

1 TO THE HONORABLE SENATE:

2 The Committee on Health and Welfare to which was referred House Bill  
3 No. 237 entitled “An act relating to prescribing by doctoral-level  
4 psychologists” respectfully reports that it has considered the same and  
5 recommends that the Senate propose to the House that the bill be amended by  
6 striking out all after the enacting clause and inserting in lieu thereof the  
7 following:

8 Sec. 1. 26 V.S.A. § 3001 is amended to read:

9 § 3001. DEFINITIONS

10 As used in this chapter:

11 (1) “Practice of psychology” means rendering or offering to render to  
12 individuals, groups, or organizations, for a consideration, any service involving  
13 the application of principles, methods, and procedures of understanding,  
14 predicting, and influencing behavior that are primarily drawn from the science  
15 of psychology. The science of psychology includes assessment, diagnosis,  
16 prevention, and amelioration of adjustment problems and emotional and  
17 mental disorders of individuals and groups.

18 (2) “Psychologist” or “practicing psychologist” means a person who is  
19 licensed to practice psychology under this chapter.

20 (3) “Psychologist-doctorate” means a person who is so licensed under  
21 this chapter.

1 managing a condition recognized in the DSM. Prescriptive authority excludes  
2 the authority to:

3 (A) dispense, administer, or distribute prescription drugs; and

4 (B) prescribe or discontinue prescription drugs for patients who are  
5 less than 18 years of age, over 80 years of age, or pregnant.

6 Sec. 2. 26 V.S.A. § 3009a is amended to read:

7 § 3009a. POWERS AND DUTIES OF BOARD

8 (a) The Board shall adopt rules necessary to perform its duties under this  
9 chapter, including rules that:

10 (1) specify educational and other prerequisites for obtaining licensure;

11 (2) ~~explain complaint and appeal procedures to licensees, applicants,~~  
12 ~~and the public;~~

13 ~~(3) explain continuing education requirements; and~~

14 (3) regulate prescribing psychologist licensees pursuant to section 3019  
15 of this title, including:

16 (A) the settings of clinical rotations;

17 (B) the minimum requirements for the curriculum of a postdoctoral  
18 psychopharmacology program; and

19 (C) prescriptive authority, including the designation of conditions  
20 and drugs excluded from that authority, as well as requirements for the  
21 prescribing of particular drugs; and

1           (3) has completed clinical rotations over a total of not less than 14  
2           months in not less than five practice settings, to include psychiatry, geriatrics,  
3           family or internal medicine, emergency medicine, and neurology;

4           (4) has completed a national certifying exam, as determined by rule; and

5           (5) meets all other requirements for obtaining a prescribing psychologist  
6           specialty, as determined by rule.

7           (c) Criteria for prescribing medication.

8           (1) A written collaborative agreement is required for all prescribing  
9           psychologists practicing under a prescribing psychologist specialty issued  
10           pursuant to this section.

11           (2) The issuance of prescriptive authority by a collaborating practitioner  
12           to a prescribing psychologist shall only include prescription drugs for the  
13           treatment of mental health conditions that the collaborating practitioner  
14           generally provides to patients in the normal course of practice.

15           (3) The collaborating practitioner shall file the collaborative agreement  
16           with the Board and notice of any termination of the agreement.

17           (4) Issuance of prescribing authority for Schedule II–V controlled  
18           substances shall identify the specific controlled substance by brand name or  
19           generic name. Prescription or administration of a controlled substance by  
20           injection shall not be allowed.

1        (d) Specialty by endorsement. The Director of the Board may, upon  
2        payment of any required fee, grant a prescribing specialty without examination  
3        if:

4            (1) the applicant holds active psychologist prescribing authority in  
5        another U.S. or Canadian jurisdiction; and

6            (2) the requirements for psychologist prescribing authority in that  
7        jurisdiction are, in the judgment of the Director, substantially equivalent to the  
8        requirements of this section.

9        **Sec. 4. REPORT; PRESCRIBING PSYCHOLOGISTS**

10        On or before November 15, 2032, the Office of Professional Regulation  
11        shall submit a written report to the House Committee on Health Care and to the  
12        Senate Committee on Health and Welfare regarding:

13            (1) the number of psychologists with a prescribing specialty pursuant to  
14        26 V.S.A. § 3019;

15            (2) the status of available collaborative practitioners; and

16            (3) whether any updates to the qualifications of prescribing  
17        psychologists are necessary to expand access to care while also ensuring public  
18        protection.

19        **Sec. 5. EFFECTIVE DATES**

20            (a) This section and Sec. 2 (power and duties of the Board) shall take effect  
21        on July 1, 2026.

1        (b) All remaining sections shall take effect on July 1, 2029.
