

hello,

i am unable to attend the hearing for public testimony in person on 3/31 but i want to echo those who are shouting and explaining the incredible and disgusting nature of the incident on 3/11. Police- local, state and ICE were collaborating and working to support the police state. i have engaged in protests for years, including the Portland OR protests in 2020 and the stupidity and police brutality that I saw on dorset street was worse than what I saw at times in Portland. there is no excuse for what South Burlington police, BPD, VSP, and ICE did and I am asking you to address this.
