TO: Sen. Andrew Perchlik, Chair, Senate Committee on Appropriations
FROM: Joseph Reinert, Chief Hearing Officer
DATE: January 16, 2026
RE: Human Services Board (HSB) Annual Report
CC: Michael Donohue, Chair, HSB

Pursuant to 3 V.S.A. § 3090(e), please find attached summaries of appeals filed with the HSB and appeal outcomes for calendar years 2023, 2024 and 2025. In addition, we report the following general information:

Year	Total Appeals Received
2023	1049
2024	1112
2025	1463
TOTAL	3624

Please note that these case numbers include a limited number of 3SquaresVT “Intentional Program Violation” hearing requests from the Department for Children and Families, cases that the Board’s hearing officers hear by arrangement with the Department and that are not covered by the Board’s jurisdictional statute. In addition, the outcomes reported cover cases that were withdrawn by the petitioner—with a favorable, unfavorable or unknown outcome—or resolved by a Board order.¹

In 2023, the Board received over 35 percent more appeals compared to 2022 (when 776 appeals were received). This was followed by more appeals filed in 2024 compared to 2023, equating to a 43 percent increase in 2024 appeals compared to

¹ The number of fair hearings requested each year does not represent how many appeals result in a Board order, as many cases are resolved or settled without the need for a final Board order.

2022. In 2025, the Board received 32 percent more appeals compared to 2024, equating to 89 percent more appeals compared to 2022. The increase in 2025 was driven by a precipitous increase in General Assistance emergency housing appeals. Regardless of the reason, the numbers show a persistent and significant increase in our workload over the last 3 years. Managing this caseload is not sustainable with our current level of staffing, which has remained level for several years.

Please do not hesitate to contact me if you have questions or need more information. Thank you.
