

1 TO THE HONORABLE SENATE:

2 The Committee on Judiciary to which was referred Senate Bill No. 193
3 entitled “An act relating to establishing a forensic facility for certain criminal
4 justice-involved persons” respectfully reports that it has considered the same
5 and recommends that the bill be amended by striking out all after the enacting
6 clause and inserting in lieu thereof the following:

7 Sec. 1. 13 V.S.A. § 4815a is added to read:

8 § 4815a. COMPETENCY RESTORATION SERVICES WITHIN
9 FORENSIC FACILITY

10 (a) A person shall be transferred to the forensic facility established in
11 section 4826 of this title if the person:

12 (1) has been charged with an offense punishable by a life sentence;

13 (2)(A) has been held without bail pursuant to section 7553 of this title;

14 or

15 (B) if the person is not held without bail pursuant to section 7553 of
16 this title, the person’s release would create a substantial risk of bodily injury to
17 another person;

18 (3) is not currently receiving treatment through an order of
19 hospitalization pursuant to 18 V.S.A. § 7619 or section 4822 of this title; and

20 (4) has been found not competent to stand trial.

1 (b)(1)(A) Upon admission, the forensic facility shall cause the person to be
2 evaluated for competency to stand trial not less often than the shorter of either:

3 (i) every six months; or

4 (ii) upon the determination by the forensic facility’s clinical
5 services director that the person is likely competent to stand trial.

6 (B) The results of all evaluations shall be supplied to the court and
7 the parties to the underlying criminal action.

8 (2)(A) At the request of a party, the court may order that a second or
9 subsequent evaluation include an opinion on whether the person’s competency
10 can be restored. If the court finds that the person may be found likely
11 competent to stand trial, the court shall immediately notify the State’s Attorney
12 and the person’s counsel in the criminal case. If the court finds by clear and
13 convincing evidence that the person cannot be restored to competency, the
14 court shall order continued commitment of the person, taking into account the
15 least restrictive conditions applicable, unless subdivision (B) of this
16 subdivision (2) applies.

17 (B) If the court finds that the release of a person who cannot be
18 restored to competency would not create a substantial risk of bodily injury to
19 another person, the court shall:

20 (i) order the release of the person under a prescribed regimen of
21 medical, psychiatric, or psychological care or treatment that the forensic

1 facility's clinical services director has certified as appropriate and that has been
2 found by the court to be appropriate; and

3 (ii) order, as an explicit condition of release, that the person
4 comply with the prescribed regimen of medical, psychiatric, or psychological
5 care or treatment together with any other conditions appropriate to protect the
6 public.

7 (c) The person shall remain at the forensic facility until the person is
8 restored to competency or until there is a final disposition of the charges
9 against the person.

10 (d) The person shall receive competency restoration services while at the
11 forensic facility according to a plan approved by the forensic facility's clinical
12 services director. Such services shall include any appropriate combination of
13 medication, education, accommodations, habilitation, or other services
14 identified as necessary or proper to achieve and maintain competency to stand
15 trial. The person's refusal to receive competency restoration services shall not
16 be grounds for release or dismissal from the forensic facility.

17 (e) Competency restoration services shall be provided to the person at the
18 forensic facility, or at another location as part of a discharge plan, until the
19 person is restored to competency or until there is a final disposition of the
20 charges against the person.

1 (f)(1) The Commissioner shall actively monitor compliance with orders
2 issued pursuant to subdivision (2)(B) of subsection (b) and shall immediately
3 return a person to the forensic facility if:

4 (A) the person was previously restored to competence pursuant to
5 this section and released from the facility;

6 (B) the Commissioner has reason to believe that the person is again
7 incompetent; and

8 (C) the person’s continued release would create a substantial risk of
9 bodily injury to another person.

10 (2) The Commissioner shall notify the court where the person was
11 committed upon return of the person to the forensic facility. Upon
12 readmission, the court shall hold a hearing at which the State’s Attorney shall
13 have the burden of establishing by clear and convincing evidence that the
14 person is not competent. If the court finds that the person is not competent, the
15 court shall order the person readmitted to the forensic facility for competency
16 restoration treatment pursuant to this section. If the court finds that the person
17 is competent, the court shall order the person restored to the status the person
18 had when the person was returned to the facility.

19 (g) The Commissioner shall receive prior approval of the Criminal Division
20 of the Superior Court where the person’s underlying criminal charge is pending

1 for any competency restoration plan involving involuntary medication. The
2 court shall not approve involuntary medication unless the court finds that:

3 (1) the involuntary medication is medically appropriate;

4 (2) the involuntary medication serves the important governmental
5 interests of bringing to trial an individual accused of a serious crime and
6 ensuring a fair, timely prosecution;

7 (3) the involuntary medication significantly furthers these important
8 governmental interests by making it substantially likely to render the defendant
9 competent to stand trial; and

10 (4) any alternative, less intrusive treatments are unlikely to achieve the
11 same results.

12 Sec. 2. 13 V.S.A. § 4817 is amended to read:

13 § 4817. COMPETENCY TO STAND TRIAL; DETERMINATION;

14 DISMISSAL

15 * * *

16 (e) When a person has been found incompetent to stand trial for an alleged
17 misdemeanor offense, the charges against the person shall be dismissed
18 without prejudice if, after the finding of incompetence, the case remains
19 inactive for a continuous period of time equal to or greater than the maximum
20 sentence for the offense. Dismissal under this section shall not be required if

1 the court finds that dismissing the case would be contrary to the interests of
2 justice.

