

Department of Corrections

DOC 101

VISION

We create safety and equity by seeing potential, supporting change, and serving communities.

MISSION

We lead through innovation

We advance restorative justice practices

We support staff wellness

We create meaningful partnerships

We create rewarding career opportunities

We provide justice-involved individuals with opportunities for self-improvement

We ensure our facilities and field offices are safe, secure, and healthy

The seal of the State of Vermont Department of Corrections is centered in the Mission section. It features a circular design with the text "STATE OF VERMONT" at the top and "DEPARTMENT OF CORRECTIONS" at the bottom. In the center, there is a smaller emblem with a star and the words "THANK YOU" on a banner below it.

VALUES

Accountability
We, individually and collectively, act in accordance with our mission and values in service to our vision.

Collaboration
We succeed when we have diverse and equitable partnerships that include our communities and the people in our care and custody.

Compassion
We treat everyone with respect and dignity and respond empathetically to people's lived experience.

Equity
We address systemic barriers that hinder opportunity and use fair and impartial decision-making.

Innovation
We use evolving research from diverse communities to identify, develop, and implement effective practices.

Integrity
We practice our values in an honest and transparent way.

Safety
We create an equitable culture of physical, emotional, and material wholeness.

Overview

- Housed within Vermont **Agency of Human Services**
- **Unified System**
 - Pretrial supervision → detained → sentenced → community supervision
- **Facilities:**
 - 6 in-state facilities
 - 5 men's facilities
 - 1 women's facility
 - 1 out-of-state men's facility
- **Probation & Parole:**
 - 12 district offices
- Training: **Vermont Correctional Academy**
- Budget: ~**\$200M** (98% General Fund)
- Staff: **1,124**

DOC Strategic Plan

Vermont Department of Corrections

Roadmap to 2030: Mission-focused, values-driven

STAFF AND STAFFING

Build a sustainable correctional workforce that invests in professional growth and staff wellbeing.

HEALTH AND WELLNESS

Achieve a holistic health and wellness system to improve outcomes for incarcerated and supervised individuals.

DIVERSITY, EQUITY, AND INCLUSION FOR A JUST SYSTEM

Advance diverse, equitable, and inclusive practices into all that we do to achieve a just corrections system.

MODERNIZATION

Modernize systems, structures, technologies, and processes to achieve the nation's leading model of corrections.

Strategic Plan Goals

STAFF AND STAFFING

Build a sustainable correctional workforce that invests in professional growth and staff wellbeing.

GOAL 1: Staff are empowered by a workplace cultivated to embrace and support the full spectrum of individual experience and identity.

GOAL 2: By 2030, staffing levels and staff retention are optimal and sustainable.

GOAL 3: Roles and processes are optimized to enhance staff engagement and operational efficiency.

GOAL 4: Opportunities for professional development and career growth are offered through a fair and transparent system.

GOAL 5: The Department provides opportunities and an environment that promotes staff health and wellness.

HEALTH AND WELLNESS

Achieve a holistic health and wellness system to improve outcomes for incarcerated and supervised individuals.

GOAL 1: The Department prioritizes health and wellness as a fundamental obligation.

GOAL 2: The Department engages Vermont's community members to support health and wellness outcomes for the population we serve.

GOAL 3: Health and wellness systems and processes operate efficiently and effectively.

GOAL 4: The Department supports and fosters holistic wellness for those in its care and custody.

DIVERSITY, EQUITY, AND INCLUSION FOR A JUST SYSTEM

Advance diverse, equitable, and inclusive practices into all that we do to achieve a just corrections system.

GOAL 1: Staff recognize and appreciate the daily impact of identity and why JEDI is vital to our success.

GOAL 2: The Department's systems, structural environment, policies and procedures are informed by trauma-informed practices, JEDI principles, and individuals with lived experience within the criminal justice system.

GOAL 3: Supervision, programs, and intervention services reflect the diverse needs of the people we serve.

