Deployed Personnel

Vermont Air National Guard

Functions Performed by the Military Department:

The Military Department's budget consists of 5 Major Programs that support the Vermont National Guard (VTNG): Administration, Air Services, Army Services, Building Maintenance, and Veterans Affairs. Listed below is the state support to our core mission:

1. Provide command and control for the Vermont National Guard to insure it is prepared to respond to State and Federal activation.
2. Provide an alternate Emergency Operations Center, personnel and equipment support for Vermont emergencies.
3. Provide security for 4 VTNG facilities (Ethan Allen Firing Range, Camp Johnson, Army Aviation Support Facility, and Vermont Air National Guard), and firefighter support to the Burlington International Airport and surrounding communities.
4. Provide support services to Vermont Veterans.
5. Provide STEM education opportunities to Vermont children through the STARBASE program.
6. Maintain VTNG buildings and property; to include 21 state and federally owned armories and roughly 12,000 acres throughout the State.
7. Provide engineering, environmental and energy efficiency oversight.
8. Administer contracting services to VTNG.
9. During State Fiscal Year 2025, the Military Department employs 166 personnel, 147 receive some level of Federal support, 2 are partially supported with special funds, and only 17 are 100% State Funded.
10. During Federal Fiscal Year 2024, the VTNG employed approximately 905 full-time personnel and 2,218 part-time personnel, totaling \$136M in federal payroll. Total VTNG spending was \$205M federal dollars in pay and Operations & Maintenance. Additionally, Military Construction spending totaled \$3.5M.

Performance Measures:

The Military Department's performance is measured by the ability of the VT National Guard to accomplish its state and federal missions. The VTNG Joint Leadership Council has established three (3) strategic goals for the total VTNG. Those goals are:

1. Ready: Increase forces available to achieve state and federal missions
2. Reliable: Enhance our professional workforce's capability to support state and federal missions
3. Relevant: Seek emerging missions for which we are uniquely suited

Progress towards accomplishing these goals is measured by the VTNG strategic planning office, based on performance standards established and assessed by Army and Air Guard leadership. To meet the TAG's objectives, we provide facilities, ranges and airfield readiness.

Performance Management Outcomes:

The Military Department submitted four items as part of the Evidence-Based Performance Accountability process:

(1) Energy Management

This is an ongoing priority for the Vermont National Guard and the Military Department. Although the department has gained nearly 300K square feet of Army facility space over the last several years, energy usage has remained nearly level. This is attributed to maximizing the federal match to upgrade heating systems to include geo-thermal and natural gas, upgrading electrical systems to incorporate solar power, and converting lighting to LED, as well as upgrading facilities with new insulation, windows, and doors. In the last year alone, roughly 20 facilities at the Ethan Allen Firing Range in Jericho were converted from propane to natural gas to provide more efficient heating systems across campus. Additionally, all new construction meets Leadership in Energy and Environmental Design (LEED) standards.

(2) State Veterans Service Officers (VSO):

State VSOs are part of the Office of Veterans Affairs. Their function is to provide outreach to over 40,000 veterans currently living in Vermont and to advocate on their behalf regarding benefit claims to the federal government. They also conduct workshops for veterans and veterans’ groups to connect them to available resources. As represented in performance measures, they are doing great work helping veterans receive their benefits which in-turn reduces hardships to our veterans. They average 670 caseloads and over \$7M of recovered federal benefits per year. As the Office of Veteran Affairs fills the remaining VSO positions, the Department will be in an even better position to serve and assist Vermont Veterans.

(3) Joint Enlistment Enhancement Program (JEEP):

During Fiscal Year 2021 the Military Department introduced a new program to incentivize guardsmen to engage in the recruiting process by supporting the enlistment of Soldiers and Airmen into the Vermont National Guard. Eligible participants that provide a lead to the VTNG recruiting office will receive a \$1,000 incentive payment once their referral enlists into the VTNG. Since inception there have been 271 total enlistments through this program, 152 to the Army Guard and 119 to the Air Guard. Programed into the Administration budget for FY26 is \$65,000 toward this recruiting incentive program, which could directly result in 65 new enlistments into the Vermont National Guard.

(4) Vermont National Guard Tuition Benefit Program:

This program was established in 2018 with a goal to recruit and retain high-quality VTNG members. The Tuition Benefit Program covers tuition costs for active Guard members when they complete specific VTNG service obligations outlined by the program. In general, members must complete 2 years of service in the VTNG for each full academic year paid for through this program. The tuition benefit remains an essential tool for building and retaining a strong and capable force.

