10 Sec. E.511.1 MORATORIUM ON APPROVAL OF NEW APPROVED
11 INDEPENDENT SCHOOLS

11 Sec. 2. 16 V.S.A. chapter 35 is added to read:

12 CHAPTER 35. INTERSTATE COMPACT FOR EDUCATION

13 § 1501. PURPOSE AND POLICY—ARTICLE I

14 (a) It is the purpose of this compact to:

15 (1) establish and maintain close cooperation and understanding among
16 executive, legislative, professional educational, and lay leadership on a
17 nationwide basis at the state and local levels;

18 (2) provide a forum for the discussion, development, crystallization, and
19 recommendation of public policy alternatives in the field of education;

20 (3) provide a clearinghouse of information on matters relating to
21 education problems and how they are being met in different places throughout
22 the nation, so that the executive and legislative branches of state government

1 and of local communities may have ready access to the experience and record
2 of the entire country, and so that both lay and professional groups in the field
3 of education may have additional avenues for the sharing of experience and the
4 interchange of ideas in the formation of public policy in education;

5 (4) facilitate the improvement of state and local education systems so
6 that all of them will be able to meet adequate and desirable goals in a society
7 that requires continuous qualitative and quantitative advance in educational
8 opportunities, methods, and facilities.

9 (b) It is the policy of this compact to encourage and promote local and state
10 initiative in the development, maintenance, improvement, and administration
11 of education systems and institutions in a manner that will accord with the
12 needs and advantages of diversity among localities and states.

13 (c) The party states recognize that each of them has an interest in the
14 quality and quantity of education furnished in each of the other states, as well
15 as in the excellence of its own education systems and institutions, because of
16 the highly mobile character of individuals within the nation, and because the
17 products and services contributing to the health, welfare, and economic
18 advancement of each state are supplied in significant part by persons educated
19 in other states.

20 § 1502. STATE DEFINED—ARTICLE II

21 As used in this compact, “state” means a state, territory, or possession of the
22 United States, the District of Columbia, or the Commonwealth of Puerto Rico.

1 § 1503. THE COMMISSION—ARTICLE III

2 (a) The Education Commission of the States, hereinafter called “the
3 Commission,” is hereby established. The Commission shall consist of seven
4 members representing each party state. One of such members shall be the
5 governor; two shall be members of the state legislature selected by its
6 respective houses and serving in such manner as the legislature may determine;
7 and four shall be appointed by and serve at the pleasure of the governor, unless
8 the laws of the state otherwise provide. If the laws of a state prevent
9 legislators from serving on the Commission, six members shall be appointed
10 and serve at the pleasure of the governor, unless the laws of the state otherwise
11 provide. In addition to any other principles or requirements which a state may
12 establish for the appointment and service of its members of the Commission,
13 the guiding principle for the composition of the membership on the
14 Commission from each party state shall be that the members representing such
15 state shall, by virtue of their training, experience, knowledge, or affiliations, be
16 in a position collectively to reflect broadly the interests of the state
17 government, higher education, the state education system, local education, and
18 lay and professional, public and nonpublic educational leadership. Of those
19 appointees, one shall be the head of a state agency or institution, designated by
20 the governor, having responsibility for one or more programs of public
21 education. In addition to the members of the Commission representing the
22 party states, there may be not to exceed 10 nonvoting commissioners selected

1 by the Steering Committee for terms of one year. Such commissioners shall
2 represent leading national organizations of professional educators or persons
3 concerned with educational administration.

4 (b) The members of the Commission shall be entitled to one vote each on
5 the Commission. No action of the Commission shall be binding unless taken
6 at a meeting at which a majority of the total number of votes on the
7 Commission are cast in favor thereof. Action of the Commission shall be only
8 at a meeting at which a majority of the commissioners are present. The
9 Commission shall meet at least once a year. In its bylaws, and subject to such
10 directions and limitations as may be contained therein, the Commission may
11 delegate the exercise of any of its powers to the Steering Committee or the
12 Executive Director, except for the power to approve budgets or requests for
13 appropriations, the power to make policy recommendations pursuant to section
14 1504 of this chapter, and adoption of the annual report pursuant to subsection
15 (j) of this section.

16 (c) The Commission shall have a seal.

17 (d) The Commission shall elect annually, from among its members, a
18 chairman, who shall be a governor; a vice chairman; and a treasurer. The
19 Commission shall provide for the appointment of an Executive Director. Such
20 Executive Director shall serve at the pleasure of the Commission, and together
21 with the Treasurer and such other personnel as the Commission may deem

1 appropriate shall be bonded in such amount as the Commission shall
2 determine. The Executive Director shall be Secretary.

