Notes: 1) FY 2026 is the first year with the Statewide Adjustment CLA, so the FY 2025 property rates and yields cannot be directly compared to the prior years' property tax rates and yields.

2) FY 2025 was the first year with the elimination of the equalization ratio from Act 127. As such, the FY 2025 and FY2026 property yields and income yields cannot be directly compared to the yields prior to FY2025.
