

TRUST YOUTH

TRUST YOUTH WITH THE RESOURCES THEY NEED TO THRIVE

Youth know what they need. H.657

- increases the agency of unaccompanied youth to access services,
- provides essential protections to youth in state custody,
- builds financial security through eliminating the Reach Up asset limit, and
- keeps Social Security (SSDI/SSI) benefits of foster youth in the hands of young people.

LGBTQ+ YOUTH NEED H.657 TO PASS**
