11 (e) Rules.

12 (1) The Secretary may adopt rules to implement the provisions of this  
13 section and shall review existing and proposed international, federal, and State  
14 greenhouse gas emission reporting programs and make reasonable efforts to  
15 promote consistency among the programs established pursuant to this section  
16 and other programs, and to streamline reporting requirements on greenhouse  
17 gas emission sources. Except as provided in subsection (g) of this section,

8 House Committees on Energy and Digital Infrastructure and on Ways and
