The Committee would be charged with studying and submitting a written report to legislative committees concerning recommendations for creating an independent Office of New Americans. The Committee would have the administrative, technical, and legal assistance of AHS. The first meeting of the Committee would be required to be called on or before September 1, 2025, and the report would be required to be submitted on or before September 1, 2026. The Committee would cease to exist on the earlier of September 1, 2026 or the date that the Committee submits its written report.

Fiscal Impact

Members of the Committee would be entitled to per diem compensation and reimbursement of expenses as permitted under 32 V.S.A. § 1010 for not more than 10 meetings. These payments would be made from monies appropriated to AHS. These costs would average approximately \$124 per member per meeting. If five members are eligible for reimbursement for 10 meetings, the total cost would be approximately \$6,200. This cost may be due in both fiscal years 2026 and 2027 depending on the timeframe of the Committee's work.

For attendance at meetings when the General Assembly is not in session, a legislative member of the Committee would be entitled to per diem compensation and reimbursement of expenses for not more than 10 meetings. These payments would be made from monies appropriated to the General Assembly. The bill, as recommended by the Senate Committee on Government Operations, proposes no legislative members but there is a possibility that a legislative member could be appointed if they fit the membership criteria set forth in the bill. If a legislator is appointed to the Committee, the cost would be approximately \$250 per legislator per meeting.