3 (e) Irrespective of the civil service, personnel, or other merit system laws of
4 any of the party states, the Executive Director, subject to the approval of the
5 Steering Committee, shall appoint, remove, or discharge such personnel as
6 may be necessary for the performance of the functions of the Commission and
7 shall fix the duties and compensation of such personnel. The Commission in
8 its bylaws shall provide for the personnel policies and programs of the
9 Commission.

10 (f) The Commission may borrow, accept, or contract for the services of
11 personnel from any party jurisdiction, the United States or any subdivision or
12 agency of the aforementioned governments, or from any agency of two or
13 more of the party jurisdictions or their subdivisions.

14 (g) The Commission may accept for any of its purposes and functions
15 under this compact any and all donations and grants of money, equipment,
16 supplies, materials, and services, conditional or otherwise, from any state, the
17 United States, or any other governmental agency, or from any person, firm,
18 association, foundation or corporation, and may receive, utilize, and dispose of
19 the same. Any donation or grant accepted by the Commission pursuant to this
20 subsection or services borrowed pursuant to subsection (f) of this section shall
21 be reported in the annual report of the Commission. Such report shall include

1 the nature, amount, and conditions, if any, of the donation, grant, or services
2 borrowed, and the identity of the donor or lender.

3 (h) The Commission may establish and maintain such facilities as may be
4 necessary for the transacting of its business. The Commission may acquire,
5 hold, and convey real and personal property and any interest therein.

6 (i) The Commission shall adopt bylaws for the conduct of its business and
7 shall have the power to amend and rescind these bylaws. The Commission
8 shall publish its bylaws in convenient form and shall file a copy thereof and a
9 copy of any amendment thereto with the appropriate agency or officer in each
10 of the party states.

11 (j) The Commission annually shall make to the governor and legislature of
12 each party state a report covering the activities of the Commission for the
13 preceding year. The Commission may make such additional reports as it may
14 deem desirable.

15 § 1504. POWERS—ARTICLE IV

16 In addition to authority conferred on the Commission by other provisions of
17 the Compact, the Commission shall have authority to:

18 (1) collect, correlate, analyze, and interpret information and data
19 concerning educational needs and resources;

20 (2) encourage and foster research in all aspects of education, but with
21 special reference to the desirable scope of instruction, organization,

1 administration, and instructional methods and standards employed or suitable
2 for employment in public education systems;

3 (3) develop proposals for adequate financing of education as a whole
4 and at each of its many levels;

5 (4) conduct or participate in research of the types referred to in this
6 section in any instance where the Commission finds that such research is
7 necessary for the advancement of the purposes and policies of this compact,
8 using fully the resources of national associations, regional compact
9 organizations for higher education, and other agencies and institutions, both
10 public and private;

11 (5) formulate suggested policies and plans for the improvement of
12 public education as a whole, or for any segment thereof, and make
13 recommendations with respect thereto available to the appropriate
14 governmental units, agencies, and public officials;

15 (6) do such other things as may be necessary or incidental to the
16 administration of any of its authority or functions pursuant to this compact.

17 § 1505. COOPERATION WITH FEDERAL GOVERNMENT—ARTICLE V

18 (a) If the laws of the United States specifically so provide, or if
19 administrative provision is made therefore within the federal government, the
20 United States may be represented on the Commission by not to exceed 10
21 representatives. Any such representative or representatives of the United
22 States shall be appointed and serve in such manner as may be provided by or

1 pursuant to federal law, and may be drawn from any one or more branches of
2 the federal government, but no such representative shall have a vote on the
3 Commission.

4 (b) The Commission may provide information and make recommendations
5 to any executive or legislative agency or officer of the federal government
6 concerning the common education policies of the states, and may advise with
7 any such agencies or officers concerning any matter of mutual interest.

8 § 1506. COMMITTEES—ARTICLE VI

9 (a) To assist in the expeditious conduct of its business when the full
10 Commission is not meeting, the Commission shall elect a Steering Committee
11 of 32 members which, subject to the provisions of this compact and consistent
12 with the policies of the Commission, shall be constituted and function as
13 provided in the bylaws of the Commission. One-fourth of the voting
14 membership of the Steering Committee shall consist of governors, one-fourth
15 shall consist of legislators, and the remainder shall consist of other members of
16 the Commission. A federal representative on the Commission may serve with
17 the Steering Committee, but without vote. The voting members of the Steering
18 Committee shall serve for terms of two years, except that members elected to
19 the first Steering Committee of the Commission shall be elected as follows: 16
20 for one year and 16 for two years. The Chairman, Vice Chairman, and
21 Treasurer of the Commission shall be members of the Steering Committee and,
22 anything in this subsection to the contrary notwithstanding, shall serve during

1 their continuance in these offices. Vacancies in the Steering Committee shall
2 not affect its authority to act, but the Commission at its next regularly ensuing
3 meeting following the occurrence of any vacancy shall fill it for the unexpired
4 term. No person shall serve more than two terms as a member of the Steering
5 Committee, provided that service for a partial term of one year or less shall not
6 be counted toward the two-term limitation.