GOAL 4: JEDI-responsive principles are embedded into all Department processes and retention efforts to equitably serve every staff member.

MODERNIZATION

Modernize systems, structures, technologies, and processes to achieve the nation's leading model of corrections.

GOAL 1: Vermont's correctional system employs modernized systems, structures, technologies, and processes.

GOAL 2: The Department cultivates meaningful partnerships to advance community engagement and restorative practices.

GOAL 3: Modernization is embedded within each strategic initiative and advances innovative, efficient, evidence-based, and data-driven solutions Department-wide.

Vermont's Incarcerated Population

Incarceration Rates by State - 2024

Rate per 100,000

Includes those held in state prisons, local jails, federal prisons, USMS detainees, Indian Country jails, juvenile facilities, and involuntarily commitments

Source: Prison Policy Initiative • Created with Datawrapper

Male Correctional Facility Bed Capacity: Last 12 Months

Vermont DOC facilities remain oversubscribed, with an average of **135%** of male general population beds in use statewide over the last year. The American Correctional Association recommends a census of no higher than 85%.

System Challenges

Staffing

- Vacancies, retention, state workforce demographics, overtime costs, physical workplace environment

Health & Wellness

- Serving physical/mental health needs of incarcerated individuals, particularly those detained awaiting trial
 - Lack of access/poor connection to medical care prior to justice-involvement
 - Sequelae of heavy substance use

DEI & Justice

- Remote hearings and court backlogs
- Lack of coordinated community reentry services and geographic disparities
- Paucity of community service providers, particularly for male-identifying individuals

Modernization

- Lack of WiFi and access to basic technology
- Lack of transitional housing stock/availability
- Deteriorating physical infrastructure
- Antiquated and highly manual data systems (OMS)

Key Correctional Reforms

Recruiting & Retaining Staff

Key Context:

- **Fundamental system changes are needed** to achieve sustainable staffing levels

Ongoing Efforts:

- **DOC redesigning the role of the correctional officer** and staff experience to recruit and retain all levels of today's workforce
 - **Invested over \$30M** to increase compensation for correctional staff in FY24-25
 - Redesigned shift schedules to create more work/life balance
 - Created Central Operations Specialist team to **reduce staffing pressures** on field and facilities

Efforts **reduced vacancies by 50%** since July 2022

Recruiting & Retaining Staff

Next Steps:

- Piloting **remote correctional academy** to increase accessibility for new recruits
- Implementing **strategic plan** with key focus on staffing
 - Removing paper-based processes and automating tasks to reduce workload
 - Investing in supervisory training to improve staff experience
 - Increasing opportunities for mentorship and professional development
- Using **data-driven** approach for informed decision-making

DOC Facility Staff Vacancies: January 2019 to January 2025

1115 Waiver: Medicaid Reentry Project

Key Context

- 1965 Social Security Act **explicitly prohibits incarcerated individuals from receiving Medicaid** except in rare cases
- Vermont received **approval from Biden administration** in 2024 to pursue 1115 waiver
- Initiative driven by **AHS interdisciplinary team**

Implementation

- Beginning January 1, 2026, Medicaid restarts **90 days prior** to sentenced individual's release
- All savings to be reinvested into health services
- Federal capacity building funds to **modernize** MMIS (DVHA claims processing system)