3 Sec. 3. 13 V.S.A § 4819a is added to read:

4 § 4819a. FORENSIC FACILITY PLACEMENT FOR PERSONS

5 ACQUITTED OF CERTAIN CRIMES

6 (a) A person who is charged with an offense punishable by a life sentence
7 and is found not guilty only by reason of insanity at the time of the offense
8 charged shall be committed to a forensic facility pursuant to this section. This
9 section shall not be construed to prohibit the temporary transfer of a person
10 requiring inpatient treatment through an order of hospitalization pursuant to
11 18 V.S.A. § 7619 or section 4822 of this title.

12 (b)(1) A hearing shall be held by the court where the person was tried
13 within 48 hours following admission to the forensic facility, unless that period
14 is extended by the court.

15 (2) Prior to the date of the hearing, the court shall order that a forensic
16 risk assessment of the person be conducted that includes:

17 (A) the person's history and present dangerousness;

18 (B) a description of any tests that were employed and the results of
19 the tests;

1 (C) the examiner’s findings; and

2 (D) the examiner’s opinion as to whether the person’s release would
3 create a substantial risk of bodily injury to another person.

4 (3)(A) At the hearing, the court shall order the person committed to the
5 forensic facility if the State’s Attorney establishes by clear and convincing
6 evidence that the person is suffering from a qualifying condition that, upon the
7 person’s release, would create a substantial risk of bodily injury to another
8 person.

9 (B) If the court finds that the State’s Attorney has not established by
10 clear and convincing evidence that the person is suffering from a qualifying
11 condition that, upon the person’s release, would create a substantial risk of
12 bodily injury to another person, the court shall enter an order releasing the
13 person pursuant to subdivision (e)(2) of this section.

14 (c) A person committed to the forensic facility pursuant to this section shall
15 not be released until the court finds pursuant to subsection (e) of this section
16 that the person is no longer suffering from a qualifying condition that, upon the
17 person’s release, would create a substantial risk of bodily injury to another
18 person.

19 (d) The Commissioner of Corrections shall, taking into account the least
20 restrictive conditions applicable, provide adequate care and individualized
21 treatment at the forensic facility to persons ordered committed pursuant to this

1 section. In order that the Commissioner may adequately determine the nature
2 of the person's condition and needs, all persons committed pursuant to this
3 section shall be promptly examined by qualified personnel in order to provide
4 a proper evaluation, diagnosis, and treatment plan.

5 (e)(1)(A)(i) The State's Attorney shall petition the committing court for
6 evaluation of the person not less often than the shorter of either:

7 (I) every six months after the date that the person is committed
8 pursuant to subdivision (b)(3)(A) of this section; or

9 (II) certification to the Commissioner of Corrections by the
10 forensic facility's clinical services director that the person is no longer
11 suffering from a qualifying condition that, upon the person's release, would
12 create a substantial risk of bodily injury to another person.

13 (ii) The Commissioner of Corrections shall provide all reports
14 required under this section to the State's Attorney, who shall file them with the
15 petition.

16 (B) A person committed pursuant to subdivision (b)(3)(A) of this
17 section may petition the committing court for release on the grounds that the
18 person is no longer suffering from a qualifying condition that, upon the
19 person's release, would create a substantial risk of bodily injury to another
20 person. A petition shall not be filed pursuant to this subdivision (B) until at
21 least 90 days after the issuance of the commitment order.

1 (2) If the reviewing court finds by clear and convincing evidence that
2 the person is no longer suffering from a qualifying condition that, upon the
3 person’s release, would create a substantial risk of bodily injury to another
4 person, the court shall:

5 (A) order the release of the person under a prescribed regimen of
6 medical, psychiatric, or psychological care or treatment that the forensic
7 facility’s clinical services director has certified as appropriate and that has been
8 found by the court to be appropriate; and

9 (B) order, as an explicit condition of release, that the person comply
10 with the prescribed regimen of medical, psychiatric, or psychological care or
11 treatment together with any other conditions appropriate to protect the public.

12 (3) If the court finds that the person is suffering from a qualifying
13 condition that, upon the person’s release, would create a substantial risk of
14 bodily injury to another person, the court shall deny the petition and order the
15 person committed to the forensic facility for continued treatment pursuant to
16 this section.

17 (f) The Commissioner shall actively monitor compliance with orders issued
18 pursuant to subdivision (e)(2) of this section and shall immediately return the
19 person to the forensic facility if the Commissioner determines that the person
20 is noncompliant with the order and that the noncompliance may create a risk of
21 bodily injury to another person. The Commissioner shall notify the court

1 where the person was committed upon return of the person to the forensic
2 facility. Upon readmission, the court shall hold a hearing at which the State’s
3 Attorney shall have the burden of establishing by a preponderance of the
4 evidence that the person was noncompliant with the court’s order for
5 conditional release and that the noncompliance creates a risk of bodily injury
6 to another person.

7 (g) At any hearing under this section, the victim may express the victim’s
8 views concerning the offense and preferences for the person’s placement and
9 care, and the court may consider the victim’s testimony.