7 (b) The Commission may establish advisory and technical committees
8 composed of state, local and federal officials, and private persons to advise it
9 with respect to any one or more of its functions. Any advisory or technical
10 committee may, on request of the states concerned, be established to consider
11 any matter of special concern to two or more of the party states.

12 (c) The Commission may establish such additional committees as its
13 bylaws may provide.

14 § 1507. FINANCE—ARTICLE VII

15 (a) The Commission shall advise the governor or designated officer or
16 officers of each party state of its budget and estimated expenditures for such
17 period as may be required by the laws of that party state. Each of the
18 Commission’s budgets of estimated expenditures shall contain specific
19 recommendations of the amount or amounts to be appropriated by each of the
20 party states.

21 (b) The total amount of appropriation requests under any budget shall be
22 apportioned among the party states. In making such apportionment, the

1 Commission shall devise and employ a formula which takes equitable account
2 of the populations and per capita income levels of the party states.

3 (c) The Commission shall not pledge the credit of any party states. The
4 Commission may meet any of its obligations in whole or in part with funds
5 available to it pursuant to subsection 1503(g) of this chapter of this compact,
6 provided that the Commission takes specific action setting aside such funds
7 prior to incurring an obligation to be met in whole or in part in such manner.
8 Except where the Commission makes funds available to it pursuant to
9 subsection 1503(g) of this chapter thereof, the Commission shall not incur any
10 obligation prior to the allotment of funds by the party states adequate to meet
11 the same.

12 (d) The Commission shall keep accurate accounts of all receipts and
13 disbursements. The receipts and disbursements of the Commission shall be
14 subject to the audit and accounting procedures established by its bylaws.
15 However, all receipts and disbursements of funds handled by the Commission
16 shall be audited yearly by a qualified public accountant, and the report of the
17 audit shall be included in and become part of the annual reports of the
18 Commission.

19 (e) The accounts of the Commission shall be open at any reasonable time
20 for inspection by duly constituted officers of the party states and by any
21 persons authorized by the Commission.

1 (f) Nothing contained herein shall be construed to prevent Commission
2 compliance with laws relating to audit or inspection of accounts by or on
3 behalf of any government contributing to the support of the Commission.

4 § 1508. ELIGIBLE PARTIES; ENTRY INTO AND WITHDRAWAL—

5 ARTICLE VIII

6 (a) This compact shall have as eligible parties all states, territories, and
7 possessions of the United States, the District of Columbia, and the
8 Commonwealth of Puerto Rico. In respect of any such jurisdiction not having
9 a governor, the term “governor,” as used in this compact, shall mean the
10 closest equivalent official of such jurisdiction.

11 (b) Any state or other eligible jurisdiction may enter into this compact, and
12 it shall become binding thereon when it has adopted the same, provided that in
13 order to enter into initial effect, adoption by at least 10 eligible party
14 jurisdictions shall be required.

15 (c) Adoption of the Compact may be either by enactment thereof or by
16 adherence thereto by the governor; provided that in the absence of enactment,
17 adherence by the governor shall be sufficient to make his state a party only
18 until December 31, 1967. During any period when a state is participating in
19 this compact through gubernatorial action, the governor shall appoint
20 those persons who, in addition to himself, shall serve as the members of the
21 Commission from his state, and shall provide to the Commission an equitable

1 share of the financial support of the Commission from any source available to
2 him.

3 (d) Except for a withdrawal effective on December 31, 1967, in accordance
4 with subsection (c) of this section, any party state may withdraw from this
5 compact by enacting a statute repealing the same, but no such withdrawal shall
6 take effect until one year after the governor of the withdrawing state has given
7 notice in writing of the withdrawal to the governors of all other party states.
8 No withdrawal shall affect any liability already incurred by or chargeable to a
9 party state prior to the time of such withdrawal.

10 § 1509. AMENDMENTS TO THE COMPACT—ARTICLE IX

11 This Compact may be amended by a vote of two-thirds of the members of
12 the Commission present and voting when ratified by the legislatures of two-
13 thirds of the party states.

14 § 1510. CONSTRUCTION AND SEVERABILITY—ARTICLE X

15 This Compact shall be liberally construed so as to effectuate the purposes
16 thereof. The provisions of this compact shall be severable, and if any phrase,
17 clause, sentence, or provision of this compact is declared to be contrary to the
18 constitution of any state or of the United States, or the application thereof to
19 any government, agency, person, or circumstance is held invalid, the validity
20 of the remainder of this compact and the applicability thereof to any
21 government, agency, person, or circumstance shall not be affected thereby. If
22 this compact shall be held contrary to the constitution of any state participating

1 therein, the Compact shall remain in full force and effect as to the state
2 affected as to all severable matters.
