and shall include the
14 provision of basic life-sustaining shelter when the National Weather Service
15 declares a cold weather advisory. Shelter provided pursuant to this subsection
16 shall be time limited, shall not require a coordinated entry assessment or case
17 management, and shall have minimal data reporting requirements.

18 (b) Emergency cold-weather shelters. Emergency cold-weather shelters
19 shall be managed through an agreement between the Office and one or more
20 community partners to provide overnight, low-barrier shelter when weather
21 conditions warrant. The Office and community partners shall ensure equitable

1 access to emergency cold-weather shelters for communities with a high
2 number of households experiencing unsheltered homelessness. Shelter
3 provided pursuant to this subsection shall be time limited, shall not require a
4 coordinated entry assessment or case management, and shall have minimal
5 data reporting requirements.

6 (c) Alternative Agency of Human Services housing solutions. The Agency
7 of Human Services, through its various departments, provides households with
8 other time-limited or permanent housing. Such services include recovery
9 housing, various residential supports for individuals with intellectual or
10 developmental disabilities, home care services for older Vermonters and
11 individuals with physical disabilities, transitional housing for individuals
12 exiting correctional custody, and residential options for individuals with
13 mental health challenges. Emergency housing provided through the Program
14 is not intended to take the place of any other Agency of Human Services time-
15 limited or permanent housing.

16 § 2210. HOUSEHOLD RESPONSIBILITIES

17 (a) Within the funds appropriated for this purpose, a household shall
18 qualify for services under the Program if the household:

19 (1) is physically present and intends to reside in Vermont as evidenced
20 by active participation in a housing, employment, or other Agency of Human
21 Services–recognized plan;

1 (2) agrees to a coordinated entry assessment that prioritizes the
2 household for permanent housing, unless explicitly exempt under this chapter;

3 (3) agrees to engage with a case manager to develop a housing plan,
4 unless explicitly exempt from case management requirements under this
5 chapter or by federal law; and

6 (4) abides by Program rules and refrains from misconduct.

7 (b)(1) The Office or a community partner shall provide clear written notice
8 to all applicants regarding penalties for fraud at the time of application.

9 (2) The Office or a community partner shall not impose a penalty upon a
10 household for a good faith, immaterial error that was corrected upon notice
11 within a reasonable period of time.

12 (3) A household that knowingly provides false, misleading, or
13 incomplete information regarding residency, disability status, household
14 composition, or other eligibility criteria shall be subject to termination of
15 services within 30 days after receiving written notice from the Department or a
16 community partner.

17 (4) Pending the outcome of a relevant Human Services Board hearing,
18 the Office may refer cases of suspected fraud to the Office of the Attorney
19 General or a State’s Attorney for investigation and prosecution under
20 applicable State law.

1 (c) A household may be terminated from the Program for repeatedly
2 refusing suitable placements following documented suitability assessments and
3 reasonable accommodations.

4 (d) A member or members of an eligible household may be subject to
5 immediate termination of services as necessary for the safety of others if the
6 member or members are engaged in:

7 (1) criminal activity; or

8 (2) misconduct that is not related to a disability or to victimization
9 related to abuse, sexual assault, or stalking.

10 (e) As used in this section, “misconduct” means documented behaviors that
11 materially endanger the safety of others, involve the intentional destruction of
12 property, or constitute illegal activity.

13 § 2211. PRIORITIZATION

14 (a) The Office, either directly or through community partners, shall
15 prioritize services within the funds appropriated for this purpose to eligible
16 households who are homeless or at risk of becoming homeless and have a
17 member who:

18 (1) is 65 years of age or older;

19 (2) has a disability;

20 (3) is a minor child;

21 (4) is pregnant;

1 (5) is experiencing domestic violence, dating violence, sexual assault,
2 stalking, human trafficking, or other dangerous or life-threatening conditions;

3 or

4 (6) is under court-ordered eviction or constructive eviction due to
5 circumstances over which the household has no control.