Replacement Women's Facility

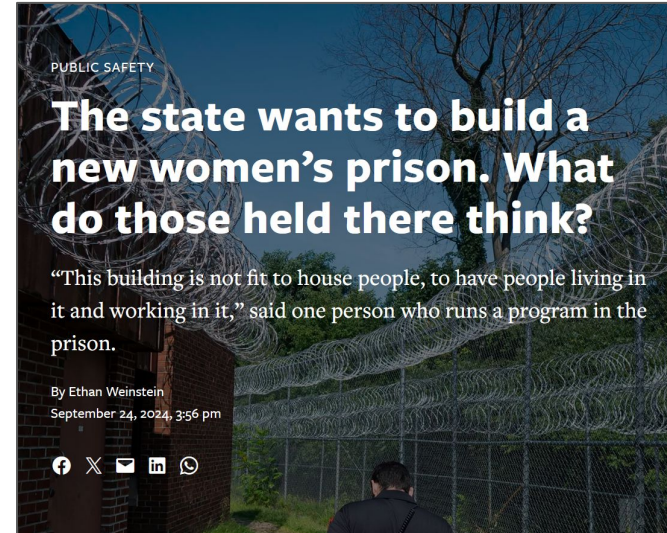

Key Context

- Vermont's sole women's facility, Chittenden Regional Correctional Facility (CRCF), was **originally built as a short-term detention center for men**
 - Lacks adequate space for programming, vocational training, specialized needs

Next Steps

- Identified two potential sites in Essex to **maintain proximity to current service providers/staff** in the Chittenden County area
 - Submitted zoning proposal to remove corrections overlay
 - Ongoing conversations with Town of Essex
- New, Scandinavian-style facility to offer more **humane and dignified living and working environment**

Community Recovery Partnerships

Key Context

- Overdose is the [leading cause of death](#) for people recently released from incarceration nationwide (up to 129x risk)
- Increased community-based substance use treatment is [associated with decreases in both jail admissions and overdose deaths](#)
- Substance use and associated criminal behavior among the **leading causes of incarceration in Vermont**
- Every Vermont community with a correctional facility **already hosts an accredited recovery center**

Statewide Peer Coaching via Recovery Partners of Vermont Sites

- Scaling [Rutland pilot](#) statewide: Peer coaching in **5 of 6 facilities**
- In-reach peer recovery coaching **bridges prison/community divide**
- Recovery center challenges: staffing and new, complex caseload
- Funding: BAA (\$500,000), Opioid Settlement (\$1M), Senator Welch CDS (\$1.88M)

‘They’re helping me save the rest of my life’: Rutland organization helps incarcerated people find sobriety and rebuild their lives

By Tiffany Tan
May 18, 2023, 7:04 am

Mike St. Pierre at the Turning Point Center of Rutland in March. Photo by Glenn Russell/VTDigger

RUTLAND — In 2018, Mike St. Pierre was a year into his most recent incarceration at Rutland’s Marble Valley Regional Correctional Facility when he felt drawn to attend a presentation by the local substance use recovery center. After listening to the visiting peer counselors talk about their paths to recovery, he decided to sign up for their prison programs.

DOC & Community College of Vermont

Key Context

- [Free community college](#) for incarcerated individuals and DOC staff
- Supported by **\$4.5M CDS** from Sen. Sanders via DOJ
- Classes available at **all major DOC sites** (exploring expansion to St. J and Rutland via expanded tech)
- **Expanded course offerings** for incarcerated individuals and eligibility for family members of correctional staff

Next Steps

- **Secure WiFi** to offer increased diversity of courses and different teaching modalities
 - Continued Pell funding dependent on WiFi
- Continue to resolve operational hurdles (space, facility scheduling, CCV staff schedules, technology)
- Offer **vocational training** modules

DOC Community Investments

This year, DOC allocated more than **\$11,000,000** in community-based services, programs, and alternatives to incarceration, including:

- **\$6,364,748** for transitional housing (Pathways, Burlington Housing Authority)
- **\$3,706,338** to Community Justice Centers across Vermont
- **\$1,060,000** for community recovery centers (Turning Points) for in-reach recovery coaching at all correctional facilities and probation and parole
- **\$714,516** granted to CRCF providers (Vermont Network DIVAS program, Vermont Works for Women, Lund Kids-A-Part, Mercy Connections) for trauma-informed counseling, mentoring, child visitation, vocational training
- **\$240,952** for Jenna's Promise reentry support, housing-first recovery model, and vocational training