In the last two years, the program was expanded to include 2nd bachelor’s and master’s degree programs. In the second year since this change took effect, 2 students were enrolled in second bachelor's and 18 students were enrolled in master’s degree programs.

Federal Funding:

Federal funding is provided to the Military Department through Master Cooperative Agreements (MCAs) with the National Guard Bureau to accomplish the various programs mentioned above. The state currently maintains 16 federal awards annually within the MCA, many of which are funded with 100% federal dollars, while others such as the Air and Army Facilities Programs are funded with a combination of state and federal dollars. In addition to these annual awards, there are currently 11 major military construction (MILCON) projects under design which will bring \$137M in federal MILCON funds into the state over the next several years.

Total Military Department spending in FY24 was \$46M: \$37M of Federal Funds, \$7.7M General Funds, \$1.2M Capital Construction, and \$265K Special Funds. Spending on annual military operations alone totaled \$42M, of which \$37M was federally reimbursable, leaving the state with \$5M or about 12% of the total cost. This represents more than \$7 of federal reimbursement for every \$1 of State Funds spent. Additionally, the department was able to utilize over \$1M from the sale of multiple facilities to purchase a 40-acre plot of land in Swanton, which will be home to a new Northwest Regional Readiness Center in the coming years.

Grants:

Several grants are administered by the Military Department through legislative language:

- Under E.215 - \$1.319M of General Fund will go to VSAC for scholarships to support the Vermont National Guard Tuition Benefit Program.
- Under E.219 - In the Veterans Affairs division, Fiscal Year 2025 appropriates \$7,500 for the Veterans Day Boy Scouts parade; \$10,000 to the American Legion in support of VT Boys and Girls State.

While not included in the annual budget requests, the Military Department administers Vermont Veterans Funds grants in support of veteran support organizations throughout the state. The VT Veterans fund is entirely funded through donations, and we are typically able to grant \$70-100K in grants each fiscal year to organizations that support our state's veterans. Donations are received throughout the fiscal year in this special fund and budget authority is provided by Excess Receipt Request once grant applications have been reviewed.

FY26 Budget Development Form:

In FY2026 the Military Department requests a General Fund budget of \$7,103,522, which represents an increase of \$306,482 from FY25. This includes a 3% increase across the board, in addition to allotted GF increases for payroll benefits and Internal Service Funds. A summary of the significant changes in each appropriation are described below.

(1) Administration - 2150010000

Budget Summary

	General Fund	Change from FY25
Pay & Benefits	1,071,927	76,831
Other Personal Svc	70,673	9,622
Operations (\$738K is for Internal Service Funds)	810,661	34,309
<i>Vermont National Guard Tuition Benefit Program</i>	<i>1,319,834</i>	<i>0</i>
Total	3,273,095	120,762

Key Components:

7 Positions (4 exempt), Internal Service Funds, Vermont National Guard Tuition Benefit Program, Joint Enlistment Enhancement Program (JEEP) (recruiting incentives program).

Summary of Significant Changes:

- Salary and benefits increase \$76,831. All positions under this appropriation are 100% state funded, therefore any personnel and benefit changes have a significant impact on this budget.
- Other personal services increase includes an additional \$10K for JEEP, bringing the program up to \$65,000 total. This incentive program is hugely beneficial to the recruiting and retention efforts of the Guard, and this funding will directly result in putting 65 new Soldiers or Airmen into the VTNG.
- Another program essential for recruiting purposes is the Tuition Benefit Program, which was used by over one hundred guardsmen in the past academic year. At the continued base budget of \$1.3M, there are no proposed changes for the Tuition Benefit Program in FY26.

(2) Air Service Contracts - 2150020000

Budget Summary

	Federal Fund	General Fund	Change from FY25
Pay & Benefits	7,447,655	469,516	63,822
Other Personal Svc	3,857,581	56,429	-9,574
Operations	1,134,552	292,541	-11,021
Total	12,439,788	818,486	43,227

Key Components:

Vermont Air National Guard Facilities Operations & Maintenance, Environmental Program, Force Protection, Fire Protection, STARBASE, and Facilities Sustainment, Restoration & Modernization Program. The General Fund portion represents the 25% state match for the Facilities and Environmental Programs.