6 (b)(1) Proof of an eligible household’s disability shall be verified by:

7 (A) a health care provider licensed or certified and practicing in
8 Vermont;

9 (B) a determination or certification from a State- or federally
10 recognized agency or program that provides services to individuals with
11 disabilities; or

12 (C) self-attestation by the eligible household, subject to verification
13 by the State or community partner within 30 days when other documentation is
14 not reasonably available at the time of application.

15 (2) The presence of an eligible household member’s disability shall be
16 verified by the Office or a community partner during the household’s initial
17 application process and shall be redetermined annually if the household is still
18 receiving services. An eligible household with a member who has a lifelong
19 disability, such as an intellectual or developmental disability, shall not be
20 required to have the disability redetermined.

1 (c) The Office and community partners shall comply with the Americans
2 with Disabilities Act, 42 U.S.C. § 12101–12213, and section 504 of the
3 Rehabilitation Act of 1973, 29 U.S.C. § 794, for the purposes of providing
4 reasonable modifications, effective communication, and accessible placements.
5 Program rules and case management requirements shall be reasonably
6 modified, including with the use of plain language, as necessary to avoid
7 discrimination against eligible households with a member who has a disability.

8 § 2212. TIME LIMITS FOR PROGRAM PARTICIPATION

9 (a) Time limits for Program participation shall be governed by the level of
10 service provided as follows:

11 (1) Level 1: Any temporary housing that is not provided in the form of
12 temporary rental assistance through the Program’s prevention and diversion
13 services shall not exceed 30 days per rolling 12-month period.

14 (2) Level 2: The Office, in collaboration with shelter providers, shall
15 establish the maximum length of stay in highly structured shelters and low-
16 barrier shelters in rule or shelter standards.

17 (3) Level 3: The Department, in collaboration with other relevant
18 Agency of Human Services departments, shall establish the maximum length
19 of stay in specialized shelters in rule or shelter standards.

1 (4) Level 4: Hotels and motels:

2 (A) Between April 1 and November 30 of each year, eligible
3 households may receive housing at hotels and motels with supportive services
4 for not more than 70 days per rolling 12-month period as calculated from the
5 date of the eligible household’s application through the same day of the month
6 12 months later.

7 (B) Between December 1 and March 31 of each year, eligible
8 households may receive continuous services in cold-weather-use hotels and
9 motels, which shall not be applied toward the time limit established in
10 subdivision (A) of this subdivision (4).

11 (b) The Department may grant extensions to the time limits established in
12 subsection (a) of this section pursuant to criteria adopted in rule, including for:

13 (1) an eligible household actively awaiting a placement in housing,
14 treatment, or other services;

15 (2) medical necessity;

16 (3) lack of reasonable alternative accessible placements for a member of
17 the eligible household with a disability; and

18 (4) imminent risk to the health or safety of one or more of the eligible
19 household’s members.

1 § 2213. CASE MANAGEMENT SERVICES

2 Each eligible household shall be assigned a case manager, except where
3 specifically exempted for certain services, which may be from any Agency of
4 Human Services department or a community partner. Case management
5 services provided pursuant to this chapter shall be informed by the acuity level
6 of the eligible household and include individualized supports that connect an
7 eligible household to public assistance, health care, employment, permanent
8 housing, and other services. A household may request, but is not guaranteed, a
9 specific case manager or change in case manager.

10 § 2214. NEEDS ASSESSMENT

11 The Office and community partners shall provide advice and consultation to
12 the Department of Housing and Community Development in its completion of
13 a needs assessment that identifies gaps in services for households that are
14 homeless in the State and includes recommendations to ensure the provision of
15 equitable services throughout the State.

16 § 2215. NOTICE; APPEALS; RIGHT TO FAIR HEARING

17 (a) The Office or a community partner shall provide written notice to any
18 applicant or household whose participation in the Program is denied, reduced,
19 suspended, or terminated. Notice shall include:

20 (1) the specific factual and legal basis for the Office or community
21 partner's decision;

1 (2) the effective date of the action, which in the case of termination,
2 reduction, or suspension of services shall provide timely written notice by
3 email or U.S. mail;