Summary of Significant Changes

- Payroll changes have had the most significant impact on the FY26 budget. All Military Department maintenance positions underwent a class action reclassification during FY24 resulting in 1-3 pay grade increases for 13 positions. This in addition to the 4.5% COLA, step increases, and benefit increases create a \$63K growth in pay and benefits from the FY25 base budget.
- Personal Services see a minor decline due to an increased federal contribution for one position. A three-year waiver was approved by the National Guard Bureau to fund this position at 100%, saving the state roughly \$13K per year.
- We are nearing a steady state for operating costs following the transition of the federal contribution for the facilities program from 80% to 75%. Utilities are leveling out, and we were able to create savings by reducing costs for custodial services and vehicle & maintenance equipment.
- Federal Personal services continue to increase due to the growth of a new appendix in the Master Cooperative Agreement. This program will fund Sustainment, Restoration and Modernization projects at Air National Guard facilities with 100% Federal funds. Spending is entirely dependent on when federal dollars become available for construction projects and may fluctuate from year to year. Additionally, design work is beginning for a \$14M Cyber Operations Squadron Building at the Air National Guard. The Department expects to see an increase in MILCON awards from the Air Guard in the coming years as federal contracting becomes more of a challenge for the Guard.

(3) Army Service Contracts - 2150030000

Budget Summary:

	Federal Fund*
Pay & Benefits	7,332,952
Other Personal Svc	43,910,639
Operations	8,227,725
Total	59,471,316

Key Components:

VT Army National Guard Facilities Program, Environmental Program, Training Support Systems, Force Protection, Electronic Security Systems, IT Support, Antiterrorism Program, Administrative Services, Distance Learning, and Military Construction Projects. (*Note – state match for this appropriation is found in 2150040000 Building Maintenance)

Summary of Significant Changes:

- In addition to the standard operating programs under the Master Cooperative Agreement, the Department has an unprecedented number of ongoing Major Military Construction projects currently under design. Construction awards will occur as federal funds become available. In FY26, we anticipate awarding anywhere from \$30-60M of these projects, the remainder will be awarded over the next several years. All project currently programed are 100% federally funded.
 - Lyndon Readiness Center \$19M
 - Family Readiness Center \$4M
 - Biathlon Trail Improvements \$6M
 - EAFR Biathlon Complex \$2M
 - Civil Support Team Readiness Building \$13.8M
 - Castle Trail Bypass/Training Area Roads (EAFR) \$6M
 - Fallen Heroes Memorial Pavilion \$900K
 - Unaccompanied Housing/Northside Cantonment \$36M
 - Range Support/Walker Building \$8M
 - Micro Grid \$15M

(4) Building Maintenance 2150040000

Budget Summary:

	General Fund	Change from FY25
Pay & Benefits	630,243	63,077
Other Personal Svc	213,507	15,853
Operations	908,538	-99,585
Total	1,752,288	-20,655

Key Components:

State match for Army National Guard Facilities Program, including the state share of payroll for 25 employees. Other State funding requirements for Military Department Operations.

Summary of Significant Changes:

- Similar to Air Services, maintenance positions within Building Maintenance also received a class action RFR, reclassifying 11 positions to higher pay grades. The Departments is offsetting some of these increases by reallocating certain positions to higher federal shares depending on their work location and activities.

- Several factors will create savings in operating expenses. In FY25, both the Waterbury and Winooski Armories will be fully disposed of. Roughly 20 facilities have been recently converted from propane to natural gas to provide more efficient heating systems.
- Roughly \$60K of the operating cost savings is due to decreased Property and Commercial Insurance (Internal Service Fund).

(5) Veterans Affairs 2150050000

Budget Summary:

	Federal Fund	Special Fund (Cemetery)	General Fund (OVA)	Change from FY25
Pay & Benefits	105,960	103,647	1,077,731	144,589
Other Personal Svc	225	86,130	8,862	5,474
Operations	14,670	32,940	145,560	14,085
Grants	0	0	27,500	-1,000
Total	120,855	222,717	1,259,653	163,148

Key Components:

11 state funded positions for the Office of Veterans Affairs (includes a Director, six Veterans Service Officers, three Administrative Support staff, and a District Facilities Supervisor). The Special Cemetery Fund is for maintenance and operations of the Vermont Veterans Memorial Cemetery, with funding to sustain this program provided by the Department of Veterans Affairs. Federal dollars fund payroll and expenses for an Education Officer position, who audits compliance with the Post 9/11 GI bill at colleges and universities in Vermont.

Summary of Significant Changes:

- The most significant change to the FY26 budget is pay and benefits. The department was approved for two new Veteran Service Officer positions in FY24, but due to staffing changes and lengthy training requirements, some positions have remained vacant therefore creating savings in the VA Appropriation in FY24-25. We anticipate being fully staffed in FY26. The \$144K increase for Pay & Benefits reflects \$95K for regular increases, in addition to the reduction of FY25 vacancy savings of \$49,000.
- Outside of pay & benefits, there are minimal other increases within the appropriation totaling only \$19K across personal services, operations and grants. Some of those increases include internal service funds and travel for Veteran Service Officers to attend annual training.
